NEW BRIDGE BID ADVISED

John F. Logan Wants City to Readvertise for Broadway Bascule.

Appearing before the bridge com-militee of the Executive Board yester-day, John F. Logan, representing the Scherzer Bridge Company, asked on behalf of his clients that the city re-advertise for bids for the type of bas-cule for the Broadway bridge. This probably will be done. As Ralph Mod-jecki, consulting engineer, did not reach the city in time to appear before the committee, it is likely a special gession will be held soon to discuss the subject.

"Unless this committee is careful, there probably will be a repetition of the trouble regarding the Hawthorne-avenue bridge," said Mr, Logan, "Thus far the bascules have been put before you in bids on estimated rates, and there is danger of running in a lot of extras, as was done on the other span."

There are three bids for the bascule, one by the Scheraer company; one by the Strauss and one by the Rail Bridge Company. The Pennsylvania Steel Company undeubtedly will have the centract for building the superatructure, as the contract is virtually let, and the steel is being fabricated for the span.

Patrolman Helms Arrests Supposed Maimed Man After Fight.

Deaf, dumb and crippled, John Dow, alias Charles Adams, spread his six feet two inches of ruddy health on the pavement at Seventh and Washington streets last night, selling pencils to sympathetic passersby.

Diminutive, red-headed Patrolman Helms, passing by, looked down on Adams and murmured a word of sympathy. "It's a bad night, and I guess I'll go home," said Adams. "Selling pencils on the street is a bad business,"

Wealthy Widow Says Gipsy Hypnotized, Robbed Her.

HYPNOTIC CASE STRANGE

Woman, Awakening, Says Fortune Teller Induced Her to Give Money Last August-Bank Book

PULLMAN, Wash., Jan. 11.-(Speal.)-The strangest case of hypnotic influence ever heard of here came to light today when Mrs. Anna Booth, a wealthy widow, seemed to come out of a "spell" under which she had been laboring since August 7, 1911, and an-nounced that she has been systematically robbed by a gypsy woman of

She says she felt a peculiar sensation and, when asked for a glass of water, got it for her.

The woman then selsed Mrs. Booth's hand and said: "You have an abscess in your ear." This was true. The gypsy continued:

"You have money in the house. I want it. You have money in the bank and they are going to beat you out of it. You have enemies and I am going to work on your planet. You must give your money to me."

Being assured that the money would be returned on January I, she gave the money to the gypsy.

VANCOUVER, B. C., DEFEATS SO-CIALIST INCUMBENT,

Official Now Retired Had Been Leader of Movement Since Agitation First Began.

VANCOUVER, B. C., Jan. 11.—James Findlay was elected Mayor today by a majority of 1690 votes over Mayor Taylor, publisher of the Daily World and a native of the United States, who has held the office the past two years.

Much capital was made in the campaign of Mr. Taylor's announcement that he was a Socialist. Mr. Taylor made no particular parade of Socialism or its doctrines, but confined himself to hidding vigorously for the workingmen's votes, which swept him into office two years ago.

Mrs. P. McNaughton, the only woman candidate, was elected as a school trustee. A fairly heavy pell of women voters was recorded.

A Resolution for Thin-Blooded People

Thin-blooded people do not remain so from choice but from indifference, in some cases from despair. People who are pale, languid, with slight palpitation of the heart, some difficulty

in breathing and a tendency to fatigue are suffering from thin blood. They need only the resolution to take the right treatment and stick to it until cured. The remedy that can be relied upon is Dr. Williams' Pink Pills for Pale People. With every dose they make new blood and new blood means health and strength. They stop further progress of the disease and their success as a blood-builder can be plainly seen after a short trial. The red cheeks, good appetite, increased weight and strength, cheerful disposition, and relief from the symptoms, all declare the general improvement in the health. It is pure blood now that is traveling everywhere through the body and the benefit goes on until health is restored.

Mr. William A. Newman, of Sagrada, Camden County, Mo., suffered from thin and disordered blood as a result of an attack of the grip. He says: "My head ached continually and was filled with hissing and roaring sounds that were fearfully annoying. My heart fluttered and had regular running-away were fearfully annoying. My heart finttered and had regular running-away spells. My stomach was so sore that I could hardly bear a touch on that part of my body. I had a great deal of pain in the region of my liver and the doctor said that organ was enlarged. My head and my back ached dreadfully, but, hard as it was to stand it, I wouldn't give up entirely. I dragged myself about, kept growing werse and finally ran down to almost nothing. First I tried a doctor, but he did me no good. Then I took all kinds of advertised preparations, but nothing proved helpful until I began to use Dr. Williams' Pink Pills. As soon as I got them I knew that I had at last hit upon the right remedy for my case. The very first box did more for me than anything else I had ever taken. I wish I had heard of them long before, for they would have saved me money and suffering. They gave me relief right away and in three months they positively cured me."

Dr. Williams' Pink Pills for Pale People are the blood's greatest aid in overcoming rheumatism, anaemia, chlorosis headaches and after-effects of the grip and fevers.
