TO BE RESTORED TO HEALTH

NOT SALTS, OIL OR PILLS BUT CASCARETS

No odds how sick your stomach; how hard your head aches or how bilious—Cascarets make you feel great.

You men and women who somehow can't get feeling right—who have an almost daily headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, are bilious, nervous and irritable. My Cascarets are the only ordered stomach, or have backache and feel all worn out.

Are you keeping clean inside with Cascarets, or medicinal pills? Cascarets every few days with salts, cathartic pills or castor oil? This is important.

Cascarets work while you sleep; cleanse and regulate the stomach; ferment food and foul gases; take the excess bile from the liver and carry it off the system all the decomposed waste matter and poison in the intestines and bowels.

Cascarets tonight will straighten you out by morning—a 10-cent box from any drug store will keep your entire family feeling good for months. Don't forget the children. They love Cascarets because they taste good—good—never gripe or sicken.

Open Events and Sundays.
