NEW TORK, Nov. 5—From a Demoreatic majority of 24, the New York
State Assembly today turned overwhelmingly Republican.

At midnight all indications pointed
to the Republicans in the lewer chamber having a majority of 24. Thus the
majorities in bell houses, which extailed during the first half of Governor
John A. Dix' administration, will be
lacking next year. The present Senate holds over.

In the unexpected landslide the Demorats were able to capture only three
reads beld by the Republicans, whereas
elf over the commonwealth, Democratic
Assemblymen fell by the wayside.

In one instance, Schenectady—Herbert R. Morrill, a Socialist, won, where

Tammany Hall's hold on New York City was shaken today in a battle of ballots in which local offices were mainly at stake. The Democrats suc-cessfully defended their ancient strongholds of Manhattan and the Bronz, but by greatly reduced plural-nies. Queens County also stood by the Democrats, but the Republican fu-sion candidates made nearly a clean sweep of Brooklyn and probably di-vided honors in the little borough of Eighmond.

The Democrats elected their candidate for Sheriff by about \$000 and the three Democratic candidates for Supreme Court Justice in the first judicial district pulled through by 2000. Francia M. Scott, the fourth Justice elected, was indorsed by both parties. The Republicans gained eight Assemblymen in New York County and will send 15 members of that body out of the total delegation of 35.

The Republican candidates for Supreme Court Justice in the Second Judicial District, which comprises Kings, Queens and Richmond counties, were elected, with one possible exception. William Williett, Jr., the Democratic candidate, who was charged with buying his nomination, ran about 1000 behind Callahan, who is so close to the last man on the Republican ticket that his fate remained in doubt until the last district was heard from.

A feature of the elections throughout the state was the large Socialist vote. In Columbus, the Socialist candidate for Mayor ran a close race with Mayor Marshall, the Bepublican nomines, for second place, while George J. Karb. Liemocrat. was elected by probably 5800 plurality. In Cincinnatt, Mayor Louis Schwab, candidate for re-election with the Republican indorsement, was defeated by Henry T. Hunt, Democrat. by more than 5000.

Candidate of Citizens' Committee Worsts American Party Man.

SALT LAKE CITY, Nov. 7,-Under the

standard of the Citizens' Non-partisan Committee, Samuel C. Park, candidate Committee, Samuel C. Park, candidate for mayor, today won over John S. Bransford, incumbent, whose leadership in previous political struggles gained the city for the "Amorican" party. Nearly complete returns indicate the success of the entire Citizens' ticket by a majority of more than 2500. Although acknowledging that the vote of the Becinlists and labor union element was a potential factor in determining the result of the election, the managers of the Citizens' campaign give credit in part for their victory to the campaign of the Women's Welfare League in behalf of social purity.

was intimated that a state-wide recount might be necessary.

In the Republican campaign speeches, orators urged Frothingham's election on the ground that the National Administration should be supported in its tariff policy, and that a Democratic victory would mean a blow to the textile industries in the state.

Governor Foss placed his record before the people and asked for support. It was expected that the total vote would fail off considerably, but the average was well maintained.

Both branches of the Legislature, apparently, are Republican.

Governor Foss issued the following statement tonight:

DEMOCRATS SWEPT ASIDE

Majority of Governor's Party Is Lost Executive's Presidential Boom Is Given a Severe Jolt at the Same Time.

NEWARK, N. J., Nov. I .- (Special.)-Republicans today swept out the Demo-cratic majority in the Legislature and ow control that body by ten majority. What is of more interest, nationally, at this time, they also administered a terrific blow to the Presidential aspira-

tions of Governor Wilson. The particular significance of this result is that the opponents of Woodrow Wilson for the Presidential nomi-nation will strach to it a repudiation of the Democracy of the New Jersey Governor and redouble their energies to undermine his present strength as the

Governor and redouble their energies to undermine his present strength as the leading candidate for Democrate National leadership next year.

James Smith, raier of New Jersey Democracy, has sought to repudiate the Wilson brand of Democracy. Wilson had high hopes of gaining control of the Legislature, claiming that he desired to effect radical reforms in the corporation laws of the state and wipe out the stigma attaching to New Jersey as "the mother of trusts."

Staunch friends of Governor Wilson tonight maintain that the result will have no perceptible bearing upon his chances for the Democratic nomination. They say the vote would have been the same today regardless of who

chances for the Democratic nomination. They say the vote would have been the same today regardless of who or what the candidates were or represented. Governor Wilson has had some bilter experiences with his own party. Every day that he has been absent from the state his pay has been docked and he has met persistent opposition in every form from the Democrat leaders of his own household.

JACKSON, Miss., Nov. 8.—At 2 o'clock this morning the claim is made at Socialist headquarters that their candidate for Lieutenant-Governor. James T. Lester, of Jackson, has been elected over the Democratic nominee. Theodore J. Bilbo. The strength shown by the Socialist candidates was

Everett Socialists Strong.

EVERETT, Wash, Nov. 7.—Rev. B. H. Hassell, Republican, formerly pastor of the First Congregational Church, was sleeted Mayor of Everett today. The Socialists polled a heavy vote and it is believed their candidate for Mayor will finish second, the Democratic nomines being crowded to last place. The Socialists elected three Councilmen.
