SAN FRANCISCO, Oct. 20.—(Special.)—Portland, unafraid with the pennant already cinched, took things easy out at Recreation Park today. Or, rather Speck Harkness, pitcher for the Beavers, let down and permitted the Seals to win after their own fashion. The score was 12 to 4 when the San Franciscans had finished their work.

Some times there were plenty of hits back of the runs that were made and then again there were not. Harkness established one record when three runs were scored with but a single hit, a two-bagger, to account for all of the tallies. The ex-Cleveland flinger had as little on the ball as he ever showed and it was probably as much from a lack of caring what happened as for any other reason.

The Beavers, for that matter, had the advantage in the hit colmn, but the four walks and the two men who were hit by Harkness proved extremely costly so far as adding San Francisco runs were concerned. Browning was more effective from the standpoint of holding off the runs, and had it not been for the manner in which two-suckers were combined on various occasions, the Oregonians' score would have been smaller by half.

Speed was the surprising feature, when you take into consideration the number of runs that were scored of an otherwise extremely monotonous game.

Catches in the outfield proved to be the star work of the day. Both Joe Holland and Watt Powell backed up against their respective fences for one-handed catches that were well worth going a long distance to see. That and the heavy batting made up a game that cut not a bit of figure so far as the winning of the pennant was concerned.

San Francisco jumped into the lead in the third inning and maintained that position up to the very close. Score in detail:

TIGERS EASY FOR ANGELS

Vernon's Efforts at Bat Are Feeble and Base Running Miserable.

LOS ANGELES, Oct. 20.—Los Angeles defeated Vernon, winning today's game, the second of the series, 9 to 2. Carson was hit hard throughout. Five hits in the first inning netted four runs, and this was followed by two more hits for one run in the second. Vernon's efforts with the bat were feeble and its base-running was miserable. Score:

Sacramento Comes From Behind and Wins by Score of 7 to 4.

SACRAMENTO, Oct. 20.—Sacramento came out from behind today in a loosely played game and after Oakland had found Knight and Thompson for four runs in the first three innings, the locals landed on Bohen for enough hits, added to Oakland's errors, to win, 7 to 4. Tiedemann's home run drive over the fence was the only feature. Score:

ALBANY HIGH DEFEATS EUGENE

Linn Eleven Outplays Lane Team and Wins by 19-to-0 Score.

ALBANY, Or., Oct. 20.—(Special.)—In a fast game on the college grounds here today the Albany High School football team won from Eugene High School, 19 to 0. Albany outplayed the visitors in all departments of the game.

Albany made big gains from the start, but was unable to score in the first quarter. In the second period Archibald scored the first touchdown after a series of successful line bucks; goal was missed.

Another touchdown was scored in the third quarter on a 20-yard run by Abraham. Abraham scored another touchdown in the fourth period, and Archibald kicked both goals. Albany's other two points were scored on a safety, when Crowell dumped Gray behind the Eugene line after the latter had recovered a blocked punt.

The Eugene lads made some good gains during the game, but never got within 30 yards of Albany's goal.

WHITMAN SKY GLOOMY

FOOTBALL TEAM VISITED BY MUCH HARD LUCK.

Bloomquist Has Sprained Ankle and Backfield Is Weak—Line Material Seems Strong.

WALLA WALLA, Wash., Oct. 20.—(Special.)—Football stock at Whitman College is an uncertain quantity, and from present prospects there will be little to bull the missionary market this Fall. Hard luck has hit the eleven in one way and another.

The latest catastrophe is the relegation of Captain Blomquist to the side lines with a sprained ankle, which will keep him out of everything save perhaps the last two games. Blomquist was switched from tackle to halfback, replacing Kinder, the speedy Waitsburg man, who quit the squad on account of studies. Gale, a freshman from Seattle, is now playing the position. Milne, the other halfback, has been compelled to quit on account of sickness, and Hazleton, who replaces him, is a "green" man. This leaves Niles, the only veteran behind the line, to carry the brunt of the work. McDonald is playing the fourth position back, and is making good, although he is light.

The line prospects are fairly good. Amey, at center, passes well, but hasn't much weight. Cleman and Neill probably will handle the tackle positions; and at guard McCoy and Cole are both good and seasoned men. Then there are Perigner, Bowers and Clark, all fairly heavy, after these positions. The five men in the center of the line will be of average weight, and above average ability. Whitman's line should hold.

At end, Botts, Slover and Howard are trying for the team. The team has the disadvantage of playing every game, save the last, away from home. The Corvallis game on Thanksgiving day will be here.

LYNCH MAY LEAVE TACOMA

Baseball Manager Expected to Go to Eastern Team in 1912.

TACOMA, Wash., Oct. 19.—(Special.)—There is a persistent rumor around baseball headquarters that Mike Lynch will not manage the Tacoma Tigers when the Spring training season starts next year.

There was much dissatisfaction over the way the team finished the season. At least two class A magnates in the East have been making overtures to Lynch and it is believed he will accept one of these next year.

Careful Training of Coach Brings Results.

SECOND GAME SATURDAY

Oregon Agricultural College Eleven Shows Indications of Learning Game—Five Places Held From Start of Season.

OREGON AGRICULTURAL COLLEGE, Corvallis, Or., Oct. 19.—(Special.)—Improvement has been made in every department of the football team at Oregon Agricultural College during the past week, and the Beaver eleven is in good condition to meet the huskies from Pacific University Saturday. This will be the second game of the season, the first one having been against the alumni, which was won by the grads by 3 to 2.

The careful training which Coach Dolan has given his men is beginning to show itself in the improved football which is being played. The simpler formations are being developed and the line, as well as the backs, is beginning to learn the rudiments of the game. The five positions from tackle to tackle are being taken care of by the same men who were picked at the beginning of the season, Captain May and Moore, at tackles; Sitton and Christman, at guards, and Carlson at center. Larson is still playing right end, with "Red" Walters as running mate. Both of these men are quick and are adepts in handling the forward pass.

Dwarte and Jessup are rapidly developing into creditable half backs, although both are somewhat under weight for the work. Robinson is playing fullback in place of Evendon, who sprained his ankle two weeks ago and who has not since been in the game. Shaw, the freshman from Aberdeen High, is playing a good consistent game on the second team in the back field. Kellogg, a last year's varsity man, is out again in his suit, and is playing on the second team. The lineup for the game on Saturday has not been given out officially, but will probably closely follow the above.

PACIFIC "U" TACKLES O. A. C.

Forest Grove Lineup Much Weakened by Injuries to Players.

PACIFIC UNIVERSTY, Forest Grove, Or., Oct. 19.—(Special.)—Pacific University's football eleven will go to Corvallis Saturday morning to play the Oregon Agricultural College team. Coach Harrington's line-up will be considerably weakened, for hard luck and misfortune have been the order at Pacific for the last week.

D. J. Taylor, the speedy fullback, is out of the game because of injuries received while playing Washington High School, of Portland. His position will be filled by either Charles Ward or Avison. Ferrin, Pacific's fast little field general and quarter, is just recovering from a sprained ankle. Though he will be in the line-up, he will be seriously handicapped.

Wegman, the big guard, has just returned to the field after being out for two weeks with a broken wrist. "Big Ben" Mayfield, one of the varsity's heaviest ground gainers, is just recovering from an attack of tonsilitis.

Pacific will play the University of Oregon in Eugene November 11. The following Friday, November 17, they play Chemawa at Forest Grove. A game will also be scheduled with Willamette University if the institutions can agree on terms.

Ridgefield to Play Vancouver.

RIDGEFIELD, Wash., Oct. 20.—(Special.)—The Ridgefield High School football team will play the Vancouver High School Midgets on the grounds here tomorrow. The game is called for 3 P. M.

MATTY WRITES OF LEON AMES' VIGIL

Rain Has Prevented Colleague From Pitching, Says Star Flinger of Giants.

PLAYERS EAGER FOR GAME

Peerless Christy Expresses Hope Rain Will Cease So Series Can Be Finished Before Spring Training Begins.

BY CHRISTY MATHEWSON.

(Copyright, 1911, by the New York Herald Company. All rights reserved.)

PHILADELPHIA, Oct. 20.—This situation in the world's series reminds me of the time that I was going to pitch the opening game of the season back in 1901. I was a young fellow then and, of course, was anxious to win it.

George Davis, the manager came to me before that contest and said: "You'll pitch tomorrow." So I went home and to bed at 9 o'clock to be in good shape, and the next day it rained. That night I went to bed early again and tried to get all the sleep I could and again it rained.

Pretty soon I thought that the wet man was trying to "jinx" me, but I just kept right on going to bed early and it kept on raining until I finally outlasted the weather and got my chance to pitch. Now I suppose you all wonder what that has to do with this series.

Leon Ames has never worked in a big series like this and he was to have pitched the next game. He has been preparing for it, as any good pitcher should. He has cut down on his smoking and been going to bed early and each day it has rained. And now after all this rest for the other pitchers, it is doubtful if he will be sent into the box in the next game, although I expect him to, because he is such a good Fall pitcher.

The postponement of the game another day has done little to change the outlook for the series. A certain amount of rest has done the team good because I believe that some of the players were a little stale, but too much is going to hurt them. Of course, it won't hurt us any more than it will the Athletics, but both teams are desirous of finishing up the argument.

The Giants are keyed to the point now where they believe that they can win and I hope aginst hope that the game can be played tomorrow. It does not look very much like it tonight.

Our team went out and practiced this afternoon and some of the pitchers warmed up. Most of the time was devoted to batting practice and the perfection of the new set of signals to thwart any further attempts to get information. The men looked good in the batting practice and have gone back to their old style of chopping the ball, rather than taking the haymaker's swing at it. The base-hits were popping about the field in a way to encourage a faint heart this afternoon.

Several of the pitchers worked out, including myself, and any man on the staff is prepared and fit to go into the box and pitch now, after the rest. Of course, any one familiar with baseball and the luck of the game or the "breaks" realizes that the team which gets those breaks will win in a short series like this one, but I believe, and honestly, that if we can get an even break in the luck, we can pull this championship out yet. The team is capable of playing better ball than it has shown so far and it is going to produce.

On the other hand, the Athletics have been winning with the one wallop and no matter how good a hitter a man may be, he can't keep on winning with that wallop all the time. Take Barry and Collins out of that team and they would look like a pretty bad lot of base-runners, wouldn't they?

What is a club without men who are fast on the paths? The Giants have five men who led the league this year in base-stealing and once let them get going and there will be no stopping them.

As far as changes in the line-up go, which were suggested by some player-author this morning in their "stories," I laugh at them. The same team will face the Athletics when the weather clears up so that the next game can be played, that met them on Tuesday with the exception of the pitcher. And now I hope that we finish this series so that the club can start south in time for Spring practice.

RAIN IS STILL BARRIER

PROSPECTS OF CHAMPIONSHIP GAME TODAY DIM.

Giants and Athletics Are Idle Thursday Because of Bad Weather in Philadelphia.

PHILADELPHIA, Oct. 20.—The outlook for clear weather tomorrow, which would permit the playing of the fourth game of the world's series between the New York Giants and the Athletics, is by no means encouraging tonight. Rain, which began falling last Tuesday night and caused the postponement of Wednesday's game and which has continued almost incessantly ever since, does not show any signs of abating.

Even should the weather clear tonight, wet grounds probably would prevent the game tomorrow.

Manager McGraw today took his team to the National League ball grounds and gave them some practice in batting and throwing the ball. After about an hour and a half's work the men were driven to cover by a heavy rain.

It is reasonably sure that either Mathewson or Marquard will pitch the next game for New York, most likely the formar. Marquard in that case will be saved for the fifth game in New York.

There is little doubt that Manager Mack will send Bender to the mound in the fourth game and probably Coombs in the fifth.

HOGAN TO HUNT NEW PLAYERS

Vernon Management Determined to Have Pennant-Winner Next Year.

LOS ANGELES, Cal., Oct. 20.—(Special.)—Happy Hogan, manager of the Vernon club, will leave on a still hunt for ballplayers as soon as the Pacific Coast League closes, next Sunday. Eddie Maier, the Tiger magnate, is determined to have a pennant-winning club next season if money can buy one.

Maier has given Hogan carte blanche to use the funds of the ancient family of Maier in his search for men. Hap is especially desirous of landing a new first baseman and a new array of pitchers.

"It was Hogan's short string of heavers that made him fall down in the Portland series and the blow-ups in the heaving staff have been responsible for the occasional slumps the Villagers have taken," said Maier today.

"Hap will thoroughly canvass the semi-professional and minor leagues' brush, and is beginning right at home, casting his eagle eyes over the sandlots of Southern California for material."

ACADEMY IS BADLY DEFEATED

Washington Huskies Pile Up Score of 42 to 0.

Plowing through their opponents' line and using very little open play, Washington High School eleven yesterday afternoon defeated Portland Academy 42 to 0. For the first few minutes the Academy put up a stiff fight, but their defense soon crumbled before Washington's attack.

Nelson tallied the first score by a kick from placement from the 30-yard line at the end of four minutes' play. The scoring was as follows: First quarter, Washington 9, place kick and touchdown; second quarter, Washington 12, two touchdowns; third quarter, Washington 12, two touchdowns; fourth quarter, Washington 9, place kick and touchdown.

The game indicates that Washington has fully as strong a team as that which won the championship last year and that the school will be one of the strongest contenders for the flag, which is being fought for by Washington, Jefferson, Columbia and Lincoln.

Nelson, Sax, White and Wiest did most of the grandstand work for Washington. Nelson did some good punting and seldom failed to make yardage for his team. Sax and White were the big ground gainers for the Maroon and Gold. Sax proved himself to be one of the best tacklers on the team. Wiest played a star game at right end. He also recovered a punt in great shape.

Bean, the plucky little quarterback and captain of the Academy eleven, showed up best for his team. His quick dodging gained some ground on a number of occasions, but he was too light to be very effectual against his heavier opponents. Cobb made good gains at times.

The Academy was unable to block the tandem plays and other line rushes of Washington. At one time they braced and kept Washington from scoring with the ball on the five-yard line.

The lineup follows:

Portland Academy.		Washington
VanHorn	C.	Hedges
Townsend	L.G.	Moore
Brix, Freeman	L.T.	Normandin
Therkelsen	L.E.	Morrow, Kellogg
Matschek	R.G.	McLinn

Woodcock, Wilson	R.E.	Wiest
Bean (Capt.)	Q.B.	Edwards
Sanford, McClung	L.H.	McLarren, Sax
Burgard	F.B.	Nelson
Cobb	R.H.	White

Touchdowns, White, 2; Nelson, 3; Sax, 1; Becket, 1. Kicked goal from touchdown, 6. Kicked goal from placement, Nelson, 2. Officials—Referee, Rinehart, first quarter; Boyd. Umpire—C. A. Benson. Field judge—R. J. Smith. Head linesman—Shaw. Timekeepers—Ewing and Herdman.

UNIVERSITY IS FEARED

WILLAMETTE FOOTBALL TEAM UNKNOWN QUANTITY.

With Memory of Last Year's 29-to-0 Defeat Spurring Them, Multnomah Out for Revenge.

Smarting under the sting of a 29 to 0 defeat delivered in 1910, the Multnomah Athletic Club football team, of Portland, will line up for a revenge battle with the Willamette University huskies promptly at 3 o'clock this afternoon on Multnomah Field.

It will be local enthusiasts' first glimpse at a college scrimmage this season and Manager Pratt, of the winged M squad, expects a crowd of 1000 fans to turn out.

Multnomah will be weakened by the loss of Dimick, the slashing Notre Dame tackle, who suffered severe injuries in a recent alumni game, but with Means, the former Oregon star, in Dimick's place on the right side of the line, Captain Rinehart figures that his team will be able to win by at least three touchdowns.

Little is known of Dr. Sweetland's visiting squad, which will arrive in the city by special train over the Oregon Electric from Salem at 11 o'clock this morning. Sweetland has lost three or four cracking good men, but with Francis and one or two other new luminaries showing up well, he may spring the proverbial ninth-hour surprise package.

Officials have not been named, but the trio will probably comprise Forbes, Earl and Fawcett.

Multnomah's line-up will be as follows: Callicrate, Emily, Schmitt, right end; Means, Gurslinger, right tackle; Rogers, Herrin, right guard; Cherry, center; Barry, left guard; Shaw, Drugard, left tackle; Hickson, Ludlam, Hayden, left end; Rinehart, Hastings, quarterback; Wolff, Callicrate, Schmitt, right halfback; Clarke, Hastings, left halfback; Hurlburt, fullback.

Willamette University will line up against Multnomah as follows:

Blackwell (captain), center; Lowe, left end; Bellinger, right guard; Cummins, right half; R. Homan, left tackle; Rowland, left half; Westley, right tackle; P. Homan, left half; Bolt, left tackle; McRae, right end; Frances, fullback; O. Booth, quarterback.

Substitutes.—Y. Booth, Vandervert, McInturff, Day, McCain. Filed 9 P. M.

High School Team Is Fast.

FOREST GROVE, Or., Oct. 20.—(Special.)—With the large increase in stu- is putting out a promising football is puting out a promising football team. Although the team was outplayed in its initial game with the Pacific University second team last Saturday, it is working hard this week in preparation for the McMinnville High School game Saturday.

"Stickey" Wirtz as fullback and punter, Parker, a recent recruit from Texas, in the halfback position, and Arthur Ireland at end, showed up in good style in the first game. Thompson, a new man at tackle, promises to be a valuable addition. "Herb" Taylor and Ralph Higby, who have registered this week, will greatly strengthen the back field. Captain Ireland at halfback and Jay Austin at quarter round out a speedy quartet back of the line.

Under the coaching of Professor William Scott and Ralph Mills, a former Pacific player, Forest Grove expects to hold its own with the high school teams of the Willamette Valley. The following schedule has been arranged: October 21, McMinnville High at Forest Grove; October 28, Hillsboro High School at Hillsboro; November 11, Pacific University second team at Forest Grove; November 18, McMinnville High at McMinnville; Thanksgiving Day, Hillsboro High at Forest Grove.

BATTLE ON TODAY

Yale and Army and Princeton and Navy Elevens Matched.

HOPE BUOYS SERVICE MEN

West Point Is Out to Repeat Last Year's Victory Over Eli—Tigers Have Hard Fight Ahead With Annapolis.

WEST POINT, N. Y., Oct. 20.—The Yale-West Point battle tomorrow marks the beginning of that one month of real football, wherein the important battles of the year will be fought and the championship of 1911 decided.

The present outlook justifies the prediction that the game will be one of the best fought of the many games played by Yale and West Point elevens. Last year the Army gave the Elis the surprise of their lives by winning, 9 to 3, with practically the same eleven on hand, they hope to repeat the performance tomorrow.

Captain Howe's team has been making steady progress since the season opened and is generally regarded as the strongest contender for championship honors.

ANNAPOLIS, Oct. 20.—The Princeton eleven will be put to a severe test tomorrow in the game against the Middies. In the games played to date the Navy line has shown everything that could be desired as regards speed and strength, while the Princeton line has been giving the coaches all kinds of trouble. The entire team has been the object of so many shifts that it is in a rather unsettled stage and not likely to show up to the form expected at this time of the season.

Captain Dalton and Brown, two of the Navy stars, have been out of the game all week, but both are expected to take part in tomorrow's contest.

OREGON ROUTS TROOPS

UNIVERSITY ELEVEN SCORES 36 AGAINST VANCOUVER.

Coach Warner's Men Crumple Opponent's Line—Collegians Use Many Substitute Players.

UNIVERSITY OF OREGON, Eugene, Oct. 20.—(Special.)—With three regular backfield men, Captain Main, Latourette, and Kizer out of the line-up, the Oregon varsity today easily scored six touchdowns and six goals, 36 points, against Dudley Clarke's Fort Vancouver eleven, in four 12½-minute quarters. A dozen substitute squad players were sent in by Coach Warner, else the score would have been greater.

For Oregon, the offensive star was Carl Fenton, left end, who annexed six long forward passes and pulled off runs of 35 and 25 yards, both from punt formation. On the defense, Elmer Hall, left tackle, was the star of the game.

Of the military team, Greenaway, quarter, and Jackson, fullback, shone particularly. Though hopelessly outdrilled and outgeneraled, the soldiers showed strong fight at all stages. The first varsity line-up averaged 174 pounds, the visitors being several pounds lighter.

Heusner made two touchdowns, Jones one, Bean one, Fenton, one and Bradshaw one. Four of the goals were kicked by Cobb, the other two by Walker.

PULLMAN BEATS IDAHO, 17-0

Fierce Attack of Winners Lays Out Nearly Half of Team.

MOSCOW, Idaho, Oct. 20.—(Special.)—Playing with fierceness seldom displayed in football, Washington State College won today's annual game from the University of Idaho, 17 to 0, before 4000 people. The game was far closer than indicated by the results.

The desperation with which the Washington State College men played is partially shown by the disabling of more than half her biggest players, while none of Idaho's men left the field till the game was finished. The many injuries were due to the tremendous individual efforts of the members of the winning team.

Both teams played straight football most of the time. Though several attempts were made to execute the forward pass, Idaho worked it successfully only twice and W. S. C. once. Washington State College's victory today is regarded as sweet atonement for its defeat by Idaho last year at Pullman.

Thousands of Smokers Must Suffer

Cuba's Tobacco Crop Failure Hits Cigar Market Hard

Discriminating smokers won't suffer, however,—because these men smoke Van Dyck "Quality" Cigars. The Havana Tobacco shortage is utterly without effect on this famous brand. And here's why:

Besides having in our Cuban warehouses a vast store of the rarest Havana tobacco, our experts took first choice of this year's scant Cuban crops.

More than this—and despite increased cost of manufacture—the exquisite Van Dyck type of workmanship and the Van Dyck price remain unchanged.

So the same superb smoke—at the same 100 per cent saving—(because of the avoided cigar duty) will be yours indefinitely in the Cuban-grown, Tampa-made
