JACK BRITTON HAS BETTER OF BURNS

Chicago Lightweight Wins Decision Over Frankie in Ten-Round Bout.

LOSER BETTING FAVORITE

Match One of Elimination Series and Victor Is Entitled to Meet Packey McFarland and "One-Round" Hogan,

OAKLAND, Jan. 24 -- Jack Britton, OAKLAND, Jan. 24.—Jack Britton, the Chicago lightweight, won a decision here tonight in a 10-round bout with Frankie Burns. Burns was a 10-to-8 favorite in today's betting.

Britton now is eligible to meet fighters of the standing of Packey McFarland and "One-Round" Hogan. The match tonight was one of a series of elimination bouts to determine the merits of boxers eager to be matched

merits of boxers eager to be matched with leaders in the lightweight class. The ten rounds were fast fighting.

In the second round Britton close Burns' eye, and from then on the latter had no chance. In eight of the ten rounds Britton forced his opponent around the ring, hammering him at will, but the local man's stamina saved him from a knockout.

In only two rounds, the sixth and ninth, did Burns show any signs of his former ring ability, and in these

Burns defeated "One-Round" Hogan some time ago, and in May last made a good showing against Ad Wolgast. So Britton's victory puts him in the way of a contender for secondary honors in the lightweight division.

SOCCER PLAY IS

PORTLAND ACADEMY AND JEF-FERSON IN GOOD GAME.

Three-to-Three Contest Filled With Thrills With Jefferson Beaten Until Near End.

Excitement and goals came fast in the Fortland Academy versus Jefferson soccer game on the Columbus Field yesterday, which ended in a 3-3 tie. The Academy boys opened the scoring when the game had been in progress a quarter of an hour. Ten minutes later came the most sensational bit of scor-ing seen this year. The Academy for-wards took the ball down the field in a line to score number two. Straight from the kickoff went Lind, the Jeffer-son center, to reduce their lead. With-in another minute Portland Academy

had regained that lead, only to see the gap leasened again a second later.

At half time the Portland Academy had a goal to the good, but the bottom end of the field had by that time been reduced to a quagmire, not only causing great difficulty to the backs in kicking but also giving the other in kicking, but also giving the other side the advantage of playing down-hill at the best time. Consequently it was not surprising to see Jefferson do the greater part of the attacking, their efforts being rewarded by the equalizer with about ten minutes left for play.

The Pacific Coast League's innovation of numbering the players for the il-lumination of the fans seems to be attracting a great deal of favorable notice all over the East, where, despite the costly and intricate bulletin board systems, there seems to be a field for

SAN FRANCISCO IS SECOND

High Wind Mars Flight of Clay Targets and Makes High Scores Impossible-Spokane Team Last as Usual.

SNOHOMISH, Wash., Jan. 24,-(Special.)—Portland representatives in the Northwestern touring trap shooting tournament were victorious in the shoot held here under the auspices of the Snohomish Gun Club this afternoon. Pete Holohan and W. A. Robertson captured the event by a score of 182 against 179 for the San Francisco

This gives Portland two events of the nine so far shot. San Francisco has won the other seven, while Spo-kane is still without a victory. Today's victory by Portland was due to the consistent shooting of W. A. Rob-ertson, who went through the event with a good score in every frame, and while he was not high man for the day, it was his steadiness in the last frame which brought victory to his side, as several of the other shooters fell down at the finish.

The shoot was held under the most adverse conditions encountered since the tour began. A driving rain storm prevailed throughout the afternoon and as the competing teams lined up for the last string a gale sprang up, making it exceedingly difficult to judge the flights of the clay pigeons as hurled from the traps. It was this wind which lost the match for the San Francisco team and also which caused the Spokane team to land third, for Ike Fisher and Less Reid missed many targets in the last 25 shot at.
Fred Willet and Hugh Poston tied for first honor as individuals, as on

the day's shoot. Each missed only six targets in the afternoon and these oc-curred mostly after the arising of the wind. Holohan again broke 93. The scores today were: Portland, 182-Holohan, 93; Robert-

son, \$9. San Francisco, 179-Willet, 94; Fisher, 85.

Spokane, 177—Poston, 94; Reid, 83.

The teams shoot at Tacoma temorrow and then lay off until Sunday, when they compete at Aberdeen.
