BY W. J. PETRAIN. LOS ANGELES, Oct. 13.—(Special.)— Portland pounded two more nails in the Coast League pennant today, defeating Los Angeles both morning and afternoon by hard hitting at opportune times. The morning result was 8 to 1 and the afternoon score 4 to 1. In the morning game Peckinpaugh knocked home run that gave the Beavers four

The double victory today gave the Reavers four victories out of the six games of the series with the Angels. The Beavers have won 11 of the 16 games played since the club left Portland on its last trip of the season.

With the pennant virtually tucked away safe, the Beavers will invade San Francisco to play the last league games of the year with the Seals, beginning Tuesday afternoon

Game Played at Vernon.

The game this morning with the Los Angeles club was played at Vernon and was the first one Portland has won at the unwholesome ball park there in two years. Tom Seaton did the pitching for the Beavers, opposing Agnew, and gave an exceedingly good account of himself. No less did Steen, who pitched for Portland in the after-The Angels were out-pitched and out-hit in both games.

Steen was called upon to pitch in the afternoon because Koestner and Harkness did not dress. Steen opposed Bill Tozer. Two-baggers bunched by Rapps Kuhn. Steen and Chadbourne, netted four Portland runs and the outcome of the game was never in doubt after Steen got by the first few innings.

The first scores of the afternoon o curred in the fifth inning, when Chadbourne doubled to left and took third on a single by Rodgers. Krueger had singled previously and advanced on "Chad's" double and scored on the hit by Rodgers. Bill Steen had also singled and tailied on Rodger's bingle. Steen Hits Two-Bagger.

Steen opened the eighth with a double to left and trotted home on an error by Metzger and a double by Rod-

Heinte Heitmuller and Pa Dillon cargied off the batting honors for the Angels. The first Angelic run was tal-Hed in the sixth luning. With two mer out, Steen walked Daley, who tailled on a long two-bagger by Dillon. Dillon doubled again in the ninth and scored on a clean single by Howard.

"Red" Kuhn played third base like a veteran. Sheehan and Lindsay are still out of the game because of injuries. Several speedy double plays marked the fielding of the Portland leam, and

each of the double killings pulled off by McCredle's speedy players brought an enthusiastic demonstration on the part of the Angel fans.

The Fortland club left tonight for San Francisco. Elmer Koestner will open against the Scale Tuesday.

Hogan's Villagers Lose to Oaks in Morning but Win in Afternoon.

BAN FRANCISCO, Oct. 15.—Vernon and Oakland divided a double-header here today, Happy Hogan's Villagers losing the morning game 5 to 0, and winning in the afternoon 7 to 1. Ables was the stumbling block in the path of the Vernon team in the morning. He allowed but three hits and no runs. Carson, for Vernon, allowed seven hits. In the afternoon game both teams hit the ball freely. Gregory was driven from the mound in the fifth inning after he had given five hits and two runs. Brackenridge was hit safely ten times, but kept them scattered. Oak-land registered six errors in the afternoon game and Vernon three. Score:

ATHLETIC COUNCIL DIVIDED

Intra-Collegiate Faction Renews Ef-

forts at Oregon. UNIVERSITY OF OREGON, Eugene, Oct. 15.—(Special.)—A rumor is affoat that the agitation for the substitution of intra-collegiate for intercollegiate at hie University of Oregon is about to be renewed from another vantage point. The departure of Professor Glen left a vacancy in the gov ressor Gien lett a vacancy in the governing athletic council and according to the strict letter of the constitution a new officer should have been appointed by President Campbell early in September.

tardiness, it is believed, has been due to conflicting pressures which have been brought to bear upon him by the two parties within the faculty ranks, the one which favors intra-collegiate athletics and the other which wishes a continuance of the intercollegiate schedules. Each are bidding that a man of their sentiments be placed on the council in order to have voice in the future contentions. Although the University of Oregon never seriously

BUDDY HEADS HITTERS abolishing intercollegiate relations for good, a faculty recommendation to that effect received considerable backing two years ago, and recent tendencies have been in that direction. Interclass, interclub and interfraternity games of all kinds have been assidutiously encouraged and many valuable cup trophies have been awarded to the leading teams in the various athletic lesgues.

The motive of this movement is to bring the benefits of athletic training within reach of practically every student in contradiction to the severe indictment leveled against athletics that it is simply for a comparative few of the students who are specially trained and equipped. As matters stand now nearly all of the undergraduate body are at one time or another engaged in

mpetitive athletic contests. The faculty compels a full two years' attendance at the regular gymnasium classes as a requisite for graduation.

T ISN'T a dead sure cinch yet, this Coast League pennant, but the percentage is so great in favor of Portland that there is very little doubt where the flag will float next year. Granting that Vernon comes out vic-torious in every tussie with Los Angeles this week. Portland will have to win but two games of the series of win but two games of the series of seven with San Francisco in order to secure premier honors. If Dillon should slip one over on the Hapless Tiger leader, the Beavers will have to trounce the Seals only once. The best per-centage Hogan can hope for is .587, while McCredie can get .588 by winning but twice.

Supporters of the Philadelphia Athletics are still persistent in the con-tention that luck, more than anything else, played winning ball for the Giants Saturday. But whatever it was, the National champions have the jump, something that undoubtedly figures a great deal in momentous matches as the world's series.

Any plans to extend the Coast League season probably would meet with very little favor from San Fran-ciaco fans. For the past week, according to the Exposition City writers, but a handful of people have been out to see the games. Taking into consideration the fact that Vernon was play-ing Oakland last week, and the Tigers still had a mighty good chance to win the pennant, the attendance does not speak very favorably for an extended season.

Beaver followers are wondering whether Danny Long will relent and lift the ban of suspension from Tommy Tennant, his first baseman. If noisy infielder is permitted to back into the game the Seals' batting strength will be increased considerably. Tennant was recently indefinitely suspended for breaking training rules, and of late there has been much urging to have the big fellow back at his old stand for the last series of the season. Manager Long declared at the time he dealt so severe with Tennant that Tommy would never have another chance to appear in a San Francisco uniform as long as he is in charge of the club.

Kind of easy for Ables. When Wolverton's young mountain of pitching machinery twirled the Oaks to a shutout victory over Vernon yesterday morning he annexed the \$200 promised him by a Portland fan. The money was to be Ables' if he succeeded in win-ning from the Tigers twice during the series just ended. Yesterday's victory was his second. SUPERIOR PONIES FAIL TO WIN FOR BOISE,

Each Team Is Ahead One Game and Championship Hangs on Final Contest Tomorrow. BOISE, Idaho, Oct. 15.—(Special.)→

The polo championship of the North-

west hangs in the balance as the re-

sult of the second game in the series of three to be played in this city between pole teams representing Portland and Bolse, for the Portland team won from Boise today in what is pro-Portland 3%, Boise %.

The Portland team showed at its best in today's game, played at the Barracks polo grounds, for the field

has been specially rolled and was fast Daring feats of horsemanship on the part of the individual players with the Portland team, Corbett, Leadbetter, Voorhies and Tone, blocked the Boise players from shooting goals. In the first game, when Boise won, the field was rough. Today it was rolled and smooth, giving the Portland players an opportunity to display their skill on fast grounds.

A total of four goals were made by

Portland, while Boise was held to one, A foul and a safety cut down the Port-land score three-quarters of a point, while similar penalties against the one goal made by Boise reduced the final standing of the home team to but onenuarter.

Each team now has a game to its credit, Boise having won yesterday. The third and championship contest will be played here Tuesday.
