"Lady Midst the Strawberries."

This section of Clatsop County is the most productive part of Columbia River Valley. It is land on which is raised every kind or class of vegetables and fruit.

Surrounding farmers are prosperous and happy.

Astoria Chamber of Commerce says:

"On logged-off and other lands all kinds of berries yield big profits. 250 crates of loganberries have been taken from one acre and sold at \$3 per crate. Loganberries yield as high as 350 crates to the acre and blackberries produce as high as 8 tons to the acre."

Grass grows green 12 months in the year.

Why not take advantage of it and secure a little home place?

You don't have to worry about rent.

There is wood to last fifty years.

Chickens do better than in any other district in the valley. You raise your own chicken feed.

Own your own cows and have fresh milk and butter.

Don't hesitate. Don't delay. Come in the office and see photographs of land and surroundings.

Office open every evening until 9 o'clock.

Lafferty Is Congratulated

PRAISE FROM SPEAKER CLARK, BORAH AND CHAMBERLAIN

Support of National Leaders at Washington Makes Petty Mud-slingers Look Sick

A. W. LAFFERTY, Oregon's Progressive Congressman.

The extraordinary work of Representative A. W. Lafferty in procuring the passage through the House of the three-year homestead bill, with a five months' leave of absence each year, has brought in Oregon's young Congressman hearty letters of congratulation from leading men in the Senate and House.

SENATOR BORAH'S LETTER.

"United States Senate, Washington, D. C., April 4, 1912. My dear Lafferty—I congratulate you and thank you for the good work which you did in helping to put the three-year homestead bill through.

SENATOR CHAMBERLAIN'S LETTER.

"United States Senate, Washington, D. C., April 5, 1912. Honorable A. W. Lafferty, House of Representatives, Washington, D. C.—The three-year homestead bill is now in conference, and having been appointed one of the conferees, I will do the best I can to come to an agreement which will be satisfactory to both the House and Senate as well as to the homesteaders in the West, who have suffered for lack of legislation to remove some of the burdens which have been imposed upon them by law.

SPEAKER CLARK'S LETTER.

"The Speaker's Room, House of Representatives, Washington, D. C., April 4, 1912. Honorable A. W. Lafferty, M. C., House of Representatives, Washington, D. C.—Dear Lafferty—I want to congratulate you on the good work you have done toward getting the three-year homestead law through the House. This will be a great benefit to the country in helping to keep our good citizens in this country instead of having them emigrate into Canada. The people of the West should feel that in you they have a friend who always has their interests at heart.

CATARRH

The Enemy of Mankind

Sprays, Douches, Ointments Snuffs and Stomach Dosing Have All Failed to Cure It.

Catarrh is a vile and disgusting disease because its revolting symptoms cannot be hidden.

Many people despair of ever getting rid of catarrh, but if they will go about it in earnest they can stop the discharge in a few days, banish snuffles, hawking and spitting.

To end the misery of catarrh, breathe HYOMEI. Get a complete outfit today and see how quickly catarrh can be conquered with the soothing, healing antiseptic air of the Eucalyptus forests of Australia.

A HYOMEI outfit (bottle of HYOMEI and hard rubber inhaler) costs \$1.00. Pour a few drops into the inhaler and breathe it; that's all you have to do. Breathe it five or six times a day and watch the symptoms of catarrh disappear one by one. HYOMEI is a tried and true remedy for catarrh, coughs, colds, croup and catarrhal deafness. For sale by druggists everywhere. Extra bottles if needed, 50 cents.

1/2 Glass before Breakfast tones up the stomach, clears the head and does you good.
