

WEIGHTS HEAVIER THAN TIGER

Oregon Really Outweighs University of Washington Squad by Margin.

PLAYERS LOSE IN GAMES

Many Gridiron Stars Drop a Few Pounds in Hard Contests—Next Big Meeting Will Be Eugene-Multnomah Affair.

When the Washington University football squad filed into the general admission gate at Multnomah field shortly prior to the game with Oregon Saturday, several thousand expectant fans gazed at the beefy, ferocious aspect of the invaders from the north. To hundreds it appeared that Dobie had headed every month in Seattle, with the possible exception of the totem pole. Many a wise one winked the left eye at the published weights of the rival bands, which credited Oregon with an average of 175, to 174 for the purple and gold.

ARMY AND NAVY TO CLASH

Situation in Middle West Is Complicated—Outcome of Chicago-Wisconsin Game Saturday Is Now Eagerly Awaited by Fans.

Princeton has won the football championship of the "Big Four" in the East. Army and Navy eleven, both unbeaten, remain to clash for supremacy at Philadelphia Saturday.

Wisconsin meets Chicago on the latter grounds Saturday and if Chicago wins it gives Minnesota the leadership with a record of no defeats and one tie.

The Carlisle Indians, too, remain a strong eleven and favorites for the two more games on their schedule.

Intercollegiate championship is an undervalued honor as the defeat of the Michigan team by Cornell in the East was evaded when two Eastern teams fell victims to Western football Saturday—Pennsylvania at Ann Arbor and Cornell at Chicago.

Wisconsin plays Chicago. Wisconsin meets Chicago on the latter grounds Saturday and if Chicago wins it gives Minnesota the leadership with a record of no defeats and one tie.

Princeton's victories carry with them the one name most conspicuous in the list of individual stars so far that of Sam White, the winner of many a baseball game for the Tigers, but who, according to the interesting report, is to be practically forced to the gridiron, to be practically forced to the gridiron, to be practically forced to the gridiron.

WASHINGTON FAME NATIONAL

Dobie's Remarkable Team Has Fewest Points Scored on It.

Although Washington's enviable record of having the only team of prominence in the big university circles that was not scored on was shattered still maintains the lead in having had the lowest number of points scored against it.

METHODISTS FEEL BLUE

Cochran Sweetland, of Salem School, Says His Team Has No Chance of Winning Wednesday From Heavier Aggie Eleven.

When the Oregon Agricultural College and Willamette University football eleven play off their postponed game next Wednesday afternoon at Corvallis, no chloroform will be used by the Corvallis men.

Seattle writers at the time charged that chloroform was used on Quarterback Reynolds, Captain Mays and others for the evident purpose of rubbing the connection into their opponents' eyes.

"We did use chloroform, but not on Reynolds," a Corvallis player told the writer a few days ago. "One of our men was sick and it was on him that the dope was used. In Seattle we were playing on a strange field and had no experience in a big game and the defeat did us a world of good."

Several players of both the eleven that met Wednesday attended the Washington-Oregon game. Carlson, the Corvallis center, occupied a box seat.

Williamette has no hope of defeating the Oregon Agricultural team Wednesday, said the writer. "But we will take our Hiking like men and prepare for the Puget Sound University clash on Thanksgiving."

Oregon City 8, McLoughlin Club 0. OREGON CITY, Or., Nov. 19.—(Special.)—For the first time in three years the Oregon City football team today defeated the McLoughlin Club team of Portland at Canham Park, 8 to 0.

THE DALLES DOUBLE VICTORY. THE DALLES, Or., Nov. 19.—(Special.)—The Dalles High School football team returned today from the interior. It defeated Prineville High Friday, 29 to 6, and won from Bend High yesterday by the score of 8 to 6.

December 1, had its first trial yesterday morning on Columbus Field, winning from another picked eleven 8 goals to 2.

Sammons played star ball for the second team and many spectators thought he should have been on the all-star team. The work of Gifford was also a feature. The lineup: All Stars. Position. JACK WELCH TO REFEREE

San Franciscan Will Be Third Man in Ring Thanksgiving Day.

LOS ANGELES, Nov. 19.—The deadlock over the question of who shall referee the scheduled 20-round fight between Ad Wiggins and Fred Wolgast for the lightweight championship of the world at Vernon Thanksgiving day, has been broken by Welch consenting to have Jack Welch, of San Francisco, as referee.

Wolgast, Welch, Tom Jones, Wolgast's manager and Tom McCarty, promoter, had a meeting at which Welch requested Welch act as referee. Welch responded that an "undesirable man was being forced upon him," but rather than lose the chance to fight for the championship he would consent to Welch refereeing the contest.

AMATEUR ATHLETICS

ALTHOUGH it was announced some time ago that Lincoln High School was to turn out for soccer practice, it was put off because some of the players could not attend both practices.

To choose a soccer team to play the boys' team from Australia, a meeting is to be held at the Multnomah club at 8 o'clock today.

From the scores in their football games it appears that Jefferson is somewhat weaker than Washington, as a whole. The three games with Lincoln both have men have resulted in the following scores: Lincoln was tied by Jefferson, while Washington was defeated.

It is probable that Jefferson will hold a practice or two on the grounds before its game Friday, so as not to find itself in the same predicament that Washington was in Friday.

DICK BRENN, who was picked as the best second baseman in the Northwestern League in 1910, will be played with Vancouver, may be turned over to Los Angeles.

"Bart" Bartholomew, who was one of Oregon's leading spirits in the professional baseball world, has arrived in Manila by this time, a letter from him from Hongkong having been received here yesterday.

Washington, D. C., sporting writers are already predicting the transfer of "Kid" Eberfeld, the scrappy little shortstop of the Senators.

Otto Melver, the outfielder purchased by San Francisco from the St. Louis Nationals, is a big fellow, weighing 180 pounds. He throws with the left fin, and bats from the right side of the plate.

have a real championship battle on tap. Here again the weight question crops out prominently. McFarland probably will be forced to make 133 pounds for the champion. Some declare it will be a repetition of the Nelson-Gans fracas at Goldfield, and the Windy City scrapper will be forced to go into the ring in such weak condition that his chances for victory will be materially lessened.

Neither Tommy Ryan nor Eddie O'Connell are discouraged by the defeats administered to their boxing and wrestling stars at Seattle Friday night.

Tommy Ryan has nothing but praise for his two proteges.

"Eymann proved his punching prowess and Carey, his gameness," said "Eymann has a good chance against the best amateurs in the country at his weight, I think, and Carey, with a little more experience, will prove a hummer. Both are naturally clever and willing to stand the gaff."

Multnomah's men will not be called upon to enter the ring until January. By that time both Ryan and O'Connell hope to have their men developed to a point where there will be no doubt as to their winning.

Existing conditions are in such marked contrast to what obtained in the old days that foreign buyers see an opportunity by which they could be benefited.

While virtually no betting has been done locally on the coming Wolgast-Welch and McFarland-Murphy fights, it is probably a safe bet that Wolgast will win by a margin of 10 to 1, and McFarland 2 to 1.
