SUBMITSION.

SubmitSion.

ARE MANY

All for an end protection of the purpose of the parties and selection of the parties and sel the various counties of the state rela-tive to road expenditures, "to the end that a uniform system of accounting may be devised as soon as practicable."

Bond Issue Provided. The other Grange bill provides for issuing bonds for road building by any county or subdivision of a county, on a basis of the assessed valuation of property included in the county or district desiring the improvement. These improvements may be ordered at what is termed a county road meeting, which shall determine the place of beginning and the terminus of the improvement made. When any improvement is to be made. When any improvement is decided upon, a special election shall be held on petition of 10 per cent of the voters of the county, when the question of the issue of bonds shall be decided. The number of special elections that may be held in a county on the question of issuing bonds for this purpose is limited to one in every 12 months.

Other sections of this measure provide methods for issuing, selling and

vide methods for issuing, selling and redeeming bonds. One section express-y provides that the County Court shall have the power to expend all of the funds raised from bond issues for build-ing permanent roads:

The text of the text of the two Grange bills

follows:

A bill for an act, creating the office of State Highway Engineer, defining duties, fixing his salary, providing for the improvement of all roads, any part of which shall be constructed by money procured under the authority of section 10, article XI of the constitution, providing for co-operation between the State Highway Engineer and county officers having charge of county roads and making appropriations to carry out the purpose of this act.

He it enacted by the people of the State of Oregon:

of Oregon:
Section 1. There is hereby created and sexablished a State Highway Department, whose chief officer shall be called the State Highway Engineer. Said State Highway Engineer shall be appointed by the Governor within six months from the passage of this act and shall hold his office for four years, unless sooner removed for cause, Baid Highway Engineer shall be a competent civil engineer, and experienced and shilled in highway construction and main-tynamor.

pecent civil sugmest, and peculiar and maintenance.

Section 2. The Secretary of State is hereby directed to furnish the State Highway Engineer with a suitable office in the Capitol building, where his records shall be kept, and said office shall be kept open at such times as the business of the Engineer shall require. The said Highway Engineer shall require. The said Highway Engineer shall keep a record of all proceedings and orders pertaining to the matters under his directice, and copies of all plans, specifications and estimates submitted to him. Section 3. The State Highway Engineer, when so requested by any County Court in the state, shall prepare plans and specifications and have supervision of the constructions of all reads and bridges, the cost of which shall be paid wholly or in part by fixeds procured by any county under the authority granted by section 10 of article XI of the constitution of the state, and also when requested by the County Court shall have supervision of the construction of all reads any part of which is paid for by the state.

He shall compile statistics relative to the public highways throughout the state, and shall collect all necessary information in regard thereto which he may deem important. He shall investigate and determine upon various misthods of road construction adapted to different sections of the state.

He shall also make a report to the Legislature of this state at each session thereof, which shall full set forth all that has been done by him during the period covered by the report; all money expended by him or under his direction, and all roads that have been constructed under the direction of the Engineer, giving in each instance the number of miles constructed in each country, the kind of material used and cost per mile of construction.

It shall also be his duty to advise on all hids and contracts pestaining to the construction of roads mentioned in this act, and to co-operate in a general way with the several County Courts with a view to making the best possible use of all funds expended upon any public roads.

Section 4. At the end of each month the State Highway Engineer shall prepare a detailed account of his traveling and other expenses for that month, which shall be submitted to the Secretary of Siate for payment. Stutistics to Be Compiled.

be submitted to the Secretary of suppressions. Section S. The State Highway Engineer shall receive an annual salary of \$1600, payable monthly, by the state, and his actual necessary traveling expenses while officially employed. Said Engineer may appoint, if the work of the department requires it, such assistance as may be needed.

Court May Appoint.

Section 6. The County Court shall appoint, subject to the approval of the State Highway Commissioner, a road constructor to supervise the construction of all permanent roads insolitoned in section 3 of this act. Other things being equal, local men shall have the preference of appointment. Said road constructor may be removed at any time for cause by the appointing power. It shall be the duty of the County Court to furnish the State Highway Engineer with such detailed information regarding the character of construction probably needed and such information as will assist the State Highway Engineer in approtree to appointment of a road construction for the particular road in question.

\$400,000 or less, and one delegate for each additional \$400,000 or major fraction thereof.

Representation is Provided.

In counties having an assessed valuation of more than \$50,000,000, the representation from each road district to the county road meeting shall consist of one delegate for each \$1,000,000 or less, and one delegate for each \$1,000,000 or less, and one delegate for each additional \$1,000,000 or major fraction of all assessable property in aforesaid district. A majority of all delegates elected under the provisions of this act shall constitute a quorum to transact business. Section 4. It shall be the duty of the aforesaid county road meeting to determine the place of beginning and terminus of each road to be improved; provided that such improvement shall begin at the market place or places, or a read already permanently improved leading therete; specified as the beginning of such road or roads and continuously extending to the terminus of said road.

And it shall name the amount of money to be expended upon each road. It shall name the amount of honds proposed to be issued, the length of time they shall run and the rate of interest they shall bear, which in no case shall exceed 6 per cent per annum. It shall also determine the kind of material to be used, and may change the maximum grade, as hereinafter provided, shall run. It shall also determine the kind of material to be used, and may change the maximum grade, as hereinafter provided.

Section 5. The county road meeting shall cleet a chairman and secretary. The secretary shall keep an accurate record of the work of the meeting, which shall be certified to by the chairman and three other members. This certified record shall he filed with the County Clerk.

Election Provision Made.

Election Provision Made.

Election Provision Made.

Section 6. If this aforesaid convention determines to issue bonds, the County Court shall call a special election and submit said question to the legal voters of said county, as hereinafter provided.

Esction 7. The petition mentioned in section 6 of this act shall specify the amount of bonds proposed to be issued, the length of time they shall run and the rate of interest they shall run and the rate of interest they shall bear. It shall name the amount of bonds to be issued in each series and the time they shall run. It shall specify in addition therete the beginning and terminus of said road or roads to be permanently improved. It shall name the amount of money to be expended upon each road, the kind of material to be used and any changes desired in the maximum grades. Each petitioner must sign his own name to the petition and his postoffice address must be noted expended by in name. The petition shall

ittion and his postoffice address must be noted opposite his name. The petition shall be in substantially the following form: To the Honorable County Court of ......

County:
We, the undersigned legal voters, respectively. terest at ... per cent per annum; and the funds so raised shall be expended in building permanent roads, described as follows, towit:

dollars (\$ ) shall be spent on the road from to using material on per cent maximum grade, and dollars (\$ mum grade, and dollars (\$ )
shall be expended on the road from
to using material on
maximum grade. Etc., etc.
Name. Postoffice Address.

Petition to Be Filed.

Name. Postoffice Address.

Petition to Be Filed.

Section 5. The petition mentioned in section 6 of this and shall be filed with the County Clerk, and thereafter presented to the County Clerk, and thereafter presented in the court is satisfied that the petition substantially conforms to the requirements of section 7 of this act and contains the names and postoffice addresses of the requisition number of legal voters as required by section 6 of this act, the County Court shall then make an order directing that a special election be held in that county for the purpose specified in the petition at a time to be then fixed by the court, which shall not be more than 40 days after the date of making the order. If the County Court shall determine that the petition does not substantially conform to the requirements of section 7 of this act, it shall make an order deciaring that fact and particularly designating the defects and refuse to order a special election. Within is an days after the outry of such order, any one or more of the petitioners may appeal for the Circuit Court in the same manner as appeals are taken from the County Court in action at law, except that the notice of appeal if not served on the Journal at the time the order is made, shall be served on the County Judge and no appeal bond shall be required. If the Circuit Court upon such appeal shall have ordered an election, that court shall direct the County Court is proceed as it had declared the proceedings sufficient. If upon such an appeal from this decision. Section 9. Whethever a special election is ordered, as provided in this act, the County Court was correct, it shall make an order affirming the judgment of the County Court shall decide that the judgment of the County Court was correct, it shall make an order affirming the judgment of the County Court was correct, it shall make an order affirming the judgment of describe the beginning and terminus or such road or roads to be permanently im-proved. They shall also name the amount of money to be expended, the kind of ma-terial to be used and the maximum grade, on each of said roads. These notices shall be posted at least 20 days before the date of election and shall be in substantially the following form:

any time for cause by the appointing power. It shall be the duty of the County Court to furnish the State Highway Engineer with such detailed information regarding the character of construction probabily needed was such information as will assist the State Highway Engineer in approving the appointment of a road construction for the particular result in question.

Section 7. The Boad Supervisory, County Courts of any county, and all other officers who now or may hereafter have by law as case and supervision of the public highway are cuivers and bridges, shall, from time to time, upon the written request of the male and country pupils. They would be the means of inspiring many young people to look upon farm tife as the deal life. Today the impression to the amount of the public highway country, and all other officers who now or may hereafter have by law are call referenced by the country shall be expended in building permanent one country pupils. They would be the means of inspiring many young people to look upon farm tife as the deal life. Today the impression young people that tillers of the smount of the pupils should be the means of inspiring many young beople to look upon farm tife as the deal life. Today the impression young people that tillers of the smount of the pupils should be the means of inspiring many young tides the means of inspiring many young beople to look upon farm tife as the deal life. Today the impression young people that tillers of the smount of the pupils should be the means of inspiring many young beople to look upon farm tife as the deal life. Today the impression young people that tillers of the smount of the amount of the pupils should be the means of inspiring many young beople to look upon farm tife as the deal life. Today the impression of the people to look upon farm tife as the feel in the county shall be superise of the smount of the amount of the amount of the amount of the amount of the people that tillers of the soil are feelbear. The school girls garden contest that there i

deposited shall be forfeited and placed to the credit of the county general road fund. The checks of all bidders shall be returned after the bunds have been sold.

Section 15. No money received from the sale of bonds shall be expended on any grade exceeding 5 per cent unless otherwise ordered by the county road meeting, as per section 4 of this agt.

Section 16. All the money obtained under the provisions of this act shall be used in constructing permanent roads under direct supervision of a competent and practical roadbuilder appointed by the County Court, and said appointment must be approved by the State Highway Engineer if there be one, but such supervising officer shall have nothing to do with the sejection of the road or roads to be improved.

Section 17. The County Court of any county which has voted bends for the building of permanent roads shall advertise for bids in one, and not in more than two newspapers, published in the county, for the construction of said road or roads, as described in the notices of the election and as per instructions of section 9. It shall also be the duty of the County Court in each county voting road bonds to have prepared by County Surveyor or some competent road engineer, detailed specifications and contracts must be approved by the State Highway Engineer, if there be one, and shall have free access to them before making a Md.

Each bidder shall deposit with his bid a certified check for an amount equal to per cent of the amount of his bid. Should the bidder to whom the contract la awarded fall to enter into a contract and furnish the bonds as provided for in this act within 10 days after the notice of such award, the amount of such check shall become forfeited and credited to the county general road fund. The checks of all unsuccessful bidders shall be returned after the contract is awarded and a bond given.

Section 15. The County Courts who have

awarded and a bond given.

Lowest Bidder Gets Contract.

Section 13. The County Courts who have advertised for bids on road construction under provision of this act, must award the contract to the lowest responsible hidder. Provided, if in their judgment the bid is too high they shall have the right to reject any or all bids and shall immediately proceed to readvertise for bids, in the same manner as per instructions of section 17. If after this the County Court is of the opinion the bids are still too high, they shall then have the power to execute the work under their own supervision in accordance with the plans and specifications prepared therefor.

Section 19. All County Courts working under provisions of this act shall require all contractors to give a good and anti-

under provisions of this act shall require all contractors to give a good and suf-ficient bend for the completion of their work, as entered into by written contract with

as entered into by written contract with the County Court.

Section 20. No county bond issued under the provisions of this act shall be sold for less than the par value thereof.

Section 21. The aforesaid county bonds shall be issued in such denominations as the purchaser may desire, provided that no bond shall be issued for less than twenty-five (\$25.00) dollars.

Section 22. The county Courts shall have the power to expend all funds derived under provisions of this act in accordance with aforesaid instructions; provided, if there he a surplus remaining after any specified road has been improved, said fund shall be applied toward the payment of the first bonds becoming due.

Section 23. The County Courts are hereby empowered to make all necessary tax levies to meet the obligations made in accordance with this act.

Section 24. Any acts, or parts of acts, in conflict with this act are hereby repealed.

G. W. HENDERSON SPEAKS TO REALTY BOARD MEMBERS.

Adoption of Agricultural Educational Department in City and County Schools Suggested.

Adoption by both city and county schools in the state of a farm educational department was advocated in an address given by G. W. Henderson. principal of the Ockley Green school, before the Portland Realty Board yes-

terday. . Mr. Henderson said that one of the greatest factors in the future develop-ment of lands would be the introduc-tion of new principles in the educational system by which young men would recognize the advantages of farm life over those offered in the crowded cities. The speaker said that

crowded cities. The speaker said that under the present public school system the attention of young men is directed solely to persuits of city life.

"The great problem today is to improve and settle the lands," said Mr. Henderson. "We must adopt some plan by which we can show young men that they will have better advantages on the farm. Every other walk in life is crowded. We must make the young people see that country life is the proper life to live. One of the steps towards this end would be the establishment of agricultural high schools in each country and teach modern principles of agriculture and horticulture. ciples of agriculture and horticulture. These schools would be open to both city and country pupils. They would

## BACKACHE

But a Symptom, a Danger Signal Which Every Woman Should Heed.

Backache is a symptom of organic weakness or derangement. If you have backache don't neglect it. To get per-manent relief you must reach the root of the trouble. Read about Mrs. Woodall's experience. Morton's Gap, Kentucky. - 'I suffered

two years with female disorders, my health was very bad

and I had a continual backache which was simply awful. I could not stand on my feet long enough to cook a meal's victuals without my back nearly killing me, and I would have such dragging sensa-tions I could hardly bear it. I had sore-

ness in each side, could not stand tight clothing, and was irregular. I was completely run down. On advice I took Lydia E. Pinkham's Vegetable Compound and am enjoying good health. It is now more than two years and I have not had an ache or pain since. I do al my own work, washing and everything, and never have backache any more. I think your medicine is grand and I praise it to all my neighbors. If you think my testimony will help others you may pub-lish it."—Mrs. OLLIE WOODALL, Mor-

ton's Gap, Kentucky.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

lots with flower beds, gardens and trees also ought to be encouraged."
William Campbell, of the Northwest
Development League, addressed the
board and reviewed the work of that

COUNTY INVITES INQUIRY

Judge and Commissioners Ask Grand

Jury to Delve.

County Judge Cleeton and County Commissioners Lightner and Hart went before the grand jury yesterday after-non to urge that body to accept the recommendation of its predecessor and make a complete investigation of county affairs, paying particular attention to the construction of the new Courthouse, the purchase of supplies for Multnomah Farm, the sale of county property, and the system of accounting maintained to keep check on road ex-penditures.

These were the subjects on which the

County Court was criticised by the January grand jury in a report re-turned February 3. The County Court's members were closeted with the jury for two or three hours. Following the conference Judge Cleeton said:

"We told the jurors that we did not wish a whitewash, but that we wanted them to go into the subject carefully and thoroughly, and offered to provide them any asistance they might deem necessary." necessary."

Judge Cleeton says he has heard

nothing as yet of the appointment of an expert by Governor West, a respon-

MODERN METHODS I am positively the only specialist in Portland that publishes his own photograph, personaly conducts and manages his own office, and consults with and treats all his own patients. I have more qualifications and experience than any other specialist advertising in this city.

Every man calling at my office is assured of my personal and individual treatment until a cure is effected. My fees are one-fourth that exacted by the various "medical companies," institutes and museums." Be sure to consult me before treating elsewhere.

No Detention From Occupation, Family or Home

DR. A. G. SMITH, THE LEADING SPECIALIST.

THE LEADING SPECIALIST.

I am a registered and licensed physician, confining my special practice to the allments of MEN. I have more money invested in my establishment than all other Portland specialists combined, and I will give \$500 to any charity if I cannot show this is true.

I publish my true photograph, correct name, personally conduct my office. I am the most successful and reliable, as medical credentials and press records prove. I make this estatement so that you will know you consuit a true specialist, who sees and treats patients personally. I possess EXPERT skill and experience, acquired in such a way that no other can share.

To all men who are sick and in trouble; to the men who feel they have lost the energy of youth, and that the strength they ought to have has been sapped from them; to those who are not sick enough to be abed but feel they must use all their will power to force themselves even to their everyday tasks—to all these I have a special message of hope and cheer. I can cure that lame and aching back. I can restore the justice to the dimmed sys; I can make you realize that the youth of yesterday has not be en buried in an age of several decades, and that your pitiful condition is now due only to damaged health. This health can be restored if you will act now. Come today, or the stage of neglect may get just past the stage that is curable.

WRITTEN GUARANTEE—Dr. Smit or no pay for services. I guarantee
