of the Legislature.

There are other minor changes; but hase will indicate the extraordinary character of one U'Ren measure. Are the people of Oregon ready thus install an entirely novel method of Government?

The URen plan has been tried no-where. Is that a sufficient reason why him; it should be tried here?

GOVERNOR DENEEN'S CHOICE. A man cannot be a member of two parties any more than he can serve Governor Deneen is an enough politician to know and to act upon the knowledge. Havng made a fair fight for Roosevelt at Chicago convention and having he frankly accepts the result. and all except two candidates on the Illinois State Republican ticket act

The reasons given by Deneen fully ustify his decision. When he accepted the nomination for Governor bound himself in advance to stand by the party, both in state and ional elections, no matter whether National convention nominated the man he preferred or some other. To withdraw at this late day would be breach of faith with those whose

rotes gave him the nomination. Moose party and his conclusions are fority, the temptation to trade and whom Roosevelt supplanted as the possible way is a very old one. It dicker would be well-nigh irresistible.

A repetition of the scandal growing In one respect, however, Michigan theory that the lord of the manor out of the factional split which led up

ttrely and give the voters a fair to carry out a pledge to recommend suffer no practical injustice" portunity to choose between canditat Congress embody it in the rate the ballot will remedy.
