**R**EALLY wonderful is the variety of Summer Waists here in our first-floor section and never have the styles been more charming and becoming than now.

No matter what particular model milady may desire—she's sure to find it here. Every late fashion feature is shown with the new Robespierre collar, in Russian Cassaque and short and long plenum styles.

**And at \$2.95 we've Pretty Lingerie Waists that would sell regularly at only \$5.00.**

Dainty, summery styles, one as pictured, of fine mull, prettily trimmed in embroideries, medallions and cluny laces. Short sleeves, low, pointed and high necks. Choose from these \$5.00 Waists today at only, each **\$2.95**

**New Middy Norfolks at \$1.50 and \$2.** They're as clever and jaunty as can be and wonderfully comfortable. Of all white linens or with sailor collar and cuffs of Alice blue or red—belt to match. Laced in front in middy style—finished with belt at waist in Norfolk fashion. Ideal for outdoor wear—for tennis, for the beach, etc. 4 models, one pictured, \$1.30 and **\$2.00**

**\$6 Silk Shirts, \$3.85**—They're the popular Mannish Waists of cool Summer silks. White, black and striped. With soft collars and cuffs. Others with sailor collars and short sleeves, As sketched. \$5 and \$6 waists at **\$3.85**

**Mannish Waists at \$1.22**—Remarkably neat at such a low price as this! Of good quality soisette and striped madras. Finished with soft collar and **\$1.22** cuffs. For business or outing.

## Summer Comfort in Warner's

**W**ITH the coming of these warm Summer days woman's first thought is for a Corset that is comfortable without sacrificing beauty and perfection of line. And here in these splendid Warner models is this much-to-be-desired combination.

For years Warner's—the Rust-Proof Corsets—have been known as the ideal make for Summer. Every pair boned with the wonderful whalebone—and every Warner may be laundered without injury to fabric or line. This is the Warner Store of Portland.

**At \$1.50**—Style 667, probably one of the most popular of Corsets at this price. With the new "double skirt"—a specially woven fabric with two thicknesses, though really lighter than one. In the new, flexible lines, with long hip and medium low bust.

**At \$2**—Style 668 as illustrated—a splendid model for slender and medium figures. Of both batiste and coutil, in the double skirt style; wonderfully durable, light weight. These, too, with the rust-proof whalebone boning.
