Owen Bill Expected to Be Met With Opposition at Federation of Clubs.

SUFFRAGE TO BE DEBATED

Laws May Give Rise to Lively Discussion-Contest for Presidency of Federation Is Waxing Warm

SAN FRANCISCO, June 24.—Three big topics will be the main themes of discussion at the session of the General Federation of Women's Clubs, which will meet in convention here beginning tomorrow night. These subjects are "the Owen's bill to create a National Bureau of Health, a measure now before Congress; the suffrage question and uniform marriage and di-

question and uniform marriage and divorce laws.

The first named has met with strenuous opposition from certain schools of medicine and from the League of Medical Freedom. There is promise of warm debate on all three topics. Mrs. Sarah Platt Decker, of Colorado, probably will lead the fight in behalf of woman's suffrage.

At a meeting today of the Board of Directors it was decided to recommend that the General Federation bulletin, published in Troy, N. Y., under the editorship of Mrs. Harriett Bishop Waters, be continued as the official organ of the organization.

The contest for the presidency of the

ters, be continued as the official organ of the organization.

The contest for the presidency of the federation is waxing warm and the partisans of Mrs. Phillip Carpenter, of New York and Mrs. Percy V. Pennybacker, of Texas, are campaigning actively for their respective candidates.

The friends of Mrs. I. L. Blankenburg, of Philadelphia, who is second vice-president, are pressing her candidacy for the first vice-presidency, while the Ohlo delegation is backing Mrs. Sneath of that state for the same office. Mrs. Eugene Reilly, of North Carolina, is a candidate for second vice-president or corresponding secretary, and Mrs. Harry L. Keede, of Nebraska, a member of the board, would like to be recording secretary.

the board, would like to be recording secretary.

Mrs. John Theadgill, of Omaha, the treasurer, Mrs. Frank White, of North Daketa, the auditor, probably will be re-elected to their respective offices, as no candidates have appeared in opposition. Mrs. McMahon of Utah; Mrs. Mathewes, of Louisiana, Mrs. Brieckingle, of Kentucky, and Mrs. Briley, of Massachusetts, are seeking re-election as directors. Four cities desire to have the next convention and their claims will be presented and urged during the session. These cities are: Washington, Philadelphia, Chicago and Manila.

President Young. General Freight and Passenger Agent Coman and other officials of the Hill lines in Oregon will attend the "Oregon Electric" celebration which will be held by the people of Albany, July 4, in comemoration of the advent of the Oregon Electric to that city. The train will leave Portland at 8 o'clock on the morning of the Fourth.

"Albany citizens have subscribed over \$3000 for this celebration which promises to bring to that city the largest crowd that ever assembled in a Willamette Valley city," said Mr. Coman yesterday. "Following the usual parade and exercises at Bryant Park, hydroplane flights, athletic contests, baseball and other entertainment features will be presented. In the evening, dinner will be served in the park and the day will be concluded with a concert by the Chicago Opera Company and fireworks."

fireworks."

Excursions have been arranged from all surrounding points to be run to Albany on the day of the celebration to which officials of the Southern Pacific Company also have been invited, Among the Hill officials that will accompany President Young and Mr. Coman, are: C. DINING PLACE IS CHANGED

Rotary Club to Hold Luncheon at Commercial Club Rooms.

The Portland Rotary Club will hold its weekly luncheons in the rooms of the Portland Commercial Club. It has the Portland Commercial Club. It has been suggested that all clubs of the city make the Commercial Club the headquarters for their luncheons, but the Rotary Club is the first to adopt the plan. The management of the Commercial Club has promised to fit the dining-room up comfortably with new chairs and tables, and has assured the best of service.

"The committee is to be congratulated," says the secretary of the Rotary Club in his bulletin issued yesterday announcing the selection of the new place for meeting, "and so is the club. It is certainly the logical place to meet, because we are all business men, and the Commercial Club is the business men's resort at lunch time."

The announcement of the change from the Imperial Hotel to the Commercial Club comes in the first number of "The Fortland Rotary," a leaflet containing general news of the activities of the club.

Dr. George B. Van Waters will be chairman of the day, and the speaker will be Mayor Fushlight. been suggested that all clubs of the

Coming from Wallowa County, where Mrs. Henrietta Alexander, of Fruita. found them one evening on her porch, three baby cinnamon bears reached the Oaks amusement park yesterday.

Mrs. Alexander fed and cared for the cubs, then wrote Mayor Rushlight and suggested that the city buy them. As Mayor Rushlight did not care for bears at that time the offer was turned over to Manager Cordray, of the Oaks. As a result, the three youngsters, not one of which is more than a month old, are froi icking around the bear pit.

The bears resemble the "Teddy bears" with which children play. Every child who sees them wants to be put down into the bear pit to play.
