

FEWER ACCIDENTS IN AIR IS OBJECT

Aviation Bureau Works to Decrease Mishaps and Increase Efficiency.

SAFETY PRIZE IS OFFERED

Statistics in France Show That of 517 Pilots Licensed 33 Have Been Killed--As Result Tests Are Now Severe.

PARIS, July 23.—(Special.)—An interesting sketch was given to the Chamber of Deputies by Colonel Hirschauer, chief of the Aviation Department of the Army, describing the efforts being made by the government to render this branch of the service more efficient and less dangerous.

It was in answer to these figures principally that Colonel Hirschauer made his declaration. He said that during the second six months of 1911 there had been nine fatal accidents among 120 pilots and pupils, who had covered 138,000 miles. During the first six months of 1912 there was the same mortality for 250 pilots, who had flown more than twice the distance.

If you only knew what pleasure the Victor-Victrola brings into your home, you wouldn't be without one for a single day.

Do you crave for the good old songs of heart and home that bring to you the memories of days gone by? Do you want some inspiring band music to set your feet and heart a-patter? Do you desire the pleasure of having the greatest opera stars at your command--of having repeated the gems you may have heard--the arias which impressed you with their sublime beauty? You have only to wish for all of this music to actually hear it, in these days of the Victrola. No matter where you live, the Victrola brings this same music, and there's a Victrola for you at whatever price you want to pay. Visit our Victor Department today and make your selection. Easy terms of payment if desired.

Any Victor dealer in any city in the world will gladly play any music you wish to hear.

Victor-Victrolas \$15 to \$200 Victors, \$10 to \$100

LA GRANDE TAKES SPURT

JACK BARRY'S COACHING AIDS TEAM IN RACE.

Though Bears Have Good Lead Rivality for Second and Third Places to Be Keen.

LA GRANDE, July 23.—(Special.)—With the Tri-State League past the blowing-up stage, there is every indication that there will be a good finish. Walla Walla has a lead that probably is safe, but there will be a lively scramble for second and third honors.

During the last fortnight Jack Barry, of Portland, has developed the La Grande squad in the cellar where he took it to a point where it has become dangerous to Boise and Pendleton. However, Boise, in third place, has taken a spurt.

"Hap" Smith, the big Portland outfielder, is hitting wonderfully well for La Grande. The big stickler was fined \$45 by President Sweet a week ago and refused yesterday to pay it, threatening to quit. He did quit in fact, but the fans liked him so well that they subscribed the punishment money and he is back.

Earl Esola, the son of Chief Esola, also brought to Portland by McCredie, is "solid" in La Grande. The midge fielder is hitting well. McEvoy the ex-Seattle southpaw, has won nine out of 11 games for La Grande and also is rated as the best hitting pitcher in the league.

La Grande has just finished a grandstand seating 2000 persons and has the new diamond in shape.

MARATHON TO BE RUN TODAY

Twelve Athletes to Race to Top of Mount Baker Over Ice.

BELLINGHAM, Wash., July 23.—Some of the crack long-distance runners of the United States and Canada will participate in the Mount Baker Marathon here tomorrow. Entries for the Marathon are now closed, and the runners are: Jimmy Fitzgerald, of Calgary, who represented Canada in the Olympic games in London in 1908, and who has defeated Donato, St. Ives, Elyon, Soldier King and others; Paul Westerlund, winner of the Mount Wilson Marathon this year; Peter George, a Greek, who won the Pasadena Marathon this year, and Victor Norman, who won the 40-mile race at Nome last year. Eight local runners are entered in the event.

The 12 runners will leave the Chamber of Commerce in this city, seven of them going by rail to Glacier and five by automobile to Deming. From these two points the actual race begins. The Glacier runners will cover 11 miles of mountain trail to the snow, and then four miles to the peak of Mount Baker, returning by the same route. The Deming runners will cover 14 miles of the trail and about four miles of snow in reaching the summit. The one that returns to the Chamber of Commerce first will be declared the winner.

The Glacier runners must cover 20 miles of trail and the Deming runners 28 miles. The difference in distance is balanced by the different methods of reaching the mountain trails, less time being required to reach the Deming trail by automobile. Last year the run from Bellingham to the top of the mountain and return was made in 11 hours and 37 minutes.

Sellwood Nine Wants Games. The recently organized Sellwood nine would like games with teams averaging 18 years of age. The manager is J. B. Billings, Sellwood 1597.

JOE PATCHEN II WINS

GREAT RACER GOES MILE IN 2:03 1-4 AT DETROIT.

Rich Parse Never Endangered as Fine Horse Spurts Ahead Each Time Another is Near.

DETROIT, July 23.—R. J. McKenzie, of Winnipeg, had the satisfaction today of watching his splendid horse, Joe Patchen II, duplicate last year's performance of his stable mate, Vernon McKinney, and win the rich Chamber of Commerce stakes, the feature event of today's grand circuit programme. In Mr. McKenzie's box Sir Rodmont Palen Roblin, Premier of Manitoba, was an enthusiastic spectator.

Both of Patchen always was best in the big race, which is classed as the 2:13 pace. Away in front in each of the three heats, he led from wire to wire, never faltering and never in danger. When Chimes Hal, who followed him closely in each heat, came too close, Fleming gave the handsome bay the word and he pulled away. Behind the two leaders the next three horses fought it out, the real contest being for third and fourth money.

Chatty Direct took the 2:10 trot in two straight heats. Gordon Todd led into the stretch, but the mare drove him off his feet when the dash for the wire started. Seven horses in this heat were closely bunched almost all the way around. The final heat never was in doubt. Chatty Direct took the lead at the word and held it to the end.

The time of the first heat, 2:07 1-4, equals the record for the stake, held jointly by Dewitt and Country Jay. Joe Patchen II's best mark today is within one-quarter of a second to the Chamber of Commerce record, 2:03, made by Minor Helr in 1908. Tomorrow's programme includes the classic M. and M. \$1000 stakes for 2:24 trotters. Results: 2:15 trot—Ruth McGregor, won; Castle Dome, second; Punny Crank, third; Mike Agin, fourth. Best time, 2:08 1-4. 2:13 pace, Chamber of Commerce \$5000 stakes—Joe Patchen II, won; Chimes Hal, second; Grand Opera, third; Wygrad, fourth. Best time, 2:06 1-4. 2:10 trot—Chatty Direct, won; Cheaney, second; Elizabeth Ray, third; Baden, fourth. Best time, 2:07 1-4. 2:15 trot—Barona, won; Beth Clark, second; Beesie Bee, third; Elbrine Belle, fourth. Best time, 2:06 1-4.

BOLES WILL REJOIN ANGELS

Howard to Pilot Team in Dillon's Absence—Second Place Goal.

LOS ANGELES, Cal., July 23.—(Special.)—Boles will be back in the game within a week, said Hen Berry just before starting for San Francisco this morning. "And then, if we don't have any bad luck, the Angels are going to rout the Oaklanders out of second place. In fact, with the Seals on our staff this week, and Vernon and Oakland tangling up north, I am ready to bet real money that we will be in second place before another Sunday rolls around."

With Boles once more behind the bat, there is no telling where the Angels will land, if they keep going in the way they have been traveling here. Dillon will be in the East two weeks and Berry also went up to San Francisco for a few days, but with Ivan Howard at the helm everything should be running smoothly. He is a good leader and he is anxious to make good while "Cap" and Berry are away. Consequently, he says, the Angels are going after the Seals from the drop of the hat, and will not let up until next Sunday night.
