

and logally and so long as a bond is filed the owners and underwriters are expected to adjust their differences underwriters shortly.

GUERNSEY SURVEY ON TODAY.

Underwriters Insist That Norwegian

Tramp Be Examined.

Though apparently the Norwegian tramp Guernacy sustained no damage Saturday, when she grounded in the Willamette near its mouth the San Franciaco Board of Marine Underwrit-ers, which issued a policy covering the cargo of lumber, has insisted that the pessel be surveyed. A diver was em-ployed at Astoria yesterday and he examined the bottom of the ship, but the result was not made known here has night. last night.

Captain Albert Crows, local reprecaptain Attent to underwriters, left last night for Astoria and will make a survey today. If he grants a clean certificate the Guernsoy can proceed with assurances that if the cargo is with assurances that if the cargo is damaged on the way adjustment can be made. The Guernsey was not ma-terially delayed on the trip, as she reached Astoria at 19:30 c'clock Sun-tay merning.

WORK AT NORTH JETTY ON

Bagnall Returns From East After

Discussing Projects.

Field work has been started by Ma-sr McIndos, Corps of Engineers, U. S.

Freid work has been statistic op also for McIndos, Corps of Eugineers, U. S. A. In commetion with the construction of a jetty on the north side of the su-trance to the Columbia Hiver and as soon as it is decided from the data col-lected how rock is to be transported to the yards to be built at North Head, definite plans will be made. Garaid Bagnail, assistant engineer and in charge of the construction of the south jetty under Major Melindes, returned yesterday from Washington and New York, where he went in con-mection with jetty and dredging proj-ects under way in the local district. He went over the situation while at Washington with officials and says that features taken up will not be given out yet. He does not anticipate that work on the south jetty will be that work on the south jetry will be continued longer than usual this sea-

STRATHEARN HOLDS RECORD

Coal Steamer Leads Thirty-one in

Carrying Lumber Cargo.

Of 20 vesuels in the "Strath" fleet. of so veners in the steamers Fitzpatrick augmented by the steamers Fitzpatrick and Fitzeinrence, the British steamer Strathearn, now discharging coal bors, holds the record for loading iumber, having on her last voyage carried \$55,245 feet. She is of 2545 tone net register. The tramp Strathspey, which loaded in the river recently, has car-ried approximately 1.845,000 feet, and Captain McKay, of the Strathearn says be hopes that when the ship is cleared pext month for Melbourns she will

of the road. Work on the ship Reuce, which is on the public drydock, is progressing at such a pace that she is expected to be floated Thursday.

plans are to be worked out for the annual show."

LAND GRANT ACT DENIED Federal Judge Petitioned to Sign

An effort was made before Federal An effort was made being being being judge Wolverton yesterday on behalf of the intervenors in the Southern Fa-cinc land grant case to have the decree. So far as the intervenors are concerned. so far as the intervenors are concerned, signed at once. A stipulation had been signed agreeing that judgment for the intervenors he entered at the same time as judgment in the main case between the Government and the railroad com-pany. The attorney for the interveners asked that this stipulation be set aside, on the ground that he had signed it in-advertently.

advertently. Judge Wolverton refused to set aside the stipulation, or to sign a decree be-fore the main case is decided on its merits. The intervenors cannot appeal until the decree is signed.

Funds Is Charge.

"A bountiful growth of soft, lux-uriant hair can be every woman's legacy — hair whose shimmery, sliky strands respond to the finger's gentle WALLACE, Idaho, Nov. 6 .-- W. O. Pierce, Deputy State Bank Examiner, of Idaho, who was indicted by the grand jury for embezalement of the funds of the State Bank of Commerce of idaho, who was indicted by the grand jury for emberriement of the funds of the State Bank of Commerce while acting as receiver for that in-stitution, was arraigned in District Court today.
