Stre CLEARED FOR ALBINA DEPOT.— Part of the half-block on Randolph, Rallroad and Goldemith streets is being cleared of all buildings preparaory to the construction of a passenger epot for Albina and North Albina-midlings at the corner of Railroad and Randolph streets were removed some time ago. Now the buildings on Goldsmith street will be removed to clear the entire half block. George Hockenyos, secretary of the Albina Improvement Club, said yesterday that there is no doubt but the depot will be built as promised by the officials of the O.-W. H. & N. Co., but it is not known how large the structure will be. It will be so placed that trains will not extend across Russell street. It has been decided to use Loring and not River street for team tracks, as Loring street will be nearer the main line and cars may be switched tracks, as Loring street will be nearer the main line and cars may be switched and after several months absence adfrom the south. At present there is no track on Loring street, but a single track will be laid. There will be to come to Portland. Since then ample room for handling freight from nothing has been heard of him.

The Vancouver Commercial Club will handle the other commercial Club will handle the other haif of the amount required for the preliminary work. It has not been decided how \$2500 from the Oregon side will be gleaned, but members of the committee may ask the County Court to assist. Several members of the committee will attend a meeting of the Vancouver Commercial Club to consider ways and means. According to estimates made by Waddell & Harrington the bridge will cost about \$1.500. He said that his constituents are desirous of having a supply of pure water and suggested that connection be made by means of a tenting.

STAMPS GOOD ONLY FOR REGISTRY. Registry stamps, recently issued by the Postoffice Department in a new style, have caused considerable confusion as to their direct purpose. Formerly a registry stamp was good for 10 cents postage and the mail to which it was attached would be sent to its destina-tion even if the regular postage was not added. With the new stamps this is not allowed, as they only have value for registration purposes and if the regular postage is not added the mail

The Woderful Kleinsmidt Motion Pictures to Be Seen Again.

For two nights and one afternoon For two nights and one afternoon last week exhibitions were given in this city of the wonderful Kleinsmidt motion pictures of the Arctic, and so sensational an impression did they create among those fortunate enough to see them, that it has been decided to repeat them—this time at Baker Theater for the entire week, starting next Sunday afternoon, and at popular prices—just one-third what they were before. In arranging with Captain Kleinsmidt to show these pictures and give his interesting and amusing talk with them, Manager Baker feels that he is not only permitting his many the effort to compel the Squthern Pacific Company to grant common-users on its East Side lines, where is has opened the territory on its own initiative and has built up the business there I do not regard that as fair, and shall not vote for any such thing."

The Southern Pacific Company is seeking what its representatives designate as an amendment to its existing franchise, which is regarded by them as perpetual. The design is to double-track and electrify that line from the city to Williamstte Valley points. It appears that the subject will be dealt with largely when before the Council of their kind or the hunters, including the tiny Eskimos.
