

TALESMEN STIFLE IN STUFFY ROOMS

Outdoor Sleepers on McNamara Jury Complain When Confined at Night.

DIGESTIONS ARE WATCHED

Sheriff Negotiating for Board With Home Cooking--Defense to Question Closely as to Feeling Toward Labor.

LOS ANGELES, Oct. 12.—Outdoor sleeping, a common habit in Southern California, became a factor last night in the McNamara trial. Eleven talesmen, locked up for the night in the newly-varnished rooms of the Hall of Records, reported today that sleep was impossible for those addicted to the outdoor habit, and one of them, Zimri T. Blatt, required medical assistance in the night.

The man face long confinement in the trial of James E. McNamara on the charge of murder in connection with the explosion and fire which destroyed the Los Angeles Times building October 1, 1910.

Sheriff Hammel immediately took steps to alter the arrangements, and the talesmen slept tonight in a roomy vacant courtroom with many windows, across a court from the trial room. The room designed for sleeping quarters was set aside as an exercise room, and windows in both were kept open.

Problems of Meals Loome. Even this arrangement is considered unsatisfactory, however, nor is the court reconciled to taking the talesmen to restaurants for meals. Further efforts are being made to improve conditions. It is feared that six months of a life eating may prove disastrous to some of the prospective jurors who are accustomed to home cooking.

State Holiday—Discovery day—which interrupted court proceedings, served as a brief respite from the sharp legal encounters which are expected at the opening of court tomorrow. Officially, nothing happened, but District Attorney Frederick, in a room high up in the Hall of Records and overlooking the jail where the McNamara brothers and Orin McManigal, the first magnitude witness for the prosecution, are locked up, and Attorney Clarence S. Darrow, chief of counsel for the defense, in a downtown business block, gathered about them their assistants and drew plans for the impending clash.

Judge Bordwell, before whom the case is on trial, took occasion to visit his chambers and dispose of routine matters, in order to have a clear field when court opens.

Challenges Are Cherished. All preparations centered on the institution of the defense to read into the minds of talesmen to ascertain if possible their real feelings toward labor organizations. Judge Bordwell already has ruled favorably on certain questions along this line, but the extent to which the interrogation may be carried and the method in which it shall be done remains to be determined.

Z. T. Nelson, a talesman, who was being examined when court adjourned yesterday, is scheduled for further examination tomorrow. Questions thus far put by the defense will be followed by those intended to show whether the talesman is without bias, or may be challenged for cause. The previous 20 peremptory challenges allowed by law will be used only as a last recourse, and are to be pitied for their empty, empty challenges allowed the state.

CADET CANDIDATES UNFIT

West Point Superintendent Asks for Weeding-Out Process.

WASHINGTON, October 12.—Legislation authorizing the President to appoint four Senators and Representatives to nominate candidates for admission to the West Point Military Academy, and a \$2,000,000 appropriation for completing buildings there, is recommended, and admission of foreign students to West Point strongly disapproved, in the annual report of Major-General Thomas H. Barry, Superintendent of West Point, today.

SUGAR DUTY HELD WRONG

youth. Your Uncle Sam is engaged in taking candies from children, the height of nonsense. The duty on raw sugar is 75 per cent of its value.

“You will be surprised to compare this import duty with others.

Names. Duty. Sugar 75 per cent. Champagne 15 per cent. Automobile 15 per cent. Fruit 10 per cent. Diamonds 10 per cent. Pearls 20 per cent.

from 2 1/2 to 3 cents per pound. They sell at from 5 to 7 cents.

“In California the beet sugar is sold just under the price of the cane sugar and the cane sugar, although it is manufactured from Hawaiian raw sugar, which is admitted free of duty, costs the consumer the New York price of refined sugar plus the freight.

“In Utah, the beet refiners exact the full price of the San Francisco market, plus the freight across the Rocky Mountains. Everywhere the beet sugar manufacturer takes full advantage of the tariff tax and it results that the people of the United States pay to the Government on the cane sugar and to the beet sugar barons on the beet sugar. The saving to the American people on the sugar consumed last year, if the tax were removed, would amount to almost \$150,000,000.

TINY PLANTS TO GROW

“INDUSTRIAL HATCHERY” IS TACOMA IDEA. Power, Rent and Taxes Will Be Combined in One Charge to Small Manufacturers of Products.

TACOMA, Wash., Oct. 12.—(Special.)—Tacoma is to have an “Industrial Hatchery” as soon as it can be established. Plans looking to this end have been launched lately by the Commercial Club and are now well under way.

A Commercial Club committee composed of E. B. Judson, John D. Fletcher, C. A. Carson, J. E. Bonnell, John D. Fletcher and Hill Hudson has been appointed to carry the plan to completion along lines proposed by T. H. Martin, manager of the club's publicity department.

The plan the Commercial Club is working on is for the erection in some centrally located district of a large “Tacoma Industrial Hatchery,” the purpose being to afford suitable housing, adequate electric power and other manufacturing facilities, including access to rail and water, at merely nominal prices. Infant industries at a small figure will be able to get all the operating space they need, the lease price including power, heat, light, taxes, insurance, depreciation, etc.

DEATH IS EYED ASKANCE

FAIRFIELD, WASH., HAS FIRST MURDER MYSTERY.

Future Bride Swoons as She Gazes on Casket of Rancher Found Dead With His Pets.

FAIRFIELD, Wash., Oct. 12.—(Special.)—The little community of Fairfield is soberly debating its first murder mystery in the sudden death of a young rancher who was found dead on the floor of his kitchen Monday morning, while on the opposite side of the house his pet cat and a dog lay stiff and stark.

Yesterday afternoon Teeny Hallinger, the young woman who was to become his bride one week hence, stood in the doorway of the little church where they were to be married, and as she gazed toward the casket which contained the form of her lover, she swooned.

CANAL TOLLS VEX NATIONS

Europe Will Protest Discrimination in Favor of Americans.

WASHINGTON, Oct. 12.—President Taft's prediction of an early opening of the Panama Canal promises to plunge the State Department into important negotiations with the great maritime powers respecting tolls.

Until recently European nations took it for granted that there would be no attempt to discriminate against nationalities in the matter of tolls, basing their belief on the Hay-Pauncefote treaty, which almost in set terms makes such a declaration.

“The Food I Eat Does Me No Good”

One of the commonest ailments of the day is inability to derive benefit from the food taken. Food that does not digest is worse than wasted. The complaint quoted above is one often heard by doctors.

Food that fails to digest ferments. Gas forms in the stomach and the acids of fermentation cause heartburn. Dr. Williams' Pink Pills for Pale People are a digestive tonic and give new strength by enabling the blood to take up and profit by the food we eat. They double the value of the food to the body, increase the appetite, renew energy, vitality, snap and vigor.

Mr. Clinton A. Schaller, of No. 1505 Ford street, Golden, Colo., says: "I was troubled with stomach complaint for several weeks but hadn't felt well for some time, as I had been worrying. My stomach was sore if I put my hand on it and pained me after eating. I had dizzy spells for a few moments at times, and also a crawling feeling in my throat. There were pains around my heart and I had difficulty in taking a long breath. I felt many times as though I was going to die. I don't know whether it was all imagination or not, but I did feel so. I was much troubled with constipation and lost weight so rapidly that I determined to see if something else than doctors' medicines would help me. I read about Dr. Williams' Pink Pills and began taking them. I began to feel better and am now well and strong. Dr. Williams' Pink Pills are all right and ought to be in every home."

Don't go about your treatment blindly but start today to cure your indigestion by using Dr. Williams' Pink Pills for Pale People. The experience of other sufferers has been that their stomach troubles disappeared as soon as the blood was made pure and rich.

Every sufferer from stomach trouble should read our booklet, "What to Eat and How to Eat." It is free upon postal card request.

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50c per box; six boxes \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.
