teeman for State.

MAY

cumbent in Recipient Mood.

CONTEST

#### Influence In Wide,

Ordinarily the committeeman has a great deal to say as to the distribution of Federal patronage in his state. His indorsement, coupled with the recom-mendation of the Congressional dele-gation at Washington, virtually clinched a commission for the candidate proposed. At times, when the state's representatives at Washington are un-able to arree upon a candidate. the able to agree upon a candidate, the committeeman is in a position to appeal direct to the President and secure rec

ognition and favorable action. The election of a National committee-man is one of the dutles of the 10 delegates chosen by the Republican voters of the state. The choice will be made when the delegates are as-sembled at Chicago in the course of the National convention.

CENTRAL COMMITTEE TO MEET

#### Multuomah County Republicans Will

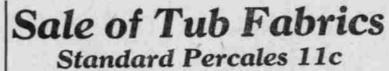

Finish Organization Tonight. Organization of the Multnomah County Republican contral committee will be completed tonight at a meet-ing of the executive committee in the

mprovement and Extension Will Cease When Terwilliger Road Is Finished Unless Money Voted.

Improvement of parks, extension of oulevards and other features of the city system of parks and playgrounds will cease with the acquisition of the remaining property to be condemned or bought for the Terwilliger roadway, grading of the same and the installaon of sewers, unless the people of Portland vote another bond issue. This was made clear at a special session of the Park Board, held yesterday after-

It will cost \$100,000 to purchase the necessary ground for completing Ter-williger boulevard, the big South Port-land project now 'well under way; \$95,000 to grade it and install sewers. and it will require \$60,000, as estimat-ed, to pay for hard-surface street im-provements as contemplated.

This will consume very nearly all of the funds in the hands of the members of the Park Board, except \$5060, ap-propriated yesterday afternoon for the completion of the Mount Tabor Park driveway. Mayor Rushlight had been somewhat concerned over the situation, as the fund was getting short. He was as the fund was getting short. He was

Recreation Commission Can't The People's Institute, also a member the People's Institute, also a member of the recreation commission, asked the Mayor and members of the Park Board whether the Park Board has authority to install recreational fea-tures in the parks and playgrounds, and the Mayor said that, in his judg-ment, it has in favor of making numerous improve-ments throughout the city, but the money at hand would not justify these He was doubtful as to the propriety of using any of the fund for the Mount Tabor roadway, but, after considering a detailed statement by Superintendent of Parks Mische, submitted yesterday, it was found that the necessary \$5000

members have been working on the matter for a year. However, the Council and Mayor say there will be but little, if any delay in putting in the entire system, as they have offers from responsible contractors to do the work at much less than bids submitted. The Coun-cil is considering doing a part of all of the work under its own supervisor a special meeting will be held next -The City Council opened bids for the construction of the new water system Saturday, the time advertised to let the contract, but the bids were rejected as unreasonably high. Some contractors present refused to submit bids, alleg-ing that the supply firms and other contractors had combined to pad prices. A special meeting will be held next Wednesday to consider bids.

The area expropriated in India for the ew city of Delhi is 125 square miles.

The recreation commission has planned to provide various features of amusement not contained in the scheme of the Park Board for parks and play-grounds, but it seems now that the Obstacles in Way of Governing Dancehalls and Parks on City Property.

RULES BODY BALKED

**Regulate Amusements.** 

No authority exists in the charter for the investment of a recreation co mission, recenly named by Mayor Rushlight, with power to regulate public amusement places, such as dancehalls

or other recreational features on city property, and this obstacle may interfere seriously with the plans of the ission

At a joint session of the members of the Park Board and of the recreation commission yesterday Mayor Rushlight brought out that the Park Board is given full control over public parks and other public amusement resorts

and other public amusement resorts within the city. In case there is a way to obviate this difficulty and give au-thority to the commission, it will be discovered and reported on by City Attorney Grant, as the joint session referred the whole subject to him. When Mäyor Rushlight called the session to order, W. G. Thacher outlined an ordinance, which was introduced into the City Council at the last meet-ing, giving the recreation commission.

ing, giving the recreation commission power over all public places, other than parks and playgrounds. It pro-poses also to give the members author-
