Members of the Commercial Club will be entertained at the "home-coming dinner" of the delegates on the Panama-Pacific excursion in the club dining-room tonight, and the principal feature of the entertainment will be the exhibition of moving-picture films showing the more important events of the trip.
"Oregon First" the son who was born Monday to the wife of H. L. Wilson, electrician on the special Oregon train to San Francisco, was the recipient of a purse of \$20, a large box of flowers, and a rose tree in a pot from the members of the "Oregon First" party yesterday. Mr. Wilson yesterday expressed his appreciation of the kind thought of the Oregon party in thus celebrating the birth of his son. The name "Oregon First" was given to the child when the telegram announcing its arrival was read by the father just before the special train reached Portland. Whether this will become the permanent name will rest with Mrs. Wilson. The Wilson family lives at 125 Rodney avenue and Mr. Wilson is in the service of the O.-W. R. & N. Company.

MRS. DUNIWAY IMPROVING
Noted Oregon Suffrage Leader Is Recovering Health.
The physicians attending Mrs. Abigail Scott Duniway, whose condition due to the blood poisoning has been quite critical at times during the last fortnight, announce steady improvement in her case during the past few days and, barring further and at present unexpected complications, assure her friends of her ultimate recovery.
She has expressed the wish throughout her illness to survive until after November 6, at which time she confidently expects to see woman suffrage in Oregon carried to the polls.
