Regular \$10.00 to \$15.00 Today \$5.00

—It seems almost impossible to paint a word picture of these beautiful scarfs.

—The immense collection touches such an assortment of distinctively different materials.

—They are all, of course, imported scarfs. Some filmy, silky, delicate pastel fabrics in soft combinations of applique and printed tints.

—Others are of chiffon and nets woven of cloth of gold intermingled with a riot of color in wondrous combinations such as the foreigner dare only improvise.

—Vivid greens, purples, black and gold, black and silver—pinks, light blues and whites. Some dotted with crystals, others with spangles, others with gold embroidery. But why go on? If you are interested, give us five minutes at the neckwear department, and we are certain you will be enchanted with this showing of brilliant scarfs.
