

PORTLAND SHOTS TAKE TRAP EVENT

San Francisco Team Beaten for First Time on Tour. Spokane Again Third.

HOLOHAN'S SCORE HIGHEST

Locals Break Clay Birds in Fine Shape and First Tie Golden Gate Men and Then Take Lead in Shootoff.

Portland's representatives in the Northwestern trap-shooting tournament finally defeated the San Francisco pair for the first time since the touring party started at Astoria a week ago. Holohan and Robertson tied Willet and Fisher in the century run, and won the match in the shootoff at the grounds of the Portland Gun Club at Kenton yesterday.

It was a close and exciting competition between the three touring teams. A large gathering of Portland runners was on hand and participated in the intermediate shoots. The new traps of the Portland Gun Club hurried the targets cleverly, and the different angles kept the professional as well as the amateur shooters busy guessing the flight of the clay birds.

Salem Score Duplicated.
Pete Holohan was the high man among the touring marksmen. He duplicated his Salem score of 84 breaks in 100 birds, and broke 100 birds, the leading marksmen of the bunch since the tour began, was a close second, scoring 82 breaks. The contest between the professionals was exciting and interesting for the big crowd assembled at the grounds, which eagerly watched the work of the three touring teams and commented freely on their work of the crack shots. Hugh Poston, of the Spokane team, came in for especial admiration. He scored his breaks cleanly, smashing each target with a full charge.

In the first three sequences, embracing 75 targets, San Francisco gained a lead of two targets while Portland and Spokane were tied, but the shooting of Holohan, who finished with a straight string of 25, and the falling down of Fisher, who missed five of his last string, brought the Portland team to a tie with San Francisco, with 180 breaks for each team.

Holohan Wins Shootoff.
In the shootoff Holohan beat Willet and Portland is credited with its first victory in the series, which now stands, San Francisco 5, Portland 1, Spokane 6. James E. Rife, of the Spokane team, remained in the Portland when the shooters departed last night for Seattle, where they shoot today, and his place will be taken there by his brother, Lester Rife, who will shoot in partnership with Hugh Poston.

Among the Portland Gun Club's members who made fine scores yesterday were Caldwell, who scored well up with the visiting trap shooters in general averages, as well as Fred Moulton, of the Eugene club, who came to Portland to participate in yesterday's competition. Harry Ellis, Harry Eaton, Frank Howe, Bill Hillis and others also were present.

Fisher Yields Place.
The scores made by the tourists yesterday were as follows: Portland, 180; Holohan 84, Robertson 82. San Francisco, 180; Willet 82, Fisher 82. Spokane, 146; Poston 85, Rife 80. By his fine work yesterday, Holohan has passed Fisher for second place in the individual scores made on tour. The Portland representative now has a total of 844 breaks of 690 targets shot at since the tournament began. Willet has a score of 568 out of 690, while Fisher is third with 532 out of 690. The total scores of the teams out of 1300 targets shot at is as follows: San Francisco, 1894; Willet 82, Fisher 82, Portland, 180; Spokane 146, Poston 85, Rife 80.

The teams left last night for Seattle, where they shoot today, and following that will go to Bellingham Tuesday, Snohomish Wednesday, Tacoma Thursday and Aberdeen Friday, after which they journey to Wenatchee and Spokane, as well as other Eastern Washington points.

WILLAMETTE FIVE IS WINNER

Multnomah Basketball Team Loses Hard Contest 29 to 10.

SALEM, Or., Jan. 21.—(Special.)—Pining a hard game, the Multnomah basketball team, of Portland, lost to the Willamette University team, by a score of 29 to 10, last night.

Willamette won because it had been at steady practice for a couple of weeks and stood the pace a little better.

The game was the first big contest to be played on the new re-arranged gymnasium floor and now Willamette has one of the best basketball floors in the Northwest. More than 400 persons saw the game.

The game opened with the Multnomah team scoring first and leading for 10 minutes until the Willamettes forged ahead and led, 10 to 6, at the end of the first half.

Dent led in the scoring for Multnomah, getting two baskets, Allen and Masters tallied two points each. Masters also scored two free throw baskets out of five trials. Fugh, while not scoring, played a good defensive game. Two centers were used by Multnomah, Marris playing the first half and Keck, a former Oregon Agricultural College player, the second. Keck played especially well.

For Willamette, Homan, McInnes and Schram scored three baskets apiece, and McIntire and Thompson scored seven points on free throws.

Zhyzsko to Meet Karla

BOSTON, Mass., Jan. 21.—(Special.)—Zhyzsko and Karla, both of whom are persistent challengers for the world's title, will meet here tomorrow night. It is looked upon as the most important bout ever scheduled for decision in New England. Karla is the Hindu who came to America with the expectancy of getting a match with Gutch. Tomorrow night's bout is expected to eliminate either the Polish champion or Karla from championship consideration.

Amicus Club Five Wins

The Amicus Club was victorious Saturday night in a basketball game with the Lathropette Falls team at that place. The score was 19 to 13. The Amicus Club lineup included Hughes and Surin, forwards; Kenefick, center; Sinnott and Fennell, guards. A return game will be played in Portland next month.

PROMOTER SEEKS TO MATCH JOHNSON WITH FLYNN AND PALZER SAME DAY.

JIM FLYNN FROM RECENT PHOTOGRAPH.

NEW HAVEN, Conn., Jan. 21.—(Special.)—J. Harmer Bronson, the leading sport promoter of the city, announced tonight he had applied to New Haven's Chief of Police for a license for a boxing bout in which Jack Johnson, the colored champion, will meet Jim Flynn, the Pueblo fireman, and Al Palzer, both the same afternoon, each bout to be 15 rounds. If the permit can be had the go will take place on the afternoon of July 4, at Lighthouse Point, a summer resort on the Sound five miles east of this city. It is understood Johnson will be offered as his share a guarantee between \$40,000 and \$50,000. Bronson's partner in the enterprise is Matt Larkin, of California.

Bronson says the Johnson and of it is closed, and the champion is agreeable to appear here. Flynn and Palzer have not been obtained as yet, as the promoters consider that merely a secondary matter until Chief Cowles has granted the permit. Bronson has a great deal of influence and has generally obtained just what he wants in the line of boxing permits locally.

Philomath Defeats Pacific.
PHILOMATH, Or., Jan. 21.—(Special.)—Philomath College basketball team defeated Pacific College here last night, 25 to 13. The lineup, Pacific forwards, Smith and Parker; center, Lewis; guards, Haworth and Rees. Philomath, forwards, Follett and Jones; center, Claybaugh; guards, Jones and Bertram.

The standing of the league now is:

Team	W.	L.	P.
Chenawah	2	2	0.000
Philomath College	2	2	.000
Pacific University	1	1	.500
McMinnville College	2	2	.333
Pacific College	1	2	.333

Both Bantamweights Willing Mixers.
Daily Almost Out in 14th From Hard Body Blow—From Then on Burns Holds Lead.

NEW ORLEANS, Jan. 21.—Frankie Burns, of Jersey City, was awarded the decision over Johnny Daly, of Brooklyn, after 20 rounds of hard fighting before the West Side Athletic Club this afternoon, winning the right to meet Johnny Coulson in his same ring, February 18 for the bantamweight championship.

It was a good fight from the first round. Both were willing mixers and fought at a fast pace. In the fourth round it seemed as if the bout would end when Burns jabbed Daly in the stomach a dozen or more times with blows that would have knocked out a less hardy fighter.

Daly was weakened considerably and appeared groggy at the end of the round. They fought fiercely in the first round, Burns bringing the blood from Daly's nose and mouth with straight lefts, the Brooklyn boy raising a large lump on Burns' right eye with a hard left swing.

Burns was best at inighting, working rights and lefts to the stomach and kidneys in the first clinches which Daly sought. Daily left the ring with a badly battered and swollen face and several marks on his body. Both were under 117 pounds.

Harry Stout was the referee and the decision was a popular one.

Johnny Coulson was signed up last week to meet Burns here in February 18 to defend the bantamweight championship.

ATTELL DECLARES HE TRIED

Featherweight Says His Fight With Brown Was "On the Level."

NEW YORK, Jan. 21.—(Special.)—Abe Attell, featherweight champion of the world, said today that his bout with "Knockout" Brown at the National Sporting Club on Thursday last was strictly on the level.

"I did the best I could; I was out-weighted and out-punched by a younger and stronger boy. I had all my generalship into play to try and change the verdict, but he would not fall for it, but kept tearing in all the time. A left-hand stomach punch in the fourth round took all the fight out of me, and the only thing that kept me together was my ring experience, which has brought me through many a hard battle."

"Brown is the toughest lightweight in the world today, I thought I could outbox him and get away with the decision. I was surprised when he not only outthought me but outboxed me in different styles. He has improved wonderfully in his boxing and fighting ability and looks like the best man in his class in the country today."

COULSON READY FOR FORBES

Bantamweight Boxer Prepared to Defend Championship.

CHICAGO, Jan. 21.—Johnny Coulson completed preparations today for his fight with Harry Forbes at Kenosha, Wis., Monday night. The bantam champion finished his last workout with Frankie White, his sparring partner. White took severe punishment with the big gloves. Coulson was fresh and unmarked when the bout concluded. Tom Winkleschaffer and Fred Martin, a mule wrestler and boxer of 170 pounds weight, also took part in Coulson's final workout.

Forbes, too, was busy today. Forbes

in his last round of sparring forced Fred Martin to extend himself to the limit to keep pace with him. Forbes weighed 117 pounds after his workout and said he would be in the best condition of his life.

George Coulson, Frankie White and Fred Martin will be in Coulson's corner. Harry Gilmore, Sr., Howard Carr and Fred Wittingham will take care of Forbes. The fighters will go to Kenosha tomorrow morning.

La Grande Basket Tossers Win.
LA GRANDE, Or., Jan. 21.—(Special.)—La Grande High defeated Imbler High at Imbler last night in basketball, final score 42 to 2.

FLANAGAN DRIPS 50 FEET, IS NOT HURT

Aviators at Los Angeles Meet Flirt With Death in Spectacular Dives.

WOMAN SOARS HALF MILE

Two Accidents Mar Events—Lincoln Beachey Wins Speed Contest—Boy Drops 400 Feet and Craft Rights Itself.

LOS ANGELES, Jan. 21.—Two accidents, neither serious, marked the day of the third international aviation meet at Dominguez Field today. Sixty thousand persons filled the grandstand, boxes and nearly all available space within the roped-off portions of the field. The weather was perfect for flying.

Albert Elton, of Youngstown, O., while 50 feet in the air, as the result of the sudden stopping of his engine, Elton jumped just before the aeroplane struck and escaped injury, but his machine was reduced to a pile of debris.

Biplane Dives Into Fence.
The second accident occurred to W. B. Atwater, of New York. He had been in the air for more than an hour, competing in the endurance contest, and was flying low in front of the grandstand, momentarily lost control of his machine and it dashed into a fence. Beyond a few broken wires, no damage was done.

F. T. Fish, a 17-year-old boy of Los Angeles, flying as an amateur, was about 190 feet in the air when his aeroplane dropped about 400 feet, nearly straight down. Fish managed to land his craft and soared away. He landed on the next round, but would not say what had gone wrong. Fish took his dip over nearly the exact spot where Arch Hoxsey met his death a year ago.

Alman Flirt With Death.
The most spectacular flying of the day was that of Phil Parmalee and Lincoln Beachey. Rising to great heights from opposite ends of the field, they would suddenly shoot straight toward the earth, and when within but 200 feet of the ground, suddenly soar upward again.

Beachey Wins Races.
Today's programme included an international race between machines representing six nations, which was won by Lincoln Beachey, representing America, over H. P. Kearney, of St. Louis, who piloted the colors of Japan. A race between a man, horse, automobile, motorcycle and an aeroplane was won by the horse, and the automobile was last.

A five-mile handicap race between five aeroplanes was won by Lincoln Beachey, scratch, in seven minutes, two-fifths of a second; Parmalee was second, and Atwater third.

RANCHER'S DEATH MYSTERY

Body Found, Following Altercation With Automobiles.

LOS ANGELES, Jan. 21.—Just after an altercation with two motor machines, Richard Smith, a wealthy rancher, was found dead today in his field adjoining Dominguez aviation field. No indications of bodily trouble were discovered and it is believed that death was caused by the bursting of a blood vessel.

The men in the automobile were driving on the highway, endeavoring to escape from the crush of automobiles and he objected to their entering his field.

The men in the automobile were driving on the highway, endeavoring to escape from the crush of automobiles and he objected to their entering his field.

Silverton Five Victorious

SILVERTON, Or., Jan. 21.—(Special.)—The Silverton Athletic Club basketball team defeated the strong Wilsonville five in this city Friday night, 25 to 13. Silverton, new center, played a perfect game. A return game may be played soon.

McMinnville Five Beaten

McMINNVILLE, Or., Jan. 21.—(Special.)—Chenawah's basketball five defeated McMinnville College at the City Auditorium last night in a clean and well-played game of basketball. The score was 25 to 21. The first half was a tie score.

FLANAGAN WILL OPPOSE

HAMMER-TOSSER TO REPRESENT UNITED KINGDOM.

Three Times Champion of Olympic Games Not to Compete This Time for United States.

NEW YORK, Jan. 21.—(Special.)—The new rule of the Olympic games defining residential qualifications of intending competitors has developed one of the oldest situations in the history of international athletics. At the Budapest conference last Spring it was decided that an athlete could represent his native country any time, even were he a naturalized citizen of another country.

Just now the rule applies to John Flanagan, the present Olympic hammer champion, and who, it is understood, will be a contender at Stockholm. For several years Flanagan was resident here and successfully represented the United States at Paris in 1900 and at London four years ago. Last year he sailed for Ireland, where he competed all through the season, one of his star engagements being the international match between Scotland and Ireland.

All along it was well known that Flanagan had his eye on the Swedish figure, and some of his friends here volunteered the information that he was to keep in training through the entire Winter so as to be well rounded up by July. Various rumors have been floating around about his plans, one being that he was coming back and would make one of the American team once

more, but this view was set at rest in a letter which was received by Ben Sherman, of Harvard, a fellow hammer-thrower. The note directed Sherman to go to James E. Sullivan, secretary of the American Olympic committee, and inquire if America would be object if Flanagan represented the old country, or if he came back, was he eligible to throw for America?

The reply was that the hammer thrower could come back and wear the Stars and Stripes or he could throw for England without protest on the part of America. In explaining the case, Sullivan said that there was nothing in the Olympic rules that could prevent Flanagan from picking his choice of the two countries. Were he to decide in favor of America he would not even have to come back here. He could stay in Ireland up to the last minute, when he could join the British team at Stockholm. The only bother he would meet were he to come back here again for good would be that he would have to wait a full year before he could represent the American club, but in the meantime he could compete unattached.

The latest report about Flanagan is that he will represent the United Kingdom and the decision is important in the fact that he will surely take some points from America in the weights. He will have the advantage, too, of knowing more about the style of missile used by the Swedes, while the men from here will be more or less in the dark until they land on the scene of action. That will be the worst time to be experimenting with any new implements.

When the games were held at Paris in 1900, it was the initial introduction of the hammer and Flanagan won with a throw of 167 feet 4 inches. He was to the fore at St. Louis in 1904 with a pitch of 168 feet 1 inch and made his third win at London in 1908 with 170 feet 4 1/2 inches, which is now the Olympic record. Several times last season Flanagan threw in the neighborhood of 180 feet, so it is safe to assume that he will be a most dangerous man at Sweden.

BURNS MT. ANGEL'S HOODOO

Christian Brothers' Five Wins Game By 41 to 19 Score.

To Benny Burns, their former forward, the Mount Angel College basketball team, owes its defeat by the Christian Brothers' Business College Saturday night. The final score was 41 to 19.

Burns threw baskets from every angle with an unfailing eye, and his former teammates found themselves powerless before him. Aside from Burns' brilliant playing, the game was even. The Mount Angel players say the slippery floor largely caused their defeat. Furney, Mount Angel's center, did brilliant work for his team.

The lineup:

Mount Angel	Christian Brothers
George Carson	Edwards
Boydton	Gaylor
Boydton	Boydton
Boydton	Boydton
Boydton	Boydton
Boydton	Boydton

As a preliminary to the main game a game was played between the second teams, respectively, of the Christian Brothers and Jefferson High School, in which Jefferson won, 28 to 24.

TIGERS TO PLAY INDOOR

WINTER BALL GAME TO BE TAKEN UP BY HOGAN.

San Francisco Baseball Men Suspect McCredie of Being in Deal to Grab Jimmy Shinn.

It has remained for Happy Hogan to side step the usual routine of Spring training. Instead of gathering his clan and hiking to some quiet little hamlet for preliminary practice, the Vernon leader has decided to try out an entirely new stunt. Hogan proposes to start the ball rolling by engaging in an indoor baseball contest with Company of the National Guards.

Happy has come to the conclusion that if his men can get an even break with Coast League Clubs on a dirt diamond, they should have little trouble in bringing humiliation upon the heads of an army team. If the first game turns out as he expects he will try to have them enter the stiff grind of training in earnest.

Patterson, Killaley, Roy Brashear, Burrell, Kane, McDonnell, Stinson, G. Stevill and Hogan will be in the lineup.

San Francisco baseball men seem to think that the Sacramento Club got the call on him several years ago, and that is doubtless one reason why the Portland manager is so anxious to make a move in that direction.

Of course, every one knows that McCredie would not pass up Shinn if he were prepared to go through another campaign without him.

Although "Pat" O'Rourke announced on his return from the East, recently that Shinn would be returned to Sacramento, he evidently is not so sure of having Jimmy's services now. Several conferences have been held between O'Rourke and Tommy Sheehan and one Sacramento baseball writer has it that everything is settled and that the ex-Beaver field chieftain will sign a Sacramento contract soon. Sheehan is on McCredie's reserve list, but it is known that he will not place any obstacle in the way of Tommy landing another berth.

AMATEUR ATHLETICS

Officers and members of the Holladay Athletic Club will have a meeting and dinner on Wednesday night. Plans for a clubhouse will be discussed. The club has been successful.

The Oregonian quintet defeated the Jew Boys' basketball team yesterday, 48 to 2. The Jewish Boys would like to meet teams of the city averaging about 135 pounds. Games may be arranged by calling up Jake Smol, room 1725, or writing to 448 Fourth street.

Washington High is having a series of basketball games between teams of the school, the next one to take place on Wednesday when the June and February graduating classes meet. The Eukineon Debating Society's basketball team defeated the other students, 41 to 13.

We Have About 300 Three-fifty to \$5 SOFT HATS

—All of them standard shapes, including this season's latest brush and scratch-up hats—in all colors.
