SCHOOL CALLS 28,000

CLASSES RESUME AFTER TEN DAYS' HOLIDAY REST.

Four New Teachers Assume Duties

All Buildings Open, Including Three Fumigated.

More than 28,000 children trudged to school yesterday as classes opened after ten days' vacation allowed for Christmas and New Year's.

The second great division of the present year will begin Wednesday, January 31, with the beginning of the midyear vacation, which lasts until February 5. Final examinations will begin a week earlier and for such as have obtained high enough class averages to be exempted from the final examinations, this will mean a full week more of vacation.

The increase of attendance following the opening of school yesterday was slight, as the majority of the new pupils will enter after the midyear vacation. At that time five new buildings will be opened for their classes. These are the schoolhouses at Mount Tabor, Fernwood, Ross City Park and Weston. Pupils at Lent's have already entered their new school. The Lincoln High School, which was expected to be ready for classes by the midyear, will not be completed so soon, but will be finished in time for dedication and for the graduation exercises in June.

The only school open last term which was not fully opened yesterday was the Thomas school, which had been closed several days because of a coughing out of the teachers, Miss Birdine Merrill, was attacked by smallpox. The building was thoroughly fumigated last week, and classes were opened in all grades yesterday, excepting the grade taught by Miss Merrill. This grade soon will be supplied with a teacher and work will go on as usual. The Hawthorne and Ladd schools were also closed before the holidays on account of scarlet fever at the former and diphtheria at the latter. These schools were opened yesterday with the beginning of work.

Four new teachers, elected in the holidays, took up their new duties yesterday. Miss Maud Laughed, is teaching in the first grade in the Arleta school, Miss Josephine O'Leary the fifth grade in the Brooklyn school, and Miss Rose B. Poutz the eighth grade in the Stephens school, while O. E. Carr has been assigned to the chair of history in the Jefferson High School.

PUT AN EXTRA STOMACH TO WORK

Stuart's Dyspepsia Tablets Will Do the Work of Two or Three Stomachs—Afford Instant Relief.

FREE TRIAL PACKAGE. When your food does not digest, when gas forms, when you experience that uncomfortable feeling of fullness, when the breath is foul, when the tongue coated and that sour taste is in the mouth—take a Stuart's Dyspepsia Tablet and watch how quickly every one of these symptoms disappear. At once you are enabled to digest that lump of food in your stomach, and the glands, whose duty it is to supply the gastric juice, had simply given out from overwork. So entirely harmless because they have absolutely no effect on the system one way or another except to do just the one thing—digest food.

40,000 physicians use and recommend this National Remedy. Every drug store everywhere sells and recommends Stuart's Dyspepsia Tablets. The price is 40 cents per box. A sample will be sent free if you will write F. A. Stuart Co., 159 Stuart Bldg., Marshall, Mich.

CASCARETS CLEANSE LIVER AND BOWELS

No Biliousness, Headache, Sick, Sour Stomach, Indigestion, Coated Tongue or Constipation.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headache come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give you a thorough cleansing inside and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—these little insides need a good, gentle cleansing, too.
