Mrs. G. Wiles Relates Experience with New Munyon Treatment.

Crowds Visit Expert's Offices to Try His Methods for Themselves.

Another remarkable rhoumatism cure was recorded yesterday for the new Munyon method of medical treatment. Mrs. G. Wilse, who lives at 721 Baker street, San Francisco, came into Munyon's offices and declared:

"I feel compelled, out of consideration for other persons who may be suffering as I did, to give this statement. I was a victim of rheumatism for years and never expected to get cured. I had sharp, shooting pains all over my body and in every joint and muscle—so it seemed—and at times my agony was so great that I would lie awake all night. It was terrible. It was impossible for me to bend my fingers. I simply cannot describe the suffering that I endured. "I tried nearly every patent medicine

of the market, but nothing seemed to help me. Then I treated with physicians, but they did me no good. Finally, having read so much about the Munyon uric acid treatment in the papers, I decided to see if he could help me. I took the full course and now I am entirely free from rheumatism. My pleasure is only counsed by my avertice. ure is only equaled by my surprise.
