them to get in touch with the Portland organization.

Each lodge has been asked to organize a "Portland Club" and to inform the local committee of its progress in organizing the delegation that will come to Orecom next July.

Arrangements to advertise the convention theroughly also have been made. Co-speciation with the railroads and other institutions engaged in the development of the state has been sought.

As soon as returns start to come in from the letters sent out by the secretary more definite knowledge of the probable attendance will be obtainable. Judging from the reports already received from ledges in every portion of the United States, the local Elks place the number at 45,000.

At a meeting to be held next Monday noon the finance committee recently appointed by Sol Blumaner, chairman, will name the subcommittees that are to start the whirlwind campaign for the campletion of the \$15,000 entertalament fund pennised the grant lodge. The local committee is \$35,000 short of the required amount. No trouble in ascuring the balance is anti-cipaied.

BRIDGE BIDS HASTENED

ADVERTISEMENTS FOR BROAD-WAY TELEGRAPHED EAST.

Executive Board Saves Week by Adopting Mayor's Plan-Contract May Be Let in 45 Days.

Use of the telegraph was resorted to at the suggestion of Mayor Rushlight before the Executive Board yesterday afternoon, in inserting calls for bids for the superstructure of the Broadway bridge in Eastern periodicals. A night telegram was sent by order of the Board, which will save about one week in getting the advertisement into the papers that reach bidders in the East. Forty-five days will be allowed for bidders to get their papers ready for inspection by the Executive Board, this being the time recommended by Consulting Engineer Modjeski, who is handling the work for the city. As soon as bids are received they will be gene over in detail and a contract will be let. It is the purpose of the administration to rush the big span to completion at the earliest possible moment.

ment.

A contract was awarded to the Union Bridge & Construction Company to build the Crosby-street approach to the Broadway bridge at the same unit prices being charged by that company for the substructure.

The Executive Board yesterday ordered payment of \$27,000 to the United Engineering & Construction Company for work on the Hawthorne-avenue

for work on the Hawthorne-avenue hridge, with the exception of \$6266 for chims not approved by the Board, \$2500 penalty imposed and \$1500 to be held out by the city until certain work is done. There is not enough money in the bridge fund to pay this amount, but the Board is sending it to the Council in the hope that that body may be able to find means of paying it. the Hawthorn

may be able to find means of paying it.

City Atterney Grant has decided that the city has no authority to pay any money over the amount derived from the sale of the bridge bonds, which was \$459,600; that, if any other is paid out, it must come from an additional bond sale, of bonds to be voted by the people. At a meeting of the bridge committee yesterday morning, Mr. Grant said that the law is well settled on the point that, where city officials expend more money than is previded for in a given case, the officials are responsible, individually.

Spokane's Bank Clearings for Week Fall Far Short.

With the presence of President Taft on the Pacific Coast and with the cele-bration of Columbus day, the holiday bration of Columbus day, the holiday spirit during the week affected the showing in bank clearings in all Coast cities. While each city registered a loss in total clearings it remained for Portland to make the best showing. Portland's totals were \$11,152,000, with a decrease of only 5.9 per cent over the clearings for the corresponding week of last year. Seattle's clearings were less than Portland's, the totals being \$10,045,000 and the decrease, 16.9 per cent.

Los Angeles dropped far behind its usual showing, having only \$11,888,000 in total clearings and registering a loss
