Madison, Wis., a personal and political friend of Senator La Follette and Frank H. Walker, prominent among Spokane progressive and one of the drafters of the new city charter, today issued a call for a meeting to organize a La Follette Club in Spokane.

The meeting is called for Saturday night. It is intended to gather a number of local Republicans who favor La Follette and form at least the nucleus of an organization. Whether an attempt will be made to organize Eastern Washington for La Follette will not be determined until after communication with National La Follette headquarters.

Whether La Follette's trip to Washington may be interpreted as an attempt to include this state among those which will attempt to get delegates, is not known.

"It is my honest belief," said Mr. Hutchinson today, "that if a Presidential primary was to be held in the state of Washington today, results would be much the same as those in North Dakota. I believe La Follette would poll more votes than Roosevelt and Taft together."

PENSION IS SUGGESTED

SEPARATION OF MOTHERS AND CHILDREN OPPOSED.

Idea Offered as Alternative at Congress of Mothers—Child Labor Laws Inadequate.

ST. LOUIS, March 21.—Pensioning of widowed and deserted mothers, rather than placing their children in charitable institutions, was urged by Miss Mary E. Garrett, chairman of the department of legislation, in an address before the National Congress of mothers today.

Miss Garrett, who is connected with the Probation Association and Juvenile Court of Philadelphia, spoke in favor of the bill for the establishment of a Federal children's bureau. The measure has passed the United States Senate.

CLATSOP CASE IMPORTANT

Whether County Can Assess and Levy Certain Taxes Arises.

SALEM, Or., March 21.—(Special.)—Whether a county can assess and levy taxes against a foreign corporation which makes its headquarters in that county is a question which was argued before the Supreme Court yesterday and from the nature of the case the opinion is liable to be one of considerable import.

The case in question was brought here from Clatsop County and involves the Callender Navigation Company, which is incorporated under the laws of Washington, but handles the lion's share of its business out of Astoria.

A LITTLE SAGE AND SULPHUR MAKES THE GRAY HAIR VANISH

A Harmless Way to Darken Hair; Simple Remedy for All Hair Troubles.

Who does not know the value of Sage and Sulphur for keeping the hair dark, soft and glossy and in good condition? As a matter of fact, Sulphur is a natural element of hair, and a deficiency of it in the hair is held by many scalp specialists to be connected with loss of color and vitality of the hair. Unquestionably, there is no better remedy for hair and scalp troubles, especially premature grayness, than Sage and Sulphur, if properly prepared.

The Wyeth Chemical Company of New York put out an ideal preparation of this kind, called Wyeth's Sage and Sulphur Hair Remedy. In which Sage and Sulphur are combined with other valuable remedies for keeping the hair and scalp in clean, healthy condition.

If your hair is losing its color or constantly coming out, or if you are troubled with dandruff or dry, itchy scalp, get a fifty-cent bottle of Wyeth's Sage and Sulphur from your druggist, use it according to the simple directions, and see what a difference a few days' treatment will make in the appearance of your hair.

All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented. Special agent, Owl Drug Co.
