Twelve special trainloads of Shriners, bearing some of the most prominent men of Eastern cities and their fam-lifes, will come to Portland early in May on their way from the annual con-

ave at Los Angeles. Portland Shriners are preparing to Portland Shriners are preparing to entertain these visitors and to show them some of the delights and advantages of this city. Members of the Portland lodge who attend the Los Angeles meeting will hasten home that they may play host to the Easterners. The first of the special train parties will be that from Cleveland, which will arrive at 5:20 A. M. Sunday, May 13. They will remain here a part of the day.

Big Trains Due From East. On Tuesday, May 14, four trainloads will arrive. Two of these will be from Philadelphia, one from New York and one from St. Paul. The New York delegation will reach Portland at 7:20 A. M. and leave at 10:30. The others will remain all day.

Each train will carry from 190 to 150 passengers, thus giving Portland shriners opportunity to entertain between 1000 and 1500 Eastern people. within the week. Most of them will be traveling for pleasure, but it is believed many will seek an opportunity

for future investments. Portland Shriners Busy.

Portland Shriners Busy.

Fortland Shriners have completed arrangements with the Southern Pacific for the movement of their special train to the Los Angeles celebration. It is probable that 250 members from this city will be in the party, which also will include the famous Arab patrol, of Portland, which will compete in the prize drill competition.

Members of Portland lodge will make a bid to entertain the Shrine in 1915, during the Panama-Pacific Exposition.

NEW YORK LODGE ISSUES BOOKLET OUTLINING PLAN.

Members Given Choice of Routes on Return Journey-Work to Start on "Welcome" Sign.

How members of the New York lodge of Elks will travel in their special trains to the annual convention in Portland next July, is adequately described in a booklet, copies of which have been just received by Harry C. McAllister, general secretary of the convention commission.

The trip will be made over the New York Central and affiliated lines, thence via the Canadian Pacific. The westward journey will keep the party intact, but after they leave Portland the New York Elks will travel in four separate crowds. This is done to give them a choice of diverse routes on the essiward trip.

One party will travel via Yellowstone Park, another via California, the third

WEATHER CONDITIONS.

A weak high pressure area extends from the North Pacific States southeastward to the middle Mississippi Valley, and a storm of marked energy is passing to sea down the St. Lawrence Valley. During the last 24 hours showers have occurred at only a few places in the North Pacific States, but the weather keeps cloudy and threatening. Bain has leen general in the Aliantic States from Maine south to the Carolinas. It is much cooler in the Onle Valley and the lower lakes region and generally slightly warmer in Oregon and Washington. Elsewhere the changes in temperature have ben unimportant.

FORECASTS.

One party will travel via reflowatone Park, another via California, the third via Salt Lake City and the Rocky Mountains and the fourth through Seattle. It is probable that there will be enough members in the New York dele-

enough members in the New York delegation to fill four trains.

The New Yorkers will arrive in Portiand at 7:30 Monday morning. July 8. Next to the "grand lodge special." which afrives Friday, July 5, this train will attract more attention than any other that comes to the convention. The Order of Elka was born in New York, hence the lodge in that city is No. 1 and is affectionately referred to by members in other parts of the country as the "Mother Lodge."

In addition to the New York lodge's special trains, Brooklyn and The Bronx lodges each will have a special. New York headquarters will be maintained at the Imperial Hotel.

York headquarters will be maintained at the Imperial Hotel.

Construction of the elaborate "Welcome" arch on Sixth street, facing the mion depot, will be started at once, so that it will be ready for the Rose Festival. It will proclaim a welcome to all visitors to the city and make announcement of the Elks' reunion.
