Ex-Albany Man Promoted.

ALBANY, Or., April 23.—(Special.)
—Charles A. Scars, of Seattle, son of
Mr. and Mrs. C. W. Sears, of this city,
who is visiting here for a few days,
will leave in a few days for Keokuk. lowa, where he will have charge of the construction of one of the largest power plants in the world, having 300,000 horsepower developed by a dam across the Mississippi River. The plant will cost \$14,000,000. Mr. Sears, who for many years was superintendent of the big power plant at Electron, Wash, which furnishes electricity for Seattle, Tacoma and other Puget Sound cities, recently completed a big plant at Sum-ner, Wash., having 100,000 horsepower and costing \$3,000,000.

Big Reservoir Is Constructed HUSUM, Wash, April 23 - (Special.)

J. H. Davis, four miles south, has constructed a reservoir to hold 60,000 gallons of water, which will be used for irrigating a portion of his ranch. Other ranchers in that vicinity in drilling for water have struck a flow at a depth of 180 feet. Gasoline engines are used in pumping the water, which is inexhaustible and pure. This which is inexhaustible and pure. This method in obtaining water for irrigating garden truck and small fruits promises to be popular throughout the
