TURKS FORCE FIGHTING

ITALIAN LOSSES END TALK OF MEDIATION FOR PRESENT.

Monday's Battle at Tripoli Said to Have Cost 300 Lives—Invaders Need Reinforcements.

BERLIN, Oct. 25.—Advices from Constantinople say that the reports of recent battles with Italian losses at Tripoli have ended for the present any chance for mediation. The Turkish government has swung over to the idea of continuing the war.

A dispatch from Tripoli says 300 men were killed in the battle at Tripoli on Monday, and that Italian reinforcements are needed.

ARMY PENALTIES RELAXED

Minor Prisoners Are No Longer to Be Watched by Armed Guard.

WASHINGTON, Oct. 26.—Under a new policy inaugurated in the past year in Army regulations and guard duty manual, soldiers who commit offenses which mean their incarceration in a guardhouse hereafter will be permitted to discharge their duties as prisoners without the vigilance of an armed guard.

Another important change affecting Army prisoners, according to Brigadier-General E. H. Crowder, Judge-Advocate-General of the Army, is the establishment of a probation system, which allows the offender to be released after serving one-half a sentence of ten days or more.

RAIL MEN NOW AT COAST

TWO COMPANIES PURCHASING RIGHTS OF WAY.

Warehouses Under Way at Mapleton and Lumber Has Been Contracted for Along Route.

FLORENCE, Or., Oct. 26.—(Special.)—Ralph B. Hunt, right-of-way man for the Pacific Great Western Railway Company, arrived at Mapleton yesterday with a party of men to commence work at once building warehouses on property owned by that company, preliminary to the actual construction of their railroad from Eugene to Coos Bay, actual construction work on which it is announced will commence before January 1, 1912. The company already owns a great deal of the right of way. The Southern Pacific Company is also purchasing right of way and

has taken an option on a ranch known as the Prosser place just above Acme at \$40,000.

Speculation is rife as to which company will get there first, and as the surveys run close together the first company to secure right of way through some points will have a decided advantage.

The Wendling Johnson Lumber Company is contracting for large amounts of timber, and operations are commencing at several logging camps in this vicinity, providing many men with work.

The citizens of Florence turned out well Saturday to clean out the beautiful park recently donated to the city by A. E. Gallagher. It is naturally a good location, and much was done to improve it by the men who spent the entire day in labor there. Women of the town served a delicious lunch at noon to reward their efforts.

Wireless Crosses Continent.

VALEJO, Cal., Oct. 26.—The Mare Island wireless station received last night a portion of a message being sent by the battleship Rhode Island, in the vicinity of Boston. Bad weather

conditions prevented communication with the war vessel.

EDDY CULT HELD MENACE

Unitarian Clergyman Attacks Religion Before Conference.

WASHINGTON, Oct. 26.—A vigorous attack on Christian Science was made at the annual conference of Unitarian churches today. Rev. George R. Dodson, of St. Louis, characterized it as "a menace to the country and to National life," and a "fanaticism."

Dates Set for Hospital Fair.

VANCOUVER, Wash., Oct. 26.—(Special.)—The St. Joseph's Hospital Fair will be held in Vancouver November 7, 8 and 9 in the large assembly hall of the parish building. At

a meeting of the Catholics and friends in the city arrangements were made. Mrs. T. Donegan selected president of the ladies' organization of the Cath-

olic Church, and sub-committees and managers of different departments appointed. Supper will be served each evening.

YOU CAN BE FREE FROM BAD COLDS OR GRIPPE MISERY IN A FEW HOURS

Says It Is Needless to Expect Any Relief From Quinine, as It Is Never Effective.

There is not one grain of quinine in Pape's Cold Compound, which, when taken every two hours, until three consecutive doses are taken, will surely end the gripe and break up the most severe cold, either in the head, chest, back, stomach or limbs.

It promptly relieves the most miserable headache, dullness, head and nose stuffed up, feverishness, sneezing, sore throat, running of the nose, catarrhal affections, soreness, stiffness and rheumatic twinges. Pape's Cold Compound is the result of three years' research at a cost of more than fifty thousand dollars, and contains no quinine, which we have conclusively demonstrated is not effective in the treatment of colds or gripe. Take this harmless Compound as directed, with the knowledge that there is no other medicine made anywhere else in the world which will cure your cold or end gripe misery as promptly and without any other assistance or bad after-effects as a 25-cent package of Pape's Cold Compound, which any druggist in the world can supply.
