MILKERS MUST COMPLY WITH LAW.

City Health Officer Wheeler has notified
dairymen that they must comply with
the provisions of the law with regard
to pure milk. B. Paulsen, who operates
a dairy on the Cornell road, was the first
dairymen to receive this notification.

MOORE TABOR EXTENSION SOCIETY.

Extension of the Mount Tabor High
from its end at East Sixty-ninth street,
in Taber Heights, down the east slope
to the Thomas Place and finally to
Kelly Butte is sought by property
owners and residents. Surveys of the
route of the extension have been com-
pleted on East Yamhill and East Taylor
streets. C. H. Welch, property owner
in the district, says the Portland Rail-
way, Light & Power Company will
build the extension if residents interest-
ed will pay for it which will average
\$10 a lot. It is desired to get the
line extended to pass near the
"Altenheim," or Old Folks' Home of the
German Aid Society, and the existing
Star Grange Hall on the Section Line
road. About two miles of cartrack
would be required to reach those points
and Kelly Butte.

EAST SIDE BUSINESS MEN'S CLUB.

The East Side Business Men's Club
has given up its quarters in the West
building, on Grand avenue and East
Alder street. The next meeting, in
December, will be held in the East Port-
land Library, at East Alder and East
Eleventh streets. The club is negotiat-
ing for the construction of a three
or four-story building in Central East
Portland, part of which is to be used
by the club. A proposal has been re-
ceived from a private owner to get
up such a building, but probably it
will be several months before the
movement for construction of a build-
ing materializes. The committee hav-
ing the subject in hand is confident
that the club will build soon.

BELMONT IMPROVEMENT SOCIETY.

Belmont street improvement to East Sixty-
ninth street from East Sixty-second is
nearly completed. Hard-surface pave-
ment has been laid, conforming to the
remainder of the street west to the Wil-
lamette. Five small spaces along
the north side of the street re-
main unfinished. Owing to the heavy
cut along the south bank, it has been
taughting to prevent caving of the
bank. This improvement opens up a
large district at Taber Heights and
provides a paved street to Mount
Tabor Park.

DETECTIVES PLEAD NOT GUILTY.

In Circuit Judge Gantenbein's court yester-
day, City Detectives Moloney and
Mallick entered pleas of not guilty to
charges of kidnaping preferred against
them in indictments growing out of
the taking of William W. Nelson from
the custody of Judge Gates' court. The date
of trial will be set later, but it is under-
stood that attorneys on both sides are
willing that the case should come up
as soon as possible.

portunity and am offering the highest
grade materials and workmanship at

Not going out of business but am
going abroad to make my selection of
woolens. Edmund Gurnay, ladies'
clothes, Mohawk bldg., 5d and Morrison.*

The funeral of John August Nelson, who died
November 4 as the result of an accident,
was held yesterday afternoon from the
Swedish Lutheran Augustana Church,
at the corner of Rodney avenue and
Stanton street. Interment was in
Rose City cemetery. Mr. Nelson was
21 years old. He is survived by his
widow, Mrs. Christina Nelson.

HOLGATE SEWER ASSESSMENT MADE.

Although a suit has been filed by prop-
erty owners to prevent the city from
collecting assessments for the con-
struction of the Holgate-Kentworth
sewer system, individual cards for the
assessment have been sent to the property
owners in the district. The total as-
sessment is \$113,941.

of the White Temple this afternoon

PUBLIC MARKET COMMITTEE AT WORK.

L. M. Lapper reports that his public
market committee is considering two
sites for a market place in Central
East Portland, between Hawthorne
avenue and East Morrison street,
Sixth and East Eleventh streets, and
will be ready to report as soon as H. E.
Plummer, building inspector, has fin-
ished collecting data as to the highest
building required for Portland. More
information has been gathered about
the operation of market places in Den-
ver and Des Moines by the committee.
An article in the November number of
Pearson's Magazine, written by Arno
Doeh, a Portland young man, con-
tains information which the commit-
tee will use in its campaign of educa-
tion. The plan is to recommend a pub-
lic market for Central East Portland
now and one for Albina later.

ORDER ON "SANTA CLAUS" LETTERS OUT.

An entirely new order has been is-
sued by the Postoffice Department
with reference to "Santa Claus" let-
ters, and Postmaster Merrick is in-
structed by Francis H. Hitchcock, Post-
master-General, to deliver all letters
arriving at the Portland postoffice be-
tween December 16, 1911, and Janu-
ary 1, inclusive, which are addressed
plainly and unmistakably to "Santa
Claus" without any other terms or ex-
pressions, identifying the person for
whom such letters are intended, to res-
ponsible institutions or individuals who may
desire to use them exclusively for phil-
anthropic purposes. In the event that
these letters are requested by more
than one such institution or individual,
they may be distributed in such pro-
portion as may be deemed proper.

NEW STAMP TO BE USED.

A new 10-cent stamp of special design,
intended to identify mail matter to
which it is affixed as being registered,
has been prepared by the Postoffice
Department, but the use of ordinary
stamps for the purpose when registry
stamps are not available is still per-
mitted. The new registry stamp is a
rectangle on end, the size of the de-
sign being approximately 3 1/2 x 1/2 inch,
and color light blue. The design shows
an eagle with extended wings perched
upon a rock within a circle set in a
panel of plain lines. Above the circle,
and following its curve, the words
"United States Postage" appear in two
lines, and in the two lower corners the
denomination "10" appears within
small circles, with the word "cents"
between.

TWIN GIRLS FOR S. G. REED.

The following from the Nehalem Enterprise
refers to an event in the family of
Samuel Gordon Reed, well known in
Portland, who arrived at the home
of Mr. and Mrs. S. G. Reed Wednesday
evening, November 1. To the great
surprise of Mr. Reed they were girls
instead of boys, but he is exceedingly
happy nevertheless. He declares this
to be a great country, and we are com-
pelled to take him at his word. No
such convincing evidence is brought to
bear him out in his statement. There's
no room for doubt. Dr. Handle reports
that the girls are twins, and he is doing
nicely.
DAMAGED ANKLE FROM RAILROAD.—On
trial in the Federal Court before a jury,
is the damage suit of Joseph Daniels
against the Northern Pacific Railroad
Company for the loss of a leg. The
plaintiff was injured by a carload of
horses from Blunt, N. D., for Medford
and that while en route, and in the de-
fendant's possession, the car was
destroyed by fire and the stock perished,
the loss being \$7416.50. The railroad
company denies its responsibility for
the loss, as the plaintiff sent a care-
taker along with the stock and the
fire was the result of his carelessness.

OPTIC IN POSSESSION CHARGED.

Chin How, a Chinaman who has worked for
many years in Columbia River can-
nery, was arrested yesterday on a
charge of having opium unlawfully in
his possession. He was, in fact, a re-
tailer of the drug, and when arrested
had, in addition to a supply of the dopa,
scales to weigh it and little cards on
which the purchaser carried it away.
His prices were 25 cents for one pill, or
one gram, and one dollar for one ounce.
An effort is being made to learn where
he secured his stock.

REALTY DEALER HELD AS MURDEROUS.

J. E. Reynolds, alias Frank Carr, a
realty dealer, is under arrest on a
charge of threatening to commit mur-
der. The complainant is Thomas Bog-
gers, another real estate dealer, who
has accused Reynolds of swindling him out
of 450 acres of land. Their differences
have been aired in the courts, and Bog-
gers is under grand jury investigation.
Reynolds was indicted recently for
statutory offense on complaint of his
wife.

BRIDGE ELECTION TO BE DISCUSSED.

Whether the people will be asked to
vote on the proposed \$500,000 bond
issue for the construction of a bridge
across the Willamette River, in South
Portland, from Woodard avenue to
Mead street, will be discussed at the
January session of the City Council.
It is thought the ordinance will
pass the City Council and will be made
an issue at the January election.

MILK WAGON CRASHES AT AUTO.

An automobile owner complained at the
police station yesterday that his machine
had been run into by a speeding milk
wagon. The complaint was made at
the intersection of 350 1/2 wealth street, where
the wagon struck the back of the auto-
mobile and tore it out.

LOOKWOMEN ATTEND FUNERAL.

The funeral services of Mrs. Georgia
Saunders, who died at her home at
1825 East Morrison street Monday, was
held yesterday afternoon from Erick-
son's Chapel. Mrs. Saunders was 28
years old. She was a member of Aster
Circle, Women of Woodcraft. Many
fellow lodge members attended the
services.

J. L. STUART, 84, GOES TO HOSPITAL.

J. L. Stuart, a well-known resident of
the North Park blocks, two Christianized
Japanese held a prayer meeting Mon-
day night, which was broken up
through their fear that Patrolman
Black, on a tour of investigation, would
find something unlawful in their act.

Black makes the rounds of the Park
blocks just before quitting his beat.
The other men, engaged in low and
earnest conversation. As the policeman
approached one of the men fled, but
the other stood fast, and with jerky
bow and respectfully drawn breath,
announced:
"We were just holding a prayer meet-
ing, sir. We come here every night."
"That's all right," said Black, "but
why don't you find some place where it
is warm and dry?"
"Oh, we like it here. It is so quiet
