# CRUISER IS OUT TO SEA

## MARYLAND PLOWS THROUGH LOWER COLUMBIA AT 3 P. M.

### Oregon Naval Forces Begin Work at Once and Many Bake Fires at 4 o'Clock in the Morning.

ASTORIA, Or., June 17.—(Special.)—Flowing through the waters of the lower Columbia River at the rate of 16 miles an hour, the cruiser Maryland passed Astoria at 3:15 Monday afternoon and put to sea. The steel-armored vessel made the run to the mouth of the river in six hours, having left Portland harbor at 9:10. The speed, as far as it could be maintained, was 20 miles an hour. All smaller craft were left in the wake of the great war vessel.

Aboard the vessel are 180 members of the Oregon Naval Militia. They were brought aboard from the cruiser Boston in the Maryland's cutters at 6 o'clock last night. Early this morning they were at work at their posts. Two men were every station on the trip down the river this morning, while there was one man to a station when the vessel entered the river.

Before she weighed anchor the Maryland had been stripped of all her festival decorations. Most of the officers were ashore Sunday paying farewell visits. Captain Elliott received a few visitors personally during the day.

This morning Harbor Master Speier came aboard, being under orders from Mayor Bushnell at the special invitation of Captain Elliott. Captain Archie Pease piloted the vessel down the river.

General Finzer was unable to leave on the ship, but will join her at San Francisco or San Pedro. She will be in San Francisco harbor Wednesday and will coal there. Stoop will be made at San Pedro and Santa Barbara. One-day shore leave will be allowed the Naval Militiamen at both San Francisco and Los Angeles. The trip will take ten days. The Portland men will be landed at Astoria June 26, and will come to Portland by rail.

Captain Edgar M. Simpson is in command of the militia and Lieutenant W. H. Rober is acting executive officer. Ensign C. E. Melvin is in command of the engineer division. Ensign J. A. Beck of the first division, Ensign Lloyd Spooner of the second division and Ensign E. L. Gallier of the fifth division, from Bandon.

Captain Elliott will make reports of the work of the men, copies of which will go to the Navy Department and to the Governor.

About 100 of the Naval Militiamen were unable because of business affairs to leave on the vessel today. They will maintain their regular drills on the cruiser Boston as usual.

Captain Jacob Speier, harbor master and first captain of the Oregon Naval Militia, arrived in Portland last night after having made the trip to Astoria on the Maryland.

"We started at 9:10 A. M. and made the trip down the river in six hours," he said last night, after returning from his trip.

"We passed everything on the river and never knew the river had a bottom. I left the vessel when she was off Hammond.

"The Naval Militia crowd started in last night with their duties and at 4 o'clock this morning were making frags, swabbing decks and getting used to duties aboard a man of war."

# CONCERT RAISES BUT \$116

## Programme to Aid Festival Chorus Deficit Draws 1000.

One thousand people attended the Gipsy Smith Auditorium Monday night and raised \$116.51 toward the reduction of the deficiency of the Rose Festival, under the auspices of the Multnomah Sunday School Association, of which Dr. Albert Ehrhart is manager. Dr. Hinson, pastor of the White Temple, and Rev. Henry Marcotte, pastor of Westminster Presbyterian Church, made addresses in which they made stirring appeals for contributions to reduce the deficit, and they told amusing stories. No admission money was received, and each singer was given a dollar and a song.

Both singers have very good voices and it will be a pleasure to hear them again. Miss Carrie L. Alton, of Boston, was solo violinist and she gave two selections with artistic finish. W. L. Patton was piano accompanist. It should be understood that all who took part in the concert gave their services free.

The children's chorus sings at the Oaks tomorrow afternoon at 4 o'clock and the adult chorus tomorrow night at 8 o'clock to raise more money to pay the debt.

# FORGER SENT TO PRISON

## Youth Who Posed as Son of Georgia Banker Pleads Guilty.

SAN FRANCISCO, June 17.—(Special.)—Charles N. Hull, the dashing youth, who last April was arrested at the St. Francis Hotel, after he had posed as Daniel Hull, son of a wealthy Georgia banker, and had scattered a number of forged checks of large denomination among San Francisco merchants, was sentenced today to five years in San Quentin prison on a charge of forgery.

Hoke Smith did not come to defend Hull, as the young prisoner had promised. The windup of his career in this city was as disastrous to him as its beginning was dazzlingly meteoric. He pleaded guilty to the charge of forgery, which was based on a check presented in payment for expensive wearing apparel purchased by him for a woman with whom he had become infatuated soon after his arrival.

Hull represented himself to be Daniel Hull, of Savannah, Ga., son of the ex-president of the American Bankers' Association. He drove to the First National Bank in a limousine, accompanied by two handsomely dressed women and a Negro footman. There he tried to negotiate a draft on a Georgia Bank for \$5000, but failing in this, managed to draw down \$250 on the strength of the epistle he had made.

Not until positive information came from the real Daniel Hull in Georgia, that the Hull here was impostor, did the prisoner confess that his name was Charles N. Hull and that he had posed as the wealthy young Hull.

No Signs of Greatness. Louisville Courier-Journal. "Does your act rest on the responsibilities of great wealth?" "I fear not," sighed the eminent magnate. "He can't seem to learn audient bridge, and he shows no signs of wanting to marry a chorus girl."

# VICE-CONSUL HONORED

## CEDERBERGH MADE KNIGHT OF ORDER OF ST. OLAF.

Decorations Bestowed on Representative of Norway and Sweden for Meritorious Service.

"It is too much for me. I do not deserve it. I cannot understand it," exclaimed Endre M. Cederbergh, Vice-Consul in Portland for the Kingdoms of Norway and Sweden, when telegrams and letters began to pour in to his office offering congratulations on his appointment as Knight of the Order of Saint Olaf by King Haakon VII of Norway. This high honor is bestowed on Consuls or Vice-Consuls for extraordinary service rendered to their country. Mr. Cederbergh is the first Vice-Consul in America to receive the honor.

Altogether there are 609 Consular Representatives for Norway in all countries. Of that number only 28 have received the Order of Saint Olaf. Ten of these were Consuls-General. Of the remaining 18, nine were Consuls and nine Vice-Consuls. Turning to the United States there are, in addition to one Consul-General and three Consuls, 39 Vice-Consuls. Mr. Cederbergh is the first Vice-Consul in the United States to receive the honor. The only others who have the right to wear the decorations are Christian Bavn, Consul-General at New York, and Consul Henry Lund, of San Francisco, and E. H. Hobe, of St. Paul, Minn.

Appointments to the order are usually made after long service, but Mr. Cederbergh has received his royal recognition of his labors after holding office only six years. He was appointed Vice-Consul September 27, 1906.

Mr. Cederbergh modestly attempted to keep secret the honor bestowed upon him. News of the bestowal was received through Norwegian newspapers which have reached Portland.

Mr. Cederbergh was born November 11, 1853. He has been in Portland 25 years.

At the afternoon meeting, organized by Miss Emma Warren, Superintendent of Schools at Astoria, from 60 to 75 women were present. All of them attended the mass meeting at the Baptist Church in the evening.

At 2:30 P. M. today is to be held the bi-monthly meeting of the College Equal Suffrage Association, 406 Seiling building. Miss Anita Whitney, of California, will address the assembly.

Later the Roosevelt men framed resolutions of protest against the action, which they expect to present to the convention.
