

LODGING HOUSE FOR NEEDY GIRLS URGED

Episcopal Church Considers Establishing a Home for Women.

DIOCESAN CONVENTION SITS

Treasurer's Report Shows Balance of \$457, Receipts of \$15,905 and Disbursements of \$15,186 by Missions Board.

Establishment of a lodging-house for needy girls and women was recommended by the social service committee of the church to the 24th annual diocesan convention at its session in Trinity Parish House, Nineteenth and Everett streets, yesterday.

"While there are many places within the city," reads the report, "where a man may secure cheap and proper lodgings for a nominal consideration, there is no such place where a needy girl may be thus accommodated. The Young Women's Christian Association does not fill this want, as the prices for rooms under the control or supervision of this association while not high for the accommodations offered, are not within the reach of many. There is a large and increasing demand for similar and cheaper quarters."

The report of the committee mentions that Rev. H. R. Talbot, a member of the committee, was appointed also by Mayor Hightower chairman of the Vice Commission, having similar aims, and that through the efforts of the Vice Commission the curfew law was revived. Mention is made of unsuccessful efforts to establish rest and lunch rooms for girls. It was also recommended that a social service committee be appointed by the ministers in each parish, and that the committee be appointed to serve for five years.

Cash Balance Shown. The treasurer's report, read yesterday afternoon, showed the receipts of the Board of Missions for the year ending April 30 to have been \$15,905.31, and the disbursements \$15,186.22, the cash on hand amounting to \$457. The report also showed that the missions unpaid April 30 amounted to \$396.57.

Revision of the canons of the diocese occupied most of the time yesterday afternoon. A canon was adopted dividing the diocese into three convocations, the northern, central and southern, each to be presided over by a dean, appointed for two years by the bishop upon nomination of the convention. The counties in the convocations are as follows: Northern—Tillamook, Clatsop, Columbia, Washington, Multnomah and Clackamas; central—Yamhill, Polk, Marion, Linn, Benton, Lincoln and Lane; southern—Douglas, Coos, Curry, Josephine and Jackson.

Canons were also adopted providing for the appointment of an archdeacon, to labor as a general missionary under the bishop's direction, for the chance of name. Board of Missions to Board of Church Extension; for the establishment of mission and parish boundaries; the organization of the canon of the diocese to hold in trust all properties and funds not otherwise provided for; the establishment of a commission on church architecture before which all church building officers must lay plans of proposed buildings for approval, and rules for the transfer of church members and for the suspension of those who neglect to partake of the communion.

Officers Are Nominated. Nominations of officers were made yesterday afternoon, and the election will take place today. Further nominations may be made before the election. The nominees thus far are: Treasurer, W. W. Hastings; standing committee, Revs. H. R. Talbot, H. M. Ramsey, H. D. Chambers, H. M. Ramsey, C. W. Robinson, Dr. S. E. Joseph and Rodney L. Gilman; board of church extension, Revs. H. R. Talbot, H. M. Ramsey, C. W. Robinson, W. B. Hamilton, H. M. Ramsey, Roy K. Remington, C. W. Robinson, George F. Rosenmuller, Messrs. Hamilton Johnson, C. R. Fitch, C. N. Hastings, A. S. Otterson; board of trustees, Bishop Scott School for Boys, Revs. A. A. Morrison, H. M. Ramsey, H. D. Chambers and George C. Kollock; C. E. Chambers; and George C. Hird; St. Helen's school board, Revs. A. A. Morrison, H. M. Ramsey and Messrs. J. K. Kollock and George C. Kollock; board of trustees of Good Samaritan Hospital, Revs. J. Dawson and R. L. Gilman; board of trustees, Episcopal fund, H. D. Hammedell, T. F. Brown and Rev. H. D. Chambers; ecclesiastical court, Rev. W. B. Hamilton, of Grants Pass; Rev. George F. Rosenmuller, Astoria; Rev. J. Dawson, Portland; and Rev. C. W. Robinson, Oregon City; delegates to Eighth Missionary Department Council, Los Angeles, in October, Revs. H. D. Chambers, A. A. Morrison, H. R. Talbot, C. W. Robinson, J. S. Shoarlin; registrar, Rev. W. A. M. Breek.

YOUNG WILL MAKE TOUR

New Head of Hill Lines Plans Trip Over Entire System. Joseph H. Young, president of the North Bank road and the Hill lines in Oregon, is expected to reach Portland today to take up his new duties. RATE ADVICE AWAITED

SPOKANE RATE CASE EXPECTED TO BE DROPPED.

Compromise, While of Benefit to Inland Towns, Will Not Seriously Hurt Coast Is Belief.

Investigation of the status of the Spokane rate case by the transportation committee of the Chamber of Commerce has revealed the fact that Spokane rates agreed upon at a recent conference may be published within a short time and become effective June 1. The committee yesterday issued the following statement covering the subject: Least advice received from Washington indicates that it seems impossible for the Commission to change finally the Spokane rates at this time, but a statement will be issued which will warrant the carriers voluntarily publishing the revised Spokane rates agreed upon at recent conferences, and that probably is what will be done. No further action has been received here to indicate the reason for not dissolving the case, but it is thought that the Commission believed that dissolving it in some way affect the long and short haul cases now before the Supreme Court, in which Spokane and other inter-mountaine rates play a most important part.

The rates proposed are, as a rule, 4 per cent higher than those in effect on the tentative rates prescribed by the Commission in the opinion of June 2, 1910. Some of them are 9 per cent higher. The proposed rates, however, considerably reduce the present rates on the coast to Spokane. Not only are rates to Spokane proper involved, but the entire Northwest intermountain rates are affected correspondingly by the new rates. Until the exact figures to be published are known, it will be difficult to determine the effect upon coast interests. There is no doubt, however, that the proposed rates will be a decided advantage to articles which can be moved by water routes, particularly via the Astoria-Kawawai Steamship line, which has established through steam service between Astoria, Cruz and Portland.

MOTORCYCLES IN CLASH

Four Machines Battered; Persons Are Shaken Up.

Three motorcycle accidents in which seven persons figured, happened early yesterday morning. At Sixth and Everett streets, Art Jones, a troublemaker for the Portland Railway, Light & Power Company, was riding on a motorcycle the machine skidded on the wet pavement and threw the rider. Mrs. L. Ramsey, who was walking along with some companions, stopped and turned to get out of the way of the machine, when she also slipped and wrenched her ankle. Both injuries were slight.

CIGARS AND ROPE.

Lunching necessitates pulling on a "rope." Don't pull on a rope—smoke a good cigar, which only costs 5c.—Sam Sloan.

Why You Should Ba'he Internally

Under our present mode of living, Nature, unassisted, cannot dispose of all the waste. This waste sends its poisons into the system, through the blood-circulation, and brings on countless ills. That's the reason a Physician's first step in illness is to give a laxative. Physicians generally, in order to stop this accumulation of waste, are now advising the use of the J. B. L. Cascade, Nature's sure for Constipation, which aids the lower intestine of all waste and keeps it healthy without drugging.

It is now being shown by Woodard, Clarke & Co., Druggists, Portland. Ask for booklet, "Why Man of Today is Only 50% Efficient."
