GOAT AWAITING SIX

Elks and Admen Shiver Over
Joining Seattle Ben Bits.

PARTY TO GO ON SPECIAL

necessary to engage in personal contact with this bug. The ordeals experienced in contact with his bugship are said by those who have "Ben Bit" to be terrible, torturous and trying. So there is ample cause for the wavering attitude of the Portland sextet, the first three of whom, if they survive, will represent the Portland Elks, and the last the Seattle Post. It will be their duty from the time they are declared members until June 30 to couple the Seattle Post with the Elks' National reunion in Portland and the Portland Rose Festival as the greatest events ever arranged for the Pacific Coast.

Convention to Be "Booster."

The prime object of the special train trip to Seattle is to carry the news of the Great Elks' convention in proper force to Puget Sound and to invite the entire population of that city to accompany the week-long July 8 to 13. The Seattle Ad Club conducted a similar excursion to Portland a few weeks ago and thoroughly advertised the Post. Now the Elks want to show Seattle that the coming of 60,000 members of their order to the Northwest will be an event in which even Seattle may take an active interest. The Portland admen have been aroused to a high pitch of enthusiasm over the forthcoming reunion and will back up any statement they make regarding it. That's the reason they have joined with the lodgemen in their excursion plans.

Special Now Needed.

At first it was intended to engage a special sleeping car to accommodate the party, but reservations began to pour in so fast that two cars were ordered. C. H. Moore, of the telephone force, called up admen over the phone yesterday and coaxed them to join the crowd. As a result more than 100 round-trip tickets had been sold last night, and a special train will be required. It will leave the Union Depot over the O-W. R. & N. tracks at midnight, Monday, and returning leave over the Northern Pacific tracks at midnight Tuesday, arriving here Wednesday morning. The programme for the day in Seattle is in the hands of the Seattle Ad Club and the Seattle lodge of Elks.

Portland will provide much of the oratorical thunder at the Seattle end of the line. Besides Tom Richardson and George Hyland, the list of speakers includes C. H. Henry, "Fike" Davis, K. K. Kubli, Gus C. Moser, D. Solis Cohen and a few others. It is probable that fully 150 will be in the party.

After the show—Hotel Multnomah.

VOTE ON LINES LOOMS

KELLAHER WOULD PUT COMMON-USER UP TO PEOPLE.

President of East Side Club Before Street Committee Fights Delay, Makes Threat.

Dan Kellaher, president of the East Side Business Men's Club, strongly intimated yesterday afternoon, before the street committee of the City Council, that he and his associates will carry the proposed common-user ordinance to Portland to enjoy the festivities of the week—July 8 to 13. The Seattle Ad Club conducted a similar excursion to Portland a few weeks ago and thoroughly advertised the Post. Now the Elks want to show Seattle that the coming of 60,000 members of their order to the Northwest will be an event in which even Seattle may take an active interest. The Portland admen have been aroused to a high pitch of enthusiasm over the forthcoming reunion and will back up any statement they make regarding it. YOUR SOUR, GASSY, UPSET STOMACH WILL FEEL FINE IN FIVE MINUTES

Indigestion and All Other Stomach Distress Goes After Taking a Little Diapepsin.

You can eat anything your stomach craves without fear of indigestion or dyspepsia, or that your food will ferment or sour on your stomach, if you will take a little Diapepsin occasionally.

Your meals will taste good, and anything you eat will be digested; nothing can ferment or turn into acid or poison or stomach gas, which causes Belching, Distress, a feeling of fullness after eating, Nausea, Indigestion (a lump of lead in stomach), Bloating, Heartburn, Water brash, pain in stomach and intestine or other symptoms.

Headaches from the stomach are absolutely unknown where this effective remedy is used. Diapepsin really does all the work of a healthy stomach. It gets a large 60-cent case of Pape's Diapepsin from your druggist and start taking now, and in a little while you will actually brag about your healthy stomach. For you then can eat anything and everything you want without the slightest discomfort or misery, and every particle of impurity and Gas that is in your stomach and intestine is going to be carried away without the use of laxatives or any other assistance.

Should you at this moment be suffering from indigestion or any stomach disorder, you can get relief within five minutes.

KEEPS YOUR HAIR FROM FALLING OUT AND DISSOLVES ALL DANDRUFF AT ONCE

Your Hair Appears Soft, Lustrous, Fluffy and Abundant After Using a Little Danderine.

What causes Dandruff, itchy scalp and falling hair? Who cares—so long as Danderine overcomes this—and it does, and quickly, too—it does more, it grows hair and we can prove it.

Try as you will, after an application of Danderine, you cannot find a single trace of dandruff or a loose or falling hair and your scalp will not itch, but what will please you most, will be after a few weeks' use, when you will actually see new hair, fine and downy at first—yes—but really new hair—sprouting all over the scalp.

A little Danderine now will immediately double the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and wavy and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove to yourself tonight—now—that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that all—your surely can have beautiful hair and lots of it if you will just try a little Danderine.

THE BLESSING OF MOTHERHOOD

Healthy Mothers and Children Make Happy Homes

Motherhood is woman's highest sphere in life. It is the fruition of her dearest hopes and greatest desires; yet thousands of noble women through some derangement have been denied this blessing.

In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong. San Antonio, Texas.—"To all women who desire to have children in their homes and to be well and happy I recommend Lydia E. Pinkham's Vegetable Compound. I suffered from a displacement and other female weakness. Lydia E. Pinkham's Vegetable Compound was the only remedy that ever helped me, and now I am a happy mother and highly recommend your medicine to all my friends."—Mrs. A. B. MARTINEZ, 121 S. Laredo St., San Antonio, Texas.

Brooklyn, N.Y.—"I was ailing all the time and did not know what the matter was. I wanted a baby but my health would not permit it. I was nervous, my side ached and I was all run down. I heard that Lydia E. Pinkham's Vegetable Compound was good and took the medicine. I have now a beautiful baby and your Compound has helped me in every way."—Mrs. J. J. STEWART, 299 Humboldt St., Brooklyn, N.Y.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
