## PROPER CULTURE TAUGHT

Displays Show Work Being Done in Schools, Health Board and Hospital Organizations—Problems Discussed by Delegates.

With the calling to order of delegates at 10 o'clock this morning in the Armory, the first Child Welfare Exhibit and Conference ever held in Oregon will be opened to the public. Delegates to the conference will gather here at 9:30 o'clock to register with Mrs. George W. McMath, chairman of the convention committee, who will call the session to order. Rev. Donald A. MacKenzie will deliver the opening prayer and the address of welcome will be given by Mrs. McMath, to be followed by the roll call of state officers and delegates and the reading of the minutes and officers' reports.

and one that will stand comparison with any show held anywhere in the East.

"They make it plain that the very best breeds of horses reach perfection at this altitude and in the climate of this state, and no better argument could be advanced than the exhibits from the Bonaday stock farm of Roseburg, and the fancy draft animals imported for bettering the strains of blood in every county in the state. We have the best sheep, because the Colowald group now has the championship of the world, and the hogs shown in the pictures will come mighty near demonstrating to homesteaders in the East that Oregon is an ideal place for them.

Mrs. George W. McMath, who will call Child Welfare Conference to order today.

each afternoon and evening performance. They will be withdrawn after Sunday night.

### Y. M. C. A. COURSE TO BEGIN

First Meeting in Social Service Series Is to Be Held Saturday.

Portland business and professional men will gather in the auditorium of the Y. M. C. A. next Saturday noon for the first meeting of a social service course that has been arranged by R. R. Perkins, religious work director. The meetings are free and open to all men. Every Saturday until December 23 a discussion of some important problem will be held at luncheon from 12:15 to 1:15 o'clock.

Registration cards for the course have been sent out to a large number of business and professional men. Others may register with Mr. Perkins at the Y. M. C. A. The general topic to be considered is stated in the announcements as follows: "Is the application of the principles of Christianity an adequate solution for the complex social and industrial problems of modern life? If not, what is?"

The subjects and leaders for the meetings follow:

- November 4—Christianity and the Social Evil; leader, J. P. Nelson.
- November 11—Christianity and the Social Evil; (continued); leader, Dr. William Hoopes.
- November 18—Christianity and Modern Industry; leader, Alfred Criggs.
- November 25—Christianity and Modern Industry; (continued); leader, W. H. Lewis.
- December 2—Christianity and Modern Industry; (continued); leader, J. G. Phillips.
- December 9—Christianity and Modern Industry; (continued); leader, W. G. Eggleston.
- December 16—Christianity and the Modern Church; leader, Rev. Albert Ehrhart.
- December 23—Christianity and the Modern Church; (continued); leader, R. R. Perkins.

### Albany Child Breaks Arm.

ALBANY, Or., Oct. 31.—(Special).—Both arms of Naomi Ruth, the 3-year-old daughter of T. J. Ruth, of this city, were broken today. Just before the fall of the trussing resulted from a fall over the banister of a stairway.

### Careless Treatment Ruins Complexion

(From Woman's National Journal)

Wrinkles and other telltale marks of advancing or premature age, are frequently caused through the excessive use of powders and cosmetics, which close pores and cause the surface skin to grow sallow and lifeless. "Crow's feet" wrinkles and other complexion faults can be made to vanish quickly, by massaging a plain mayonaise lotion into the skin until it disappears.

### CASCARETS INSURE INSIDE CLEANLINESS

The millions of Cascaret users never have headache, constipation, biliousness or sick stomach.

It is more necessary that you keep your bowels, liver and stomach clean, pure and fresh than it is to keep the sewers and drainage of a large city free from obstruction.

Are you keeping clean inside with Cascarets—or merely forcing a passage-way every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system the decomposed waste matter and poison in the intestines and bowels.

No odd, how badly and upset you feel, a Cascaret tonight will straighten you out by morning. They work while you sleep. A 3-cent box from your druggist will keep your entire family feeling good for months. Don't forget the children—their little insides need a good, gentle cleansing, too.

## FILMS PROVE STOCK GAIN

Salem Merchants Eager to Have Pictures Shown There.

Since announcement in The Oregonian that the livestock interests of Oregon had arranged with the Orpheum Theater management for running the livestock parade at the Salem State Fair, the management of the Harriman lines in this city have been besieged with requests to have the pictures shown in other cities in the state. Salem merchants are particularly anxious to secure the films.

"The films will be a better advertisement for the livestock industry at the Chicago Land Show than any of the animals that will be sent on," said J. H. Booth, after viewing the pictures last night.

Exhibitors from this state always have entertained the feeling that Oregon could not compete with other states. We have been told that only one or two localities could be considered as stock-raising centers, and we have been unable to prove the contrary through distribution of literature. We were prohibited by the expense of the trip from making large and diversified exhibits. These pictures will put an everlasting crimp in such arguments from residents of other Western States who will be on the ground and who will be talking just as hard for their communities as Oregon men will for this state.

"The herds exhibited at Salem were from almost every part of the state, and collectively constituted the finest showing I have ever seen on this Coast."
