WEATHER REPORT: FAIR AND WARMER.

THE MEIER & FRANK CO., 5th, 6th, Morrison and Alder Sts.

"Your \$15 Suits Are Marvelous Values," a Maker Said!

ONE of the biggest Clothing manufacturers in America was in Portland a few days ago. His line is nationally known—whole pages in the Saturday Evening Post and other magazines tell of the merits.

The exclamation which we've made our headline above came while our clothing chief was showing him our line of \$15 Suits.

"Portland men will, sooner or later, find out what wonderful quality you have put in Suits at \$15," he continued.

We sell this maker's line, with a half dozen other celebrated makes of clothing, under the Meier & Frank label. Our immense showing is composed of the best from each line. Several of these famous makes, with the manufacturer's name upon them, sell at \$5 to \$10 more the suit right here in Portland.

Scores of beautiful patterns and weaves at \$15, from the conservative salt-and-pepper grays to handsome invisible and pin-striped blues. Rich Scotch effects, basket weaves, unfinished worsteds and cassimeres.

Still greater selection at \$20 and \$25, embracing every new weave and coloring men might ask for. Every Suit is all wool, proven so by the acid test. Every Suit is hand-tailored with unbreakable hair-cloth fronts, hand-worked buttonholes, non-sagging pockets and the other details so often omitted which make for smartness and satisfaction in clothing.

By comparison, prove for yourself today the unmatched values we offer in Men's Suits.
