

# PERKINS HASTILY VISITS ROOSEVELT

### Stories of Harvester Trust Activity Renewed as Result of Call.

## COLONEL "FIGHTING MAD"

Statement Given Out at Mincola Declares Opponents Would Act as They Are Doing if Bent on Wrecking Party.

DETROIT, Mich., March 7.—George W. Perkins, former partner of J. P. Morgan, said a mysterious visit to Theodore Roosevelt here Wednesday.

Mr. Perkins' supposed activity in behalf of Colonel Roosevelt and his connection with the International Harvester Company have furnished campaign material for the Colonel's opponents since he declared himself as willing to accept the nomination.

Perkins slipped inconspicuously into the city late in the afternoon. All that was seen in the village was a high-powered limousine which sped through the snow at such a clip that no one could tell who was within. The New York financier remained only a short time at Sagamore Hill before starting on the return trip to New York.

All that Colonel Roosevelt would say of the visit was that Mr. Perkins came as the bearer of a message from Senator Dixon, the Colonel's campaign manager. The Colonel added that he would say nothing else in regard to Mr. Perkins' visit. Later in the evening he said he might receive another message from Senator Dixon, but he declared in advance that if such a message came he would have nothing to say about it.

### Harvester Support Charged.

On March 2 dispatches from the West appeared in the newspapers alleging that La Follette supporters in North Dakota were turning from Roosevelt and supporting La Follette because of the connection of Mr. Perkins and Merrill McCormick, of Chicago, with the International Harvester Company. McCormick has been one of the leaders in the Roosevelt movement and managed the Roosevelt campaign at Washington before Senator Dixon took charge. Mr. Perkins is chairman of the finance committee of the International Harvester Company and a director of the United States Steel Corporation. When the Western dispatches were shown to Colonel Roosevelt he merely laughed as though he thought the subject not worthy of comment. The Colonel has been quiet in the past as having said that whatever Mr. Perkins did in his behalf was done for no other reason than Mr. Perkins' personal friendship for him.

## PERKINS ACTS AS MESSENGER

### Admits Carrying Message to Roosevelt for Senator Dixon.

NEW YORK, March 7.—When George W. Perkins reached his home in New York last night he refused even to admit that he had visited Colonel Roosevelt at Oyster Bay yesterday afternoon.

"I will not answer that or any other question bearing on politics," said the financier when asked if he had just returned from the ex-President's home. "Does that mean you did not see Colonel Roosevelt today?"

"I will not answer that question," he said.

When it was suggested to Mr. Perkins that an explanation of the purpose of his visit would obviate speculation, he said:

"I have had numerous requests for political interviews from newspapers and men, but when I have anything to say I will make a formal statement."

Later Mr. Perkins said:

"Yes, I did go down to Oyster Bay today to carry a message to Colonel Roosevelt from Senator Dixon. The senator called to see me earlier in the day and I simply acted for him in the matter. I went down to Oyster Bay, left the envelope and came back. I did not have any conference with Colonel Roosevelt. I was there only a few minutes. No, I will not discuss the message. It is not for me to add anything to what Colonel Roosevelt may have said about it."

Mr. Perkins was asked whether he had a conference with Senator Dixon last night.

"That's all I will say," he replied.

## EASTERLY MAY BE JUDGE

### Should Gantenbein Resign, Governor to Name Democrat.

SALISBURY, Oe., March 7.—(Special.)—H. M. Easterly, of Portland, will probably be the appointee of Governor West to succeed J. G. Gantenbein on the circuit bench, department No. 4, Multnomah County, in event Judge Gantenbein resigns.

The Governor would not discuss the situation tonight in the light of the fact that no resignation had been received from Judge Gantenbein, but Judge Gantenbein is expected to resign from the bench in the case for Representative in Congress from the third district and his resignation as Circuit Judge is not impossible.

Mr. Easterly is a Democrat and is associated with H. W. Montgomery in the practice of law. He was appointed some time by Governor West as a member of the Port of Portland Commission.

## WILDE IS WELCOMED HOME

### San Diego Neighbors Glad He Was Vindicated in Oregon.

SAN DIEGO, Cal., March 7.—Louis J. Wilde, banker, is back in his home in San Diego after an absence of six weeks as a result of his arrest here yesterday last night and throughout the day his offices and home were crowded with friends who gathered to welcome his return and congratulate him on the vindication of the charges preferred against him in Oregon.

While announced today that he would erect two large business buildings here.

## FARM IS WORLD PROBLEM

### Samuel Hill Says Country Must Be Made Attractive.

"That the problem of having people go back to the land can only be

solved by providing good roads, telephones, good schools, rural delivery, was the declaration of Samuel Hill, pioneer in the good-roads movement in the Pacific Northwest, in an address delivered Wednesday night in West-Portland Presbyterian Church, dealing with the building of highways.

He pointed out that between the years 1870 and 1900 the proportion of the population engaged in agricultural pursuits had been reduced one-half. This, he declared, was one explanation of the high cost of living. He said the problem of getting people back on the farm had been a national one, but is one with which the whole world is called to deal. To keep people on the land, he asserted, required that they should not only have improved facilities, but that they should have markets for their products. Good roads cover which to haul these products were shown by the

### Such Is Report of General's Fate From Quito, Ecuador.

### END COMES IN UPRISING

### First Rumor Says ex-President of Venezuela Was Assassinated but Second Relates He Was Killed at Head of Police Force.

GUAYAQUIL, Ecuador, March 7.—It is reported that General Andrade, ex-President of Ecuador, was killed at the head of the police while trying to quell a revolutionary movement on Quito, and not assassinated, as first reported. General Andrade was Military Commander of Guayaquil.

General Andrade was the chief figure in the suppression of the recent revolution in Ecuador, after the death of President Estrada. He took command of the army supporting the Quito government, which favored General Leonidas Plaza, who took over the reins of government on President Estrada's death.

On several occasions he met and defeated the insurgent army under General Flavio Alfaro, which supported the claims of General Montero, and finally suppressed the revolution by capturing Guayaquil. General Andrade was tried by court-martial at Guayaquil and then dragged into the streets, beheaded and burned by the angry populace.

## CLARK ROAD IS APPROVED

### Over \$13,000 to Be Spent to Make Highway Most Modern.

VANCOUVER, Wash., March 7.—(Special.)—The State Highway Commissioner in Olympia today approved the plans for the improvement of 1.5 miles of state road to be built on the Fourth Plain, past the Clark County Fair Grounds, at a cost, estimated by J. J. Finley, County Engineer, of \$13,000.

This road, when completed, will connect up other state-aid roads, so that there will be a stretch of at least six miles. It will be 16 feet wide and covered 16 feet wide, seven inches deep, with gravel, and later will be oiled.

In the funds for this purpose Clark County has a balance of about \$16,000, which is to be expended this year. The plans and specifications, which were approved today, will reach the County Commissioners tomorrow, when they will order the advertisement for bids for the construction of the road. This road extends from the city limits to the Jansy road, and from state-aid road No. 7 to Orchard. This will be the last fund expended for the road, which has been having become effective since the recent session of the Legislature.

Under the new law the state gives 50 per cent to improve certain roads, the county 20 per cent, and the remainder is made up by the property holders along the road. The cost of the road is \$13,000, and the county is to pay 5 per cent, and so on.

## APPLE GRADES RAISED

### REFERENCE TO BOX WILL BE OMITTED FROM BILL.

### Eastern Commission Men Agree to Compromise—West Will Win Contention as to Quality.

OREGONIAN NEWS BUREAU, Washington, March 7.—Northwestern apple-growers who are here to oppose the Sulzer apple-box bill had a conference today with the Eastern commission men, who are back of the Sulzer bill, and reached a compromise which will result in cutting out of the bill all reference to apple boxes and baskets and confining it exclusively to barrels. The bill, however, will retain the provisions fixing the grades of apples, but Eastern interests have succeeded in the demand of Western growers and will consent to fix grades somewhat above that proposed by the Sulzer bill in order that the best Western fruit will not be forced into market on the same plane with inferior apples.

Details of the grading features of the bill are not yet definitely decided upon, but Western men feel satisfied they will get what they want. It was agreed, however, that the Eastern men were not willing at this time to accept the Oregon box as a standard, to omit the regulation of the shape of boxes until the next session, when an effort will be made to get together.

Eastern merchants are yielding somewhat in their objection to the Oregon box, and W. K. Newell, head of Oregon delegates, said today he had strong hope that ultimately the Oregon box would be made the standard.

The question will be formally discussed before the House committee tomorrow. The only complaint whose also will be fixed will be fixed, which has been discussed by the Western apple-growers.

# GROUP QUICKLY CURED BY Chamberlain's Cough Remedy.

MRS. ELIZABETH STARETT.

I am pleased to state that I have used Chamberlain's Cough Remedy in my family for years and it has never failed to relieve. When my children were young and subject to croup, I always kept a bottle of it on hand, and it produced vomiting in just a few minutes, and then there was no more trouble. As all of my children were subject to croup, I certainly should have felt lost without Chamberlain's Cough Remedy. It is also infallible for a cold and will relieve a cough in a very few minutes. Chamberlain's Cough Remedy deserves the confidence and patronage of the people.—MRS. ELIZABETH STARETT, Denver, Colo.

The big Dewey Palace Hotel of Nampa, Idaho, will close its doors next Saturday, mainly because of the fact that the city and county in which it is located is operating under the local option law and is "dry." E. H. Dewey, wealthy mining man, railroad builder and capitalist, owner of the hotel, is doing but close up shop. That will be done next Saturday. When Nampa goes "wet" or Boise goes "dry," the Dewey Palace will be reopened.

# ROOSEVELT IS JUROR

### EXPERIENCE IS NEW ONE FOR EX-PRESIDENT.

### Camera Men Trail Colonel to Courtroom—He's Hard to Smile and Look Pleasant All Time, He Says.

MINEOLA, N. Y., March 7.—For the first time in his life Theodore Roosevelt served today as a juror, for which Roosevelt would be called to sit in a case today, but jurors were not excused. Roosevelt accordingly put in the time in the grand jury room, where he settled down in a chair with a book.

Roosevelt was asked whether or not he would comment upon Secretary Slim, who's speech in Chicago last night in support of Mr. Taft.

"I don't care to say anything about that," he replied.

The Colonel was somewhat annoyed at the persistent attention of the camera squad that followed him at every step.

"It's awfully hard," he said, "to smile and look pleasant when your picture is taken so often."

After spending several hours in the courtroom, Colonel Roosevelt was told Judge Putnam had excused the jurors for the rest of the day. He departed at once for Oyster Bay.
