\$12 Flower Hats \$5
The Biggest Hit of the Season
Friday and Saturday Only

Daintily designed and artistically executed hats of violets, wistaria, small roses with clinging rose vines—hats of soft gray poppies and hats of bright red poppies, sweet pea hats in many different colors—trimmed at the back or side with contrasting shot taffeta, maline or velvet and lace in smart bows and loops, which give the hat a jaunty finishing touch.

These hats are just right for all kinds of wear—they are most suitable for evening dress occasions—well adapted for wear in the afternoons and in the early Summer.

All these attractive hats have been made in our own workrooms—many being exact reproductions of European models.

We venture to say that this unheard-of low price will bring in the largest crowd of customers of the season.

The little price and the beauty of the hats will be the magnets. Hats as stylish—as well made—as of such good materials as these cannot be duplicated elsewhere for less than \$10.00 or \$12.00.

Friday and Saturday Only \$5.00
