The New "Willamette" Rotary

Is Fast Revolutionizing the Sewing Machine Business

Just sit down and sew a few stitches on the new "Willamette" Rotary, and you will know just why this condition is being brought about! You'll recognize how much faster and easier it runs with the same exertion—how the noise is minimized.

The Automatic Tension, shown in illustration, adjusts itself instantaneously, without changing, to any size thread. It will sew through 32 thicknesses of cloth as easily as the finest chiffon. You'll find this feature on no other Machine but the

"Willamette" Rotary. Note the automatic bobbin, illustrated in corner. It does away with the old-time bobbin troubles. Come in and let our woman Sewing Machine expert demonstrate the new "Willamette" Rotary for you today. It is—
