MONEY IS SECURED.—The full amount of \$5000 pledged by the County Women's Christian Temperance Union toward defraying the expenses of the National convention which will be held in Portland in October, has been secured, according to the reports submitted yesterday at the rally held at the home of Mrs. Robert McCourt, Woodstock. Practically all the unions of the county have responded and raised their proportion of this fund.

WIFE ANGRY AT HUSBAND.—Only a high counter and a row of stalwart policemen prevented Mrs. Stella McFarland from darting at her husband, W. H. McFarland, at the police station yesterday when she learned that he had obtained money from her to furnish his bail when arrested in connection with another woman. Too angry to talk coherently, the woman grasped the counter and glared at the man, who sat mute and downcast.

OPPOSITION TO VIADUCT DEVELOPE.—Some opposition to the change of grades at the intersection of East Thirty-seventh street and Sandy boulevard, where it is proposed to erect a viaduct above the main line of the O.-W. R. & N., may defeat the viaduct. The viaduct cannot be built unless the grade is changed so that the railway track may be lowered.

CHINESE IS ARRESTED.—That the office of the Jing Wo Company, a Chinese medicine establishment at 185 1/2 Morrison street, is a den where young white girls are lured, is charged by police officers in a report with the arrest of Wa Jing, one of the proprietors, by Patrolmen Lillis and Black, upon revelations made by Bertha Johnson, 16 years old, on a charge of contributing to the delinquency of a minor. Wa Jing was arrested at his office shortly after midnight yesterday.

POTTAGE HEARING WAITS.—Charles E. Pottage, contractor, accused of mayhem upon Tom Conroy, secretary of the bricklayers' union, was called in Municipal Court yesterday, but the hearing was put over to allow the presentation of testimony. Pottage will attempt to show that he was set upon by three men when he was himself bitting Conroy. Warrant had been out for the accused for several days and the police were seeking him, but he kept out of the way till Monday, when he surrendered himself.

CHURCH REOPENS CAMPAIGN.—The campaign to complete the fund of \$120,000 for the new Westminster Presbyterian church in Irvington will be resumed by the committee of solicitors, under the direction of S. P. Lockwood, chairman, within a short time. The two soliciting campaigns about \$80,000 had been pledged, when it was decided to postpone further solicitation until after the close of the midsummer vacation season. In the last campaign nearly a total of \$12,000 was secured within a short time. The largest contribution in this list was made by T. B. Wilcox in the sum of \$1000.

FLAT RATE WATER REPORT DUE SOON.—The preliminary report of William Whitfield & Co., accountants and auditors, on "flat-rate water" will be submitted to the Water Board within a few days, according to a letter from the firm received by the Water Board yesterday. "We propose," says the company, "to recommend the installation of several kinds of mechanical devices, which we believe will greatly reduce certain parts of the work." The preliminary report covering use of water for building purposes has been completed and submitted to the Water Board.

STORE TO BE INVESTIGATED.—The Montavilla Board of Trade appointed Monday night at the meeting in the office of Secretary N. Searis, A. Delano, G. W. Ross and Frank Hughes to investigate the co-operative store plan. This committee will visit the Albina co-operative store on Albina avenue and Shaver street and ascertain its plans and what are the results. Also the committee will investigate the co-operative plan and report at the next meeting. J. Randall, one of the stock holders of the Albina co-operative store, explained the workings of that store. Reports were submitted on the improvement of East Gilsan street, between East Eighty-second and East Eighty-ninth streets showing progress is being made. A concrete retaining wall will be required along the Brainard Cemetery. The street will be graded and cement walks laid.

PARITY FOR DEACONESSES PLANNED.—To show their appreciation of the work done by Miss M. Fullmer, deaconess, who leaves next week for the East, members of the Standard Bearer Society of Taylor-Street Methodist Church, will give her a party in her honor at the home of Mrs. A. B. Clark, 1933 East Main street, tomorrow evening. All Epworthians and young people of the church are cordially invited. Miss Fullmer's departure is due to the fact that she is to attend an Eastern college this coming year.
