CALIFORNIANS HOLD OWN

Wickersham Wins Three Matches in Day, and Paired With Doubles Teammates Shows Usual Form.

BY RALPH H. MITCHELL. Though the Californians are still in the running, in fact are holding their own in all events.

Johnson, the youngest of the California trio, had no trouble in disposing of Richardson of Seattle, though the score of 6-1, 6-2 does not tell at all the good, hard fight the northern man made against his younger though more clever opponent.

Johnson and Fottrell did not play in the scheduled men's doubles match, but they did climb one round nearer the finals by taking the Rosenfeld-Van Loan bout by default.

Yet of all the day's play in which the Californians took a part the mixed doubles was by far the most interesting and drew the largest gallery, due to a great extent to the fact that a beautiful tennis was seen and there was a Portland contestant in the match.

Wickersham, in the afternoon, played two double matches, pairing first with Walter Goss, these two winning hands down against Shives and Elton by the scores of 6-2, 6-1.

Wickersham is playing probably the strongest game he has played for several seasons, and promises to be playing better before the present season is over.
