

MISS STALLO JILTS FRED OF OWLS

Engagement Ended After Discovery That Father Was Ordinary Masseur.

HER SIRE LIKES FLOMAN

Young Man Would Have Been Helped to Enter Prominent Manufacturing Firm—Ex-Sweet-Heart Heiress to Millions.

NEW YORK, Oct. 8.—(Special.)—Miss Helen Stallo has broken her engagement to Nils Floman, whom, after a brief courtship, she had promised to marry.

Acquaintances of the Stallo family say that the real reason for Miss Stallo's discovery that young Floman, instead of being a member of a wealthy family of Stockholm, Sweden, was the son of an ordinary masseur, and his step-mother was a masseuse.

Masseur in Family Unthinkable. "A masseur for a father-in-law," said one who knows the Stallo well, "is impossible."

NEW LONDON, Conn., Oct. 8.—(Special.)—The fame of Dr. Witter Kinney, Tingley, of Norwich, in forecasting the sex of the youngsters the stork brings to families in the community is growing.

Family Quarrel Eases. Dr. Tingley also occupied a place in the public eye when he showed such astuteness at his sister's sudden marriage that a family quarrel ensued, in which the sister threatened to sue the doctor because, as administrator, he had not settled the estate of their mother, Mrs. Sarah E. Tingley, who died 18 months before.

Even the friends of the young man do not know the source of his revenue. It appears that he has no ancestral estates, but that he has been living expensively in New York. He is 24 years old and has a soldierly bearing, which is accounted for by his service in the Swedish army the length of time required by the conscription law.

Strength Comes

Not From What You Eat, But From What You Digest.

A Tablet Digests a Meal. Trial Package Free.

Most people eat most foods without discrimination—it matters little what they eat. This is the first turn on the road to dyspepsia.

There is nothing more revolting than a dyspeptic stomach—a very vat for putrefaction, sending forth its poison throughout the entire system, depressing the brain, befouling the breath, souring the taste, deadening the muscles, incapacitating the liver and kidneys for their work, debilitating the heart, choking the lungs and clogging the bowels.

All of these disagreeable and dangerous conditions are due to the improper digestion of food and the consequent assimilation of poison. What else can be expected if the proper status in the stomach, if the system is constipated, fermentation is the natural outcome. It shows itself in sour watery risings, belching, heartburn and painful breathing.

There is only one way to remove this condition. If the stomach refuses to digest your food put something into it that will. Stuart's Dyspepsia Tablets are nothing but digestives. They are not a medicine. They work when the stomach has not in their endeavor by 40,000 physicians in the United States and Canada.

Ask your family physician his opinion of Stuart's Dyspepsia Tablets and if he is honest toward you he will state positively that they will cure your stomach trouble, whatever it may be, unless you have waited too long and have allowed your disorder to develop into cancer.

Act today and begin to end your suffering. A free trial package will be sent to your address upon request. The 50-cent size packages are for sale at your druggist's. F. A. Stuart Co., 159 Stuart Bldg., Marshall, Mich.

SAN FRANCISCO, Oct. 8.—(Special.)—The Pacific Mail steamer City of Panama, which sailed from San Francisco for Ancon on September 23, is slowly steaming back to this port in a damaged condition.

It was learned by wireless today that a big sea struck the vessel broadside, damaging her upper works to such an extent it was determined to return here for repairs.

LAZY LIVER, BILIOUSNESS, SICK HEADACHE, COATED TONGUE OR SOUR, GASSY STOMACH

Are you keeping clean inside with Cascarets—or merely forcing a passage-way every few days with salts, cathartic pills or castor oil? This is important. Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the decomposed waste matter and poison from the intestines and bowels.

A Cascaret tonight will straighten you out by morning—a 10-cent box will keep your entire family feeling good for months. Don't forget the children—their little insides need a good, gentle cleansing, too.
