Value-Giving Is Rock Upon Which Our Clothing **Business Is Built!** THE Meier & Frank Clothing busi-

THE MEIER & FRANK STORE, ESTABLISHED 1857.

ness is as old as the store. Valuegiving was the rock upon which we established it, just as all the other depart ments. And after all, what is there of more vital importance in Clothes buy-

There are many reasons why nearly every Suit in our stock is \$3 to \$10 under-value, measured by the standard of other stores. Clothing is but one of our 72 departments. It bears only its ratio of expense. The quantity-buying is tremendous. We sell ten suits to the usual dealer's one.

We do not take any one maker's line all the way through. The hundreds of beautiful Summer patterns and weaves come from a half dozen of America's largest and best known manufacturing tailors. Such makes as Adler-Rochester, A. B. Kirschbaum, The Washington Company, Society Brand and others find representation here.

The man you think is hard to fit will be agreeably disappointed here. Every size for men of all builds-stouts, long stouts, short stouts, slims and extra sizes, up to 52. Our prices range at

--\$15, \$20, \$25 to \$35!

Vote With Every Purchase Today

IT will take the final count to determine the winners!

And today's voting will in all probability be the deciding factor in many of the scholarships. Every patron should take it upon themselves to help some young man or woman on the last day of this contest. Don't fail to redeem every duplicate sales-check received with purchases today for ballots, casting them in someone's favor.

Store will close tonight at 8:45, so that employes and patrons alike may witness the parade. Names of winners in Contest will be posted in Fifth-street vestibule window as soon as compiled-probably about 9:30.
