T. R. WIRES TO OREGON VOTERS "No Midway Course" Says Colonel Roosevelt Either a Reactionary or Teddy Will Be Nominated—Taft's Managers Know This and Would Defeat End. Theodore Roosevelt has addressed a special message to the people of Oregon. It was wired yesterday from Fremont, Neb., to former United States Senator F. W. Mulkey, National Roosevelt committeeman. Here it is: FREMONT, Neb., April 17. I greatly regret that I am unable to speak in Oregon. As that is impossible, owing to my engagements in Nebraska and Kansas, I send this message of greeting to the progressives of Oregon. In this fight the votes of Illinois and Pennsylvania have made clear beyond the shadow of a doubt what had become fairly clear two months ago, namely, that the contest is exclusively between the reactionaries who are supporting Mr. Taft and myself. Either a reactionary will be nominated or I will be nominated. No Midway Course. There is no midway course. Mr. Taft's managers know this well, and in Oregon as well as elsewhere are encouraging every division in the progressive ranks, with the vain hope of damaging me. I am very certain, in view of the way things are now going, that we shall be able to win a progressive victory. I shall greatly regret if the state of Oregon, which has taken so prominent a place in leading the progressive movement, should now fail to record itself on the progressive side. Let me again call your attention to what has happened in the great states of Pennsylvania and Illinois. In both of these states the progressives of Maine and of Oklahoma have supported either will be nominated by the Chicago Convention, or else some man chosen by the bosses of the stamp of Messrs. Aldrich, Guggenheim, Tawney and Cannon will be nominated. Fight is Progressive. The fight is between these two forces, and in Oregon the hope of the Taft people rests purely in nominating any division which they think will interfere with the movement for me and the progressive cause, as the progressive cause is understood from the Atlantic to the Pacific. I am fighting for the progressive cause everywhere, in Maine and Maryland, exactly as in Washington, Oregon and California. I believe we will win anyhow, but I shall be sorry if we have to win without Oregon's help. THEODORE ROOSEVELT. (Paid Advertisement.)
