PEOPLE CLOSE TO ATTEND INDUSTRIAL
EXHIBITION.—The push clubs will assist
in making a success of the annual in-
dustrial exposition, which will commence
in the Gray Smith building on
December 2, under the auspices of the
Portland Retail Grocers & Merchants'
Association and the Oregon Retail Mer-
chants' Association. Secretary J. J.
Malley has sent communications to the
various clubs in which it is set forth
that the object of the exhibition is to
advertise Oregon goods. Rights will
be set apart for the several clubs to
attend and will be designated ac-
cording to the clubs which take part.
The East Side Business Association,
United Improvement Clubs Association
and the Lower Albina Improvement
Club have accepted and will be given
special nights.

ORTHOPEDEIC SCHOOLS SITE SECURED.—
Options on two sites for a school-
house in North Montavilla have been
secured. One is on Block 25 in Cath-
arine Addition, and the other on
Block 23 in the Jonesmore Addition.
These blocks each contain nearly three
acres and will cost from \$4000 to \$7000
each. Both are north of East Gilliam
street and about a quarter of a mile
apart. Purchase of one of the sites
will be considered at the meeting of
the Board of Education next Friday
night, when a committee from the
Montavilla Board of Trade will be
present to urge the need of a schoolhouse
in North Montavilla. There is a con-
siderable controversy in the neighborhood
over the location, which the Board of Education
will have to settle.

MARKET PLACE COMMITTEE TO RE-
PORT.—L. M. Lepper, of the East Side
market place committee, said yesterday
that his committee is ready to re-
port on location on the East Side as
soon as the building inspector is ready
with his data concerning market build-
ings. Mr. Lepper said that the in-
spector is gathering data as fast as
possible and probably will be ready
to report this week when the whole
committee will be called together and
a full statement will then be sub-
mitted. There is no intention to
drop or delay the market place move-
ment, so the chairman says, only it
takes a little time to gather the data
together.

AN ADMIRABLE surprise to your
mother, wife or sister, an order on
Gurney, the ladies' tailor for a made-
to-order suit or coat. Prices now re-
duced. In previous years I have dis-
posed of my surplus stock at auction.
This year I have decided to give my
customers the advantage of a reduc-
tion. Prices for the past two years \$25
and up, now \$15, the price formerly
charged for making when all materials
were furnished. If order is placed now
the reduced prices are in force. Gar-
ment will be delivered during the
holidays or to suit your convenience.
Edmund Gurney, ladies' tailor, Mohawk
bldg., Astoria, Oregon.

ARMY AND NAVY.—J. D.
Mann, attorney for Sam Kraemer, a
North End saloonkeeper indicted on a
charge of accepting the earnings of a
woman in a saloon, yesterday filed
pleas against his client on technical
grounds. Mr. Mann yesterday filed
with the County Clerk a demurrer in
which he asserts that the indictment
will not hold because the name of H.
Cohen, who was subpoenaed as a witness
before the grand jury in the case, was
not included in the list which is al-
ways put at the bottom of the paper on
which an indictment is written. The
question will come before Presiding
Judge Ostens.

Y. M. C. A. DIRECTORS MEET.—Dir-
ectors of the Portland Young Men's
Christian Association held their most
largely attended meeting of the
year yesterday afternoon. Satis-
factory reports of progress were
submitted by all departments, and special
reports were made on the work of
the association along special lines, such
as its connection with the present
Gipsy Smith meetings and the coming
sessions of the "Men and Religion For-
ward Movement."

MAIL SERVICE IMPROVED.—To keep
pace with the constantly growing in-
crease conditions of the city Postmaster
Merriok will, on November 16, im-
prove the deliveries in the congested
business districts by the increase of
the number of carriers from 28 to 33.
There will be three deliveries in the
mornings, making five deliveries in-
stead of four daily as at present.

POLICE PATROLMEN IS ASKED.—A
patrolman is asked for on Mississippi
avenue in order to protect the children
attending the shaver school from
gangs from the streets rushing
down the steep grade. As there is no
playground for this large building the
children play in the street, especially
on Mississippi avenue. A policeman
was formerly detailed to watch the
children during recesses, mornings and
evenings, but he was withdrawn some
time ago.

PARENT-TEACHERS' CIRCLE SO MEET.—
The Parent-Teachers' Circle of Sell-
wood will meet in the school this after-
noon at 2 o'clock. Superintendent of
Schools Rieger will be the principal

Mildred Eisart, Mrs. Shook and others

for in the kindergarten by nurses
during the meeting.

morrow at 2:30 o'clock a

Homan and Mrs. W. H. Backmeyer, re-
turned delegates from the National con-
vention of Women's Home Missionary
Society of the Methodist Episcopal
Church. Miss Danfield will recite; Miss
Stella Strong and Mrs. Charles T. Mc-
Pherson will give solos, and Miss Carrie
Spaulding will sing "The Light Divine."

MONTAVILLA TO GET FIRE PROTECTION.—
Assurances have been given that pro-
visions will be made in the year's
budget for a fire station in Monta-
villa. Tentative plans for an engine-
house have been drawn, but the site
has not yet been purchased and will
be made available. Councilman
Schmeier says that the suburb is
entitled to fire protection and he will
do all he can to get the fire station.

CHURCH WOMEN'S SOCIETY TO MEET.—The
Woman's Home Missionary Society of
the Methodist Episcopal Church will
meet at Central Church, Vancouver ave-
nue and Fargo street, on Friday, for
an all-day meeting, beginning at 10
o'clock. A full programme is arranged.

to tell about the recent convention held

Many a Man
On Salary

—has to stay on salary because he
doesn't save enough
to take advantage
of an opportunity
when it presents it-
self.
A checking account with
this bank would help him
stop many a small leak
and saving would be easy.
For with a check account,
the temptation to spend
money is not so great as
when it is carried in one's
pocket.
There are no small
amounts left that are "too
small to count much."
When you pay a bill, you
draw a check for the
exact amount.

a mistake has been made in arresting

Wrinkles Vanish
When This Is Used
"The hand of Time will touch lightly
the cheek that avoids powders or cos-
metics," says Mrs. Mae Martyn, au-
thority on beauty, in the Boston Ex-
press, "and uses instead a simple lotion
made by stirring 2 teaspoonfuls glycer-
ine in 1/2 pint hot water, then adding 4
ounces spermaceti. Many, however, pre-
fer witch-hazel to water, as with the
former it dries more quickly.
