ONE of the most unique and interesting Store Events of the season finds its termination with the closing of the doors tonight at 9:30!

The Meier & Frank Store has demonstrated conclusively to its thousands of loyal friends and patrons that nowhere in Portland or the Northwest is merchandise imported in greater quantities—that nowhere are selections larger or more varied—nowhere are prices lower!

Of one thing, be sure—The Meier & Frank Store, quality considered, is never underpriced!

And with our European buying organization, with offices in Paris, Berlin, Chemnitz, London, Belfast, etc., what better merchandise buying facilities could be established! Then, too, our buyers spend three months in Europe each year, searching the market for the best of wares at the lowest possible prices.

Come today—this last day of our Second Annual Across-the-Sea Sale.

ASK FOR THE SOUVENIR POST CARDS, showing flags of nations, given out in the various departments. The last day to receive them!
