

PROGRESSIVE VOTES FLOCK TO WILSON

Dr. Harvey Wiley Quits Republican Ranks to Join With Democrats.

THIRD PARTY TALK IS LESS

Governor Osborn, Former Roosevelt Man, Deserts—Poindexter, Bristol and Minnesota Insurgents Deny Need of Bolt.

WASHINGTON, July 4.—Dr. Harvey W. Wiley, former chief of the Bureau of Chemistry of the Department of Agriculture, last night announced that he had quit the Republican party and would support the Democratic Presidential ticket this year.

Dr. Wiley made this known at a meeting which organized the Wilson-Marshall Democratic Club of the District of Columbia.

MINNEAPOLIS, July 4.—The Minnesota Progressive League will back Wilson for President, George S. Loftus, president of the league, announced Wednesday.

"Wilson represents our idea of progressivism," said Mr. Loftus. "There is no reason for us to join in the third party movement and neither can we support Taft. We will work for Wilson."

LANSING, Mich., July 4.—At a conference held late Wednesday in the executive office, attended by Governor Osborn, Senator W. Alden Smith, Attorney-General Kuhn, and others, it was decided there would be no third party in Michigan this year. Another meeting is to be held tomorrow.

Third Party Hopes Fade. At today's conference the third party ticket proposition was discussed from every angle. The consensus of opinion was that no third party would be formed, but that the progressive Republicans would fight out the battle in the coming general election. The plan is to put a straight progressive Republican ticket from Governor down in the field for the Fall elections.

WASHINGTON, July 3.—Several progressive Republican Senators, conferring over the situation growing out of the Presidential nominations at Chicago and Baltimore, have voiced the opinion that a third party in their states was unnecessary. The several opinions are that electors in sympathy with ex-President Roosevelt will be on the regular Republican ticket in California, Washington, Kansas, Nebraska, Minnesota and the Dakotas, among others.

None of the progressive Senators here has announced any intention of leaving the regular Republican party. Poindexter Shuns New Party. Senator Works, of California, and Senator Bristow, of Kansas, have told their colleagues that they would not be in control in their states and that there would be nothing to gain by joining in a third party movement.

Senator Poindexter, of Washington, said he believed it would be unnecessary to organize a third party in his state. Senator La Follette had no comment to make today upon Woodrow Wilson's nomination at Baltimore.

NEWARK, N. J., July 3.—James R. Nugent, the Essex County leader, who was deposed from the Essex County chairmanship by a bitter attack on Governor Wilson last winter and who was one of the four New Jersey delegates opposed to him at Baltimore, declared today that the Essex County organization would give Governor Wilson loyal support.

Ryan to Aid Wilson. BALTIMORE, July 4.—Thomas F. Ryan, the financier, who was a delegate from Virginia to the Democratic National convention last night authorized the following statement: "The Baltimore convention has registered the independent will of the Democratic party through its chosen delegates and it is the duty of every Democrat, without regard to past preference, to accept that decision with good will and no regrets and to enter the coming battle with courage and determination to make Governor Wilson President."

"We should all contribute every effort in our power, dictated by good judgment and honest considerations, to accomplish that result. The party is united and as the campaign progresses I believe it will win the confidence of the country."

MURPHY PREDICTS VICTORY John B. Stanchfield, who replied to Bryan, Tell of Harmony.

NEW YORK, July 4.—Charles H. Murphy, United States Senator of Oregon and a number of Tammany leaders and delegates arrived from Baltimore today and declared that they would support Governor Wilson.

"It is a great ticket and one that I am sure promises success along the line," said Mr. Murphy. "The candidates should command the support of people in every section."

Senator O'Gorman said Wilson and Marshall would receive a "majority of the votes of the independent voters of the country." He declared, notwithstanding the sharp rivalry between candidates and their friends, there never was a convention of such harmony. "When we adjourned," he said, "there was such a feeling of confidence in victory next November."

John B. Stanchfield, who replied to Bryan's attack on the New York delegation at Baltimore, said: "The ticket nominated at Baltimore is one of the best presented to the people by the Democratic party since the nomination of Grover Cleveland. Mr. Bryan has said he would support Governor Wilson. That is as it should be. No one should be eliminated because of the convention fight, as some have suggested."

"The fight was made in the convention and ended there, all the delegates being harmonious and enthusiastic in supporting the candidate of that convention."

CLARK IS LOUDLY CHEERED Words of Republican in House Incite Members to Laughter.

WASHINGTON, July 4.—When Speaker Clark, showing the effect of the strain under which he has labored during the Democratic convention, entered the House today he was given an ovation that lasted for several minutes.

When Representative Underwood, of Alabama, appeared, the cheering and applause were resumed. Members pounded their desks and the Southern contingent added to the noise by their shrill "rebel yell."

There was a second Clark demonstration when Representative Moore, of Pennsylvania, Republican, paid a tribute to the speaker as the "greatest Democrat in the whole United States." Mr. Moore scored William J. Bryan for his alleged part in defeating the speaker for the nomination and occasioned Republican applause when he declared the Democratic party was split "wide open," while the Republican team in November would be found "voting as one man."

"Who is the man?" cried Representative Howard, of Georgia. "Name him!" Moore shouted a score of Democrats, amid laughter. "We'd like to know the identity of the sole Republican vote," Howard added.

In the applause and laughter that followed the sally Mr. Moore sat down.

NEW PARTY OUT OF PRIMARY Minnesota T. R. Branch Not Recognized by State Officials.

ST. PAUL, July 4.—The progressive party being organized under the leadership of Theodore Roosevelt cannot take part in the primaries in Minnesota this Fall, according to an opinion issued by Attorney-General Lyndon A. Smith today.

The party has no legal standing here and cannot qualify under provisions of the state law, according to the conclusion reached by the Attorney-General.

INDIAN DRAMA IS COSTLY MORE THAN \$20,000 SPENT ON "THE BRIDGE OF THE GODS."

Seat Sale Opens for Largest Open Air Performance Ever Seen in This State.

Although more than \$20,000 was expended on the original performances of "The Bridge of the Gods," it will require an additional expenditure exceeding \$5000 for the presentation of the great Indian drama on Multnomah Field next Monday and Wednesday during the Elk Grand Lodge.

The heavy seat sale now in progress at Rowe & Martin's indicates that "standing room only" will be the rule before Monday.

The following figures show some of the items of expenditure for the additional performances:

Salary of members of company and extras for rehearsals and performances, \$2100; advertising expense, \$750; repairs to scenery, tearing down and erecting, \$250; 28 stage hands at \$1.50 a day for two days, \$84; 20 musicians, \$400; rent of costumes, \$500; additional electrical wiring, \$500; salary of Indians, food for Indians, fodder for horses, transportation from Eastern Oregon to Portland and back and tents here, \$2500; rental of Multnomah Club grounds, \$1000; royalty to Miss Ferris, \$500; incidentals, \$500.

"The Bridge of the Gods" is the largest open air performance of the kind ever presented in Oregon.

While no part of the dramatic effect of "The Bridge of the Gods" hangs on the Indians, their presence will add much to the spectacular part of the performance. The sight of hundreds of Indians carrying torches winding down the slope of Mount Hood cannot fail to impress and when they are mounted on their cayuses, something of the majesty of the old-time redman returns.

Hundreds of those who are purchasing tickets are persons who saw the first performance, says A. L. Krause, who is in charge of the sale of seats.

ROAD PROMOTES O'NEILL PORTLAND MAN MADE DISTRICT PASSENGER AGENT.

O. W. R. & N. Co. Employee Will Succeed Seattle Man Who Quits After Long Service.

J. H. O'Neill, for 17 years traveling passenger agent of the O. W. R. & N. Company in Portland, has been promoted to the position of district passenger agent for the company in Seattle, to take the place of E. E. Ellis, resigned. Notice of the appointment was given yesterday by J. D. Farrell, president of the company, to take effect July 6. Mr. O'Neill left for Seattle last night, preparatory to taking charge of the office.

Mr. O'Neill first entered the employ of the company in 1889, 23 years ago, holding the position then of ticket checker. He was promoted to the position of traveling passenger agent in 1906.

Principal interest centered in the choice for president, the nominees being Mrs. Philip Carpenter, of New York, and Mrs. Percy Penpacker, of Texas. Tonight supporters of each were confident their candidate had won, but the stronger assertions were made in behalf of Penpacker, despite the fact that in a speech yesterday she had made as good a stand in behalf of woman suffrage as did her opponent.

The other candidates are: For first vice-president, Mrs. L. L. Blankenship, Philadelphia; second vice-president, Mrs. Samuel Sneath, Ohio; secretary, Mrs. Harry L. Keefe, Nebraska; corresponding secretary, Mrs. Eugene Reilly, North Carolina; treasurer, Mrs. John Threadgill (incumbent); auditor, Mrs. C. H. McMahon, Utah; directors: Mrs. Lucy White Williams, state president Michigan Federation; Mrs. Alvin H. Bailey, Massachusetts; Mrs. William E. Andrews, District of Columbia; Mrs. F. D. Everett, Illinois; Mrs. Grace Julien Clark, Indiana; Mrs. J. Creighton Matthews, Louisiana; Mrs. Georgia Bacon, Massachusetts; Mrs. Howard C. Warren, New Jersey; Mrs. H. P. Harper, Washington; Mrs. A. S. Christie, Montana; Mrs. Frank White, North Dakota.

Mrs. Decker is Better. The delegates had their fears allayed tonight by the report that the condition of Mrs. Sarah Platt Decker, of Denver, was much improved. Mrs. Decker was taken suddenly ill yesterday from an intestinal disorder, and is in a sanitarium.

A detailed legislative programme in behalf of married women has been submitted to the convention by William Ward, the author.

"The principal points at which the rights of the wife and mother should be safeguarded," he said, "are: "First—The wife's earnings should belong to her."

"Second—The husband should have no more direct power of direct disposition over the property of the wife than the wife has over the property of the husband."

"Third—A married woman's right to make contracts and to bring and defend suits should be as full as those of an unmarried woman."

"Fourth—With regard to support, society's most important work is to provide homes in which children may be physically and mentally fitted to carry the world forward. Parole the non-supporting husband in charge of a probation officer. Let the judge fix the sum he shall pay and make him bring it into court each week. The plan is a working success in Buffalo, where it has been in operation for years. Don't send the husband to jail, where he is unable to contribute anything to the support of his family. There is just one case in which a wife should be charged with her husband's support—when he is infirm and unable to work."

"Fifth—Husband and wife should have precisely equal rights in the custody of their children, to the services and earnings of their children and to the management of their children's property."

"Sixth—In almost all states the wife needs to be protected against her husband's last will and testament, but still more does she need to be protected against his failure to make any will. Among the financial insecurities of marriage, widowhood ranks unnecessarily high."

PARIS, July 4.—The European edition of the New York Herald says that Prince Ludovic Pignatelli d'Aragona shot himself last night with a revolver and lies in a grave condition. The attending physicians are unable to say if he will recover.

The Prince returned recently from the United States, where he fell in love with an American girl but the differences in their religion, the Herald says, stood in the way of marriage and it is understood that despair drove the Prince to attempt his life.
