work. We have been in correspondence with Bank Commissioner J. N. Doolley of Kansas, who originated and drafted the Blue Sky law passed in that state in 1911, and we have received some valuable suggestions from him. In 1903-4 were \$359,337.58; in 1905-6, this had grown to \$463,289.20; and in 1907-8 to \$527,068.24. In 1909-10 the income from this source was \$643,202.78. The total for the present biennial period is expected to exceed \$750,000, notwithstanding the fact that the fees charged corporations by the state of Oregon are more moderate than those of a majority of the states."

NOTED RANCHMAN WHO WILL SPEAK ON EQUAL SUFFRAGE AT MULTNOMAH HOTEL.
William Hanley.
The public meeting arranged by the National College Equal Suffrage League to be held in the Multnomah Hotel tomorrow night gives promise of being a noteworthy one. As the speaker of the evening, William Hanley, of Burns, has been secured, and beside him, La Reina Helen Baker, economist and writer, will be heard.
The appearance of William Hanley will be his first in the suffrage cause. Shortly after his return from the East Mr. Hanley announced himself in favor of woman suffrage. His subject will be "Constitution and Suffrage." Mrs. Baker will speak on the subject "Women and Freedom," and Mrs. Sarah Bard Field Elbert will be heard in an address on "The Search for the Social Balance." The meeting will begin at 8 o'clock in the ballroom of the hotel. In addition to the address a musical programme has been arranged. This will include a piano solo by Miss Lillian A. Datsman, a voice solo by Miss Eva Mills and a baritone solo by A. E. Davidson.

Discrimination Is Allocated.
Just because they are not a part of the theatrical performances in question the Waiting Waiters now called to the doorman near Eleventh and Morrison say they have been discriminated against, and they will not forgive. They had the cheery challenge as it were, into the very teeth of their enemy or enemies, they know not which, and potty the young men in the play that while they (the directors) may all be enjoying their stings on the stage they are the "boys," if you please, who can do some pretty flowery bits of acting when it comes to real life.
Meanwhile Joseph Ferguson, H. C. P. Baldwin, Kirkham Smith, Merle Campbell and a host of others are not working, and they all are enjoying their daily and nightly rehearsals with a greater vim than ever under the direction of the clever Miss Gerish and her able assistants, among whom is Miss Varney, well known in dancing circles of Portland.
One of the hits of the show promises to be the specialty "The Grandma Was a Girl," in which Polly Hewitt is appearing, with G. Kirkham Smith. Miss Hewitt puts a dash and go into her dance that promises to bring her many plaudits from her numerous admirers and the Portland audiences which will witness the production.
Children to Get Benefit.
Arrangements have been made for the benefit of the school children who would make an attempt to liberate Alexiev, caused the police to maintain a heavy guard about the city jail last night. The prisoner was removed to the county jail today as an additional precaution.

St. Helens Woman Kills Self.
KELSO, Wash., April 25.—(Special.)—Coroner Bird reports the death by suicide of Mrs. Marie Reeder, 49 years of age, living at the St. Helens ranger station, Mount St. Helens. Mrs. Reeder killed herself with a 22-caliber rifle. She leaves a husband and a 14-year-old daughter. The Reeder family came to this country three years ago and settled on a homestead. Mrs. Reeder had been an invalid for some time and made several attempts to end her life previous to this time. She had no relatives aside from the immediate family but has many friends in Portland where the Reeder lived for a time before taking up their homestead.

PROPOSED LAW DISCUSSED
Corporation Measure With Blue Sky Clause Takes Shape.
SALEM, Or., April 25.—(Special.)—Discussing the new corporation law which it is proposed to submit to the people under the initiative, Secretary of State Ben W. Olcott said today: "Corporation" Clark Babcock is at work on the proposed new law, but it is going slowly, owing to the fact that there is no fund available for the employment of an attorney or other extra help, and the business of the office is so heavy that the regular employees have but little time to devote to the

GOLD DUST
makes dish-washing easy
The use of a little Gold Dust in your dish-water will make your dishes whiter, sweeter and cleaner than they ever can be without it. Unlike soap, Gold Dust does more than clean the surface. It goes deep after germs and hidden food particles, and sterilizes everything it touches.
Gold Dust does all the hard part of the work without your assistance, because it begins to dissolve and clean the moment it touches the water.
When you have to wash dishes 1095 times a year, the Gold Dust method of saving half your time and half your labor means something.
Do not use borax, soap, ammonia, soda, or any other with GOLD DUST. GOLD DUST has all desirable cleaning qualities in a perfectly harmless and lasting form.
"Let the GOLD DUST TWINS do your work"
