WASHINGTON, July 17.—President Taft's campaign fund of 1908, subject of inquiry today by the Senate committee investigating the political trusts...

Tobacco Trust Not Contributor. Neither the Tobacco Trust nor any of its stockholders...

Mr. Hitchcock went into details concerning the offer of financial assistance made by General Dupont...

"I am positive he did not contribute to any other fund," he added, "because I have talked to General Dupont about it since the campaign."

Small Contributions Denied. Hitchcock insisted that with the exception of about 25 all the contributions were below \$5000.

Before the system of collecting money by finance committees organized in each state was put into operation...

Senator Paynter asked Hitchcock if he was acquainted with any of the stockholders of the International Harvester Company...

"Did Mr. Perkins contribute?" asked the Senator. "I do not think so."

"Not that I remember. They would be more likely to contribute to your party, sir."

There will be another council in this city within a short time when plans for the campaign will be outlined. It is understood the platform as practically agreed upon is a strong one.

Seattle Celebrator Falls, Dies. SEATTLE, July 17.—Miss Helen Shipley, aged 26, a former telephone operator, took part in the Seattle celebration until late last night, went to her room on the seventh floor of a hotel, very tired, went to sleep seated on the window sill, fell out and was killed when she struck the ground nearly two feet below.

Dr. Daniel E. Selmon, who, during the last five years has been director of the State Veterinary School at Prusky, has resigned from this position and returned to the United States.

DYNAMITER CONVICT PUT IN DUNGEON FOR INFRACTIONS OF PRISON RULES.

JAMES B. McNAMARA.

JAMES B. IS SULLEN

Elder McNamara Committed to Dungeon at San Quentin.

DAILY TASK IS REFUSED

Prisoner Will Not Submit to Discipline and Is Suspected of Being in Incendiary Plot.

John J. Is Model.

LOS ANGELES, July 17.—(Special.)—Sullen, unruly and a persistent disturber of prison discipline, J. B. McNamara, elder of the McNamara brothers, confessed dynamiter of the Times building, is passing a long period in a dungeon at San Quentin...

There he must wait until the dawn of a desire to conform himself to the requirements of his station in life. Long hours of solitary confinement have had no effect thus far, the prison authorities say, but they expect to bring the convict to submission.

Prisoner Refuses to Obey Orders. McNamara refuses to obey orders, in lawless in his demeanor and will not submit to discipline, according to accounts received from the prison officials by Deputy Sheriff Manning...

The prisoners authorities have found J. B. a bad actor, said Manning. "He causes all the trouble he possibly can. He assumes a sneering attitude all the time. He will remain in the dungeon until thoroughly submissive, the officials assured me."

Insanity Plea Suggested. "It has been suggested that he is trying to lay a foundation for an insanity plea at some later date, but the officials declare it is a plain case of natural cunningness cropping out."

"John J. McNamara, on the other hand, is proving a model prisoner and is being placed in the general population in that direction, but to no purpose. Both the McNamaras are in good health."

HOLMAN SEES VICTORY

HARMONY EXISTS IN RANKS OF DEMOCRATIC PARTY. Delegate Tells of Weary Hours in Taking 46 Ballots—Says Wilson Won Fairly.

"With the nomination of Woodrow Wilson as candidate for the Presidency in place of the Democratic ticket, the supporters of Bryan, Clark, Underwood and other aspirants for the nomination have acquiesced to the will of the majority and with the belief that Wilson is the best man for the position are going to strive for his election," declared F. V. Holman, a delegate to the Democratic convention, who returned yesterday after spending several weeks near Chicago.

"I have talked with many people including Republicans and I have found that they are of the opinion that Wilson is a good man. I believe confidently that he will be elected. In the first place it is certain that he will get the votes of all Democrats, progressive or conservative. It is also highly probable that he will get many progressive Republicans who are not radicals of the Roosevelt kind."

"I have my opinion on what I have gleaned from conversations with politicians in many parts of the East, including Baltimore, New York and Chicago. I remained in the East until the noise of the convention had blown over and I believe that when the political atmosphere grew clear there was a unanimity of opinion that no mistake was made by the party in selecting Mr. Wilson."

The convention itself was a long, hot and hard one. It is hard to realize what 46 ballots means without being there to take part in them. During the first ten ballots I was for Wilson

STATE TO SUPPLY ARGUMENT COPIES

Olcott to Furnish Proofs of Documents in Support of Initiative Measures.

PAPERS ARE NOW IN TYPE

Secretary of State Offers to Aid Those Who Wish to Place Opposing Statements on File at State Capital.

SALEM, Or., July 17.—(Special.)—For the accommodation of those who may wish to file opposing or negative arguments to any initiative or referendum measure which will go into the pamphlets to be distributed to the people, Secretary Olcott stated yesterday that he will arrange to have proof copies of affirmative arguments struck off by the State Printer to be furnished on request of those who desire to file opposing arguments.

The affirmative arguments are now set in type, he says, and the cost to the state will be nothing for the striking off of proofs, and as the question of these arguments is one of state-wide interest he has decided to pursue this course. He also will furnish certified copies of the arguments at the legal rates. He has declared that affirmative arguments are public records.

Placer of Bills on Record. Considerable interest is manifested as to who are fathering the various initiative bills which go on the ballot. The first of the bills, an amendment providing for woman's suffrage in the state, was introduced by Scott Dunway, of Portland, in behalf of the Equal Suffrage League. The single tax measure for Clackamas County was filed by S. U'Ren. The bill to amend the constitution of the Harney County Courthouse was filed by A. A. Smith, of Baker, who did not state whom he represented. He is an attorney. The bill providing for the creation of Cascade County was filed by Claude W. DeVore, of Estacada, chairman of the Cascade County committee.

The bill to amend the State Grange, composed of five members, in behalf of the State Grange, was filed by E. J. Stacks, of Astoria, in behalf of the Oregon State Federation of Labor. The bill providing for a hotel inspector was filed by Dan Kellner. The six highway road bills were filed by C. T. Prall, president of the Oregon Association for Highway Improvement.

Single Tax Bills Are Many. Single tax bills were extensively filed on behalf of various organizations. The bill providing for single tax in Multnomah County was filed by J. H. Stacks, of Portland, on behalf of the Business and Labor Tax Exemption League. The graduated single tax bill was filed by H. D. Wagner, in behalf of the Oregon Graduated Single Tax League, while W. S. U'Ren, in behalf of C. H. McLaughlin and others, filed the bill for single tax in that county.

R. Lawson, of Cottage Grove, in behalf of Cottage Grove, Seaside and St. Johns, filed the bill providing for creation of counties and consolidation of contiguous towns. The four tax bills were filed by Charles W. Gallo-way, in behalf of the legislative committee and State Tax Commission, while the bill providing for uniform railroad rates was sent in by R. H. Bennett, of Medford, in behalf of the Medford Traffic Bureau.

William M. Colvig, of Medford, in behalf of the people of Southern Oregon, filed the bill providing for county road-bonding. Percy V. Cotter, for the League to Abolish Capital Punishment, filed the bill to that effect, and W. C. Francis, of Portland, filed the bills to prohibit boycotting and certain public speechmaking.

TURKISH CABINET IS OUT

Members All Quit in Body and Crisis in Affairs Is Feared. CONSTANTINOPLE, July 17.—The Turkish Cabinet resigned today in consequence of the revolt in the army against the methods of the Committee of Union and Progress.

It was thought that the vote of confidence in the Grand Visier, passed by the chamber on Monday, after he had announced that the Turkish government would countermand his orders to the troops to abstain from interfering in the elections.

The news from Albania is serious. The military league has rapidly grown and is pledged to secure the appointment of new cabinet which will enjoy the confidence of the powers. The league is determined to overthrow the Committee of Union and Progress, which apparently is losing the vice-like grip it has held on the government and the Turkish Empire since the revolution of four years ago.

The troops have been rebuffed by the Albanians in many directions. Four battalions of infantry recently were surrounded by the Albanians on the River Kruma, near Diakovica, in the Vilayet of Kassoova, and more than 300 troops with three of their officers were forced to surrender. They were disarmed and carried off to the rebel fastness.

Albanians Besiege Troops. The remainder of the Turkish troops retreated to Albania, where they are besieged by the Albanians. A dispatch from Athens, under yesterday's date, said it was semi-officially declared there that a serious movement was on among the Turkish officers and members of the Liberal party in Turkey to place Mejid Effendi, son of former Sultan Mourad, on the Turkish throne, owing to discontent with the Sultan Mahmud Rehad Khan.

THE PROFITS THAT WILL BE MADE IN BAY CITY LOTS WILL BE LIMITED ONLY BY THE CAPITAL INVESTED. The more familiar the investor becomes with the advantages of BAY CITY. The more convinced he will become of the great future of the new Deep Water Seaport and Railroad Terminal on Tillamook Bay. The following extract from the Telegram, July 16, is a criterion of the development of the Tillamook country: "The outlook for business on the New Coast line of the Southern Pacific is most excellent," said General Superintendent Campbell this morning. "Not only have sawmills been established, but there are numerous other industries which are considering securing locations along the line. Freight tonnage is increasing at a most gratifying rate and I look for extraordinary development of the entire Tillamook country within the next year. Investors and settlers are being attracted by the fine opportunities. . . . As everybody knows, the greatest timber belt in the world is in Tillamook County along our line, and there is no better dairying country than Tillamook County that I know anything about."
