# America's Finest Clothing Gathered Here, \$15, \$20, \$25

Third Floor, New Building

An exposition of all that is best in men's fine hand-tailored Spring and Summer Suits—a standard of excellence in "ready-to-try-on-Clothes" which is altogether new to Portland at \$15, \$20, \$25.

Under our own label and guarantee, we feature Men's Clothing from the most famous makers in America at \$15, \$20 and \$25—an actual saving of \$5 to \$10 on the prices of shops which sell each of these lines exclusively.

Choose from hundreds of rich, distinctive patterns. Beautiful new mottled grays, tans, fancy blues, homespun and a score of variations of the smart line and pin stripes.

We carry sizes for the man hard to fit—the slim, the stout, the short. Every Suit we show is all-wool and hand-tailored.

An entirely separate showing of styles distinctively for young men—new English models, with unpadded shoulders, the high-cut vests, semi-fitting backs.

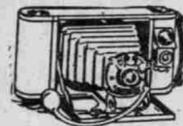

Our Clothing prices range from \$10 to \$35, but we specialize on the three immense lines at

**--\$15, \$20, \$25.**

**Father Doesn't Get His Paper the First Thing This Morning!**

—Sunday's paper will tell the whole story. All eyes are centered upon it.
