DOCTOR TRUST SEEN
Medical Freedom League Denounces Owens Bill.
MOTIVES ARE CRITICISED
Ostensible Dissemination of Knowledge of Disease Declared to Have Effect of Spreading Maladies by Fear.
SAN FRANCISCO, Nov. 9.—Charges that the Owens bill, providing for the creation of a National Bureau of Health and similar proposed measures under consideration by various State Legislatures, were the outgrowth of the effort of a few members of the American Medical Association to "obtain a monopoly of the business of doctoring" were made here today in resolutions adopted by the annual conference of the Northern California branch of the National League for Medical Freedom.
The Owens bill was denounced as "paternal, unnecessary, extravagant, unjust and un-American." The resolutions added that the efforts by the "dominant school of medicine" to spread knowledge of disease, "ostensibly for the purpose of enlightening the public," were calculated, in fact, to spread disease itself, since "fear and suggestion of disease is known to be a potent factor in its dissemination."
One paragraph of the resolution says: "We believe that the system at present in vogue in this city, California Nation is amply able to protect the public health."
United States Senator Works was the principal speaker at the conference today, which was attended by nearly 600 members, and tonight he delivered the main address at a mass meeting conducted by the organization. Senator Works insisted that the National Constitution guaranteed protection from such measures as the Owens bill and reiterated that a clique of the American Medical Association was behind the effort to put it through.
The conference delegates will attend a luncheon tomorrow at which United States Senator Perkins and J. Pitt Wilson, the Socialist Mayor of Berkeley, are scheduled to speak.
Receiver's Action Fought.
ASTORIA, Or., Nov. 9.—(Special)—A motion was filed in the Circuit Court

today by Harvey T. Daniels, owner of \$70,000 of the bonds issued by the defunct Seaside Lumber & Manufacturing Company, asking the court to set aside the recent sale of the mortgage property made by Receiver Laighton. The motion recites that the price obtained—\$17,869.74—is grossly inadequate.

Dear to the Hearts of the Women.
DR. T. FELIX GOURAUD'S Oriental Cream
OR MAGICAL BEAUTIFIER
An Indispensable and Necessary Article for Particular Women who Desire to Retain a Youthful Appearance.
Every woman owes it to herself and loved ones to retain the charm of youth nature has bestowed upon her. For over half a century this article has been used by actresses, singers and women of fashion. It renders the skin like the softness of velvet leaving it clear and pearly white and is highly desirable when preparing for daily or evening attire. As it is a liquid and non-greasy preparation, it remains unnoticed. When attending dances, balls or other entertainments, it prevents a greasy appearance of the complexion caused by the skin becoming heated.
Gouraud's Oriental Cream cures skin diseases and relieves Sunburn. Removes Tan, Pimples, Blackheads, Moth Patches, Rash, Freckles and Vulgar Redness.

SAGE TEA DARKENS THE HAIR AND RESTORES COLOR TO GRAY HAIR
Cures Dandruff, Stops the Hair From Falling Out and Makes It Grow.
There is nothing new about the idea of using sage for restoring the color of the hair. Our great-grandmothers kept their locks soft, dark and glossy by using a "sage tea." Whenever their hair fell out or took on a dull, faded or streaked appearance they made a brew of sage leaves and applied it to their hair, with wonderfully beneficial effect. Nowadays we don't have to resort to old-time, tiresome methods of gathering the herbs and making the tea. This is done by skillful chemists better than we could do it ourselves, and all we have to do is to call for the ready-made product, Wyeth's Sage and Sulphur Hair Remedy, containing sage in the proper strength, with the addition of sulphur, another old-time scalp remedy.
The manufacturers of this remedy authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.
Don't neglect your hair. Get a bottle of Wyeth's Sage and Sulphur today, and notice the difference after a few days' use.
This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.
