## Huge Mill Purchase Munsing Underw'r

Order By Mail

### Over 5000 Sample and Slightly Imperfect Garments

### for Women and Children at About Half

A STORE—and its patrons—can consider it great good fortune when such Underwear as the famous "Munsing" brand, may be bought at the astonishing low prices quoted below!

To maintain their high quality standard on "Munsingwear," the Northwestern Knitting Mills, of Minneapolis, designate as imperfect any garments which bear slight soil stains from the machines, drop stitches and the like. In consideration of our immense regular business, we were favored with the largest part of the Munsing factories' accumulation of samples and irregular garments—over 5000 of them in medium and heavy weights.

Union Suits, Vests and Pants, for women and children—styles for present, Spring and Summer wear. Fine lisle, silk-and-lisle, mercerized and light-weight wool. THE ENTIRE PURCHASE GOES ON SALE AT 8 O'CLOCK THIS MORNING, divided into four lots.

CERTAINTY of savings—backed by over six months of planning! Thousands of miles traveled by experts in going direct to the centers of production. Tremendous carload purchases, just for this sale, hammering prices down to a new low level.

Certainty of Quality—Not a piece of Furniture, a roll of Carpet, a Rug, yard of Drapery Goods or pair of Curtains included in this mammoth February event which do not measure up to the more-than-half-a-century-old quality standard of Meier & Frank. Certainty of Satisfaction—It's a part of every transaction at The Big Store, and doubly important in this sale for the home.
