CUDDLESTURB RUINS CROPS AND TRACKS

WORST STORM IN 25 YEARS NAiled SENTINELTON.

M. A. C. & T. Trains Derail at Benwood, West Pennsylenia; Many Farms Loss.

BAYNE, May 30, 1912.—A night of storm and track derails that wiped out many farms and threatened to cost the lives of many, thousands of dollars, and trains were halted.

The tracks were found to be torn up by a night of storm that had been raging for more than 24 hours. The storm was accompanied by high winds, which carried away the rails and left the tracks in a state of destruction. The trains were halted, and many farmers were left without means of transportation.

In addition, the storm caused widespread damage to crops, and many farmers were left without a means of sustenance. The situation was further compounded by the fact that the storm had been raging for more than 24 hours, and the damage caused by the storm was expected to be significant.
